

The background of the slide is a photograph of a mountain range at dusk or dawn. The sky is filled with large, dark, and textured clouds, with a bright orange and yellow glow from the setting or rising sun visible behind the mountains. The mountains themselves are dark and silhouetted against the lighter sky.

Love – bittersweet,
irrepressible – loosens my
limbs and I tremble.

Mike W. Martin

Love S Bittersweet:

Remembrance of Lost Loves Gene Jackson, 2009-11 All lives and the loves contained within them may be thought of as journeys Each of us at any certain time will occupy a space along such a pathway It leads from youth with its excitement hope and foolishness through mistakes omissions and the recognition of self delusion by degrees into maturity and confidence and finally to serenity This is the story of one such journey It is true in essence and in such details as memory at this distance will allow Those who might recognize themselves as fellow travelers along this path may equally share feelings of nostalgia regret self reproach and memories of love lost None should feel any of these emotions past the level that I myself do and all I hope will recall those times with affectionate remembrance Love's Virtues Mike W. Martin, 1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read **The Varieties of Love as Interpersonal Attraction** Victor Karandashev, 2024-07-22 Joining other publications on love by this author the current volume examines the great varieties of love as interpersonal attraction Drawing on classical and recent studies from global perspectives it explores the components dimensions and contexts of interpersonal attraction Its comprehensive coverage includes biological physical psychological social and cultural perspectives to give a full scientific picture of love as attraction in animals and humans This book is relevant to professionals and researchers who seek an in depth knowledge of love and interpersonal attraction the key aspects of studies in a range of scientific areas **Greek Erotic Epigram** Maria Kanellou, 2025-03-19 Despite its small size epigram attracted some of the best poetic talents of antiquity exerting a strong influence on Latin literature and continuing to inspire poetic creativity until today During the last decades research on epigram flourished to an unprecedented degree Greek Erotic Epigram A Diachronic Approach draws on and engages with this renewed scholarly interest in the briefest of the ancient Greek genres By shifting focus away from a particular poet collection and the epigrammatic production of a specific historical period it explores diachronically erotic epigram from various interpretative angles treating the surviving material as an organic whole Four motifs drive diachronic research encompassing a wide chronological span from the Hellenistic up until the early Byzantine era the lamp sea and nautical imagery the beloved s comparison to Aphrodite and Eros and the Erotes By analysing how these motifs were shaped and adapted over the centuries the book illustrates the epigrammatists changing attitudes towards the material inherited from earlier poetic tradition and leads to a deeper appreciation of the narrative techniques adopted by them as well as of the inner dynamics of poetic imitation and competition Moreover the scrutiny of the motifs within wider literary and historical backgrounds reveals the influence exerted by different cultural and sociopolitical environments on the epigrammatists work in the course of centuries The book offers a model for the type of diachronic

research that can be applied to other epigrammatic subgenres and other motifs and to Latin epigram *Apuleius and Drama* Regine May,2006-12-07 Regine May discusses the use of drama as an intertext in the work of the 2nd century Latin author Apuleius who wrote the only complete extant Latin novel the *Metamorphoses* in which a young man is turned into a donkey by magic Apuleius uses drama especially comedy as a basic underlying texture and invites his readers to use their knowledge of contemporary drama in interpreting the fate of his protagonist and the often comic or tragic situations in which he finds himself May employs a close study of the Latin text and detailed comparison with the corpus of dramatic texts from antiquity as well as discussion of stock features of ancient drama especially of comedy in order to explain some features of the novel which have so far baffled Apuleian scholarship including the enigmatic ending All Latin and Greek has been translated into English Love Barbara H. Rosenwein,2021-09-21 We make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed For love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgments Drawing on poetry fiction letters memoirs and art and with the aid of a rich array of illustrations historian Barbara H Rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire Each has had a long and tangled history with lasting effects on how we in the West think about love today Yet each leads to a different conclusion about what we should strive for in our relationships If only we could peel back the layers of love and discover its true essence But love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies By understanding the history of how we have loved Rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts *Leonard Bernstein's On the Waterfront* Anthony Bushard,2012-12-27 Released in 1954 *On the Waterfront* is considered one of the greatest films of all time winning eight Academy Awards including Best Picture and placing in the top 20 on the American Film Institute's 100 Films survey The film's Oscar nominated score represented a rare venture into film music composition by Leonard Bernstein one of the towering figures of classical music in the 20th century In *Leonard Bernstein's On the Waterfront A Film Score Guide* Anthony Bushard examines this landmark work a score that continues to influence composers of film and classical music alike The book begins with a biographical survey of Bernstein's work followed by an exploration of Bernstein's compositional method a look at the context of the film and an analysis of the score itself Though other volumes have focused on Bernstein's overall career Bushard's book is the first to look specifically at the score of this film A welcome examination of one of Bernstein's most accomplished works *Leonard Bernstein's On the Waterfront A Film Score Guide* highlights the invaluable contributions of this great composer and will be appreciated by fans of classical music and film scores Musings of a Mocha Sista ,2001-05 Welcome to the world of love self-realizations and spirituality Come and join the mocha revolution Come and taste a different flavor of mocha Pam Osbey author of *Musings of a Mocha Sista* brings you into her world Her readers are treated to

Spiritual Wounds Siobhira Aiken, 2022-03-01 This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922-1923 was followed by a traumatic silence It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s testimonies were written by pro and anti treaty men and women in both English and Irish Nearly all have eluded sustained scholarly attention to date However the act of smuggling private painful experience into the public realm especially when it challenged official memory making or even forgetting demanded the cautious deployment of self-protective narrative strategies As a result many testimonies from the Irish Civil War emerge in non-conventional hybridised and fictionalised forms of life writing This book re-introduces a number of these testimonies into public debate It considers contemporary understandings of mental illness and how a number of veterans both men and women self-consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war It also outlines the prevalence of literary representations of revolutionary sexual violence challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden **The Receiver** Samara

Mae, 2021-02-28 What would you do if you were cursed by a terrible decision to take on the pain of others or to make others take on your pain For one woman and her girlfriend it isn't a question Unnamed though anything but insignificant these girls take on the world's burdens on top of their own as marginalized queer women Accepting the legendary role of the Receiver both girlfriends represent the resilient voices of those who aren't often heard bearing the weight of struggles they shouldn't have to face alone As a story with an unconventional approach to literary style told in three parts and an epilogue The Receiver is about fighting for love family and a better future But is the world too much for one person to handle alone Can these women withstand the pain of the curse on top of the discrimination from society from their own family Who is the Receiver and will her love sustain her **The Murmur of Everything Moving** Maureen Stanton, 2025-03-15 When Maureen and Steve met in their twenties he'd left behind a difficult marriage and she had ended a troubled relationship In each other they found a passionate love and shared a dream of a living off the land in rural Michigan Three years later when Steve at twenty-nine was diagnosed with cancer they embarked on an all-out effort to save his life When Steve's childhood
