Urban'S Powerful Poems** Dr. Walter J. Urban,2017-09-26 Most of humanity has been brainwashed and controlled for hundreds of years It is time for more critical thinking and increased awareness consciousness and responsibility Freedom comes from lack of fear Listening to the heart as well as the brain is needed to learn peacefulness and to feel and practice love understanding and compassion We are all part of nature and the planet The poems in this book are meant to get people to think more better understand the world and learn that they can influence their destiny With love to all I say thank you for everything Dr Walter J Urban *El It Ism* , **Cross Creek** Marjorie Kinnan Rawlings,2021-01-01 First published in the year 1942 Cross Creek was written by a twentieth century American novelist Marjorie Kinnan Rawlings who lived in rural Florida and wrote novels with rural themes and settings Cross Creek is a bend in a country road by land and the flowing of Lochloosa Lake into Orange Lake by water We are four miles west of the small village of Island Grove nine miles east of a turpentine still and on the other sides we do not count distance at all for the two lakes and the broad marshes create an infinite space between us and the horizon We are five white families Old Boss Brice the Glissons the Mackays and the Bernie Besses and two colored families Henry Woodward and the Mickenses People in Island Grove consider us just a little biggety and more than a little queer Black Kate and I between us once misplaced some household object quite unreasonably Preface *Ongoing Conversion: From Good to Better* Fr. Henry J. Charles,2014-01-17 This book is a compilation of homilies of Fr Henry Charles composed and delivered over a period of at least twenty years The homilies were written out and were eventually typed up and it is possible that Fr Henry had himself thought about publishing them though we do not know this for sure While many persons were privileged to receive emailed copies and others actually heard his preaching the homilies were thought to be deserving of a wider audience The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance courage and discipline critical

elements of the process he terms ongoing conversion In addition Fr Henry advocates moral excellence not settling for the merely moderate or the mediocre but striving always to be perfect Fr Henry faces up to and wrestles with the perplexities of the Gospel and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes and that as a consequence we are required to see things from a different perspective not as we are normally inclined to see them but as God sees them The homilies have been arranged thematically On God On Jesus What Jesus Calls Us To Be What Jesus Calls Us To Do Faith Hope Love Loss Suffering Death and Heaven Virtues and Vices Human Dignity Spirituality Church Liturgy and Ritual and Culture Society and Leadership There is of course considerable overlap among the various themes The subjects he refers to and the examples he gives are contemporary and relevant not only to a Caribbean audience but we think to audiences globally The style is informal and conversational for the most part and this quality of the writing has been maintained The homilies have been edited for clarity and for obvious errors and omissions in the transcripts and some have been retitled but they have otherwise been reproduced and stand as he wrote them
