Magic Capes Amazing Powers:

Magic Capes, Amazing Powers Eric Hoffman, 2014-12-02 What to do when the The Incredibles and Spiderman invade your classroom

Magic Capes, Amazing Powers Eric Hoffman, 2018-10-16 For as long as there have been heroes and villains in our books on our TVs and in our everyday lives children have been imitating them in their play Superhero play remains a wonderful developmentally appropriate way for children to explore power experience adventure and investigate big questions about the world Yet many adults are troubled by the effects media storylines stereotypes and violence have on children s superhero play *Magic Capes Amazing Powers* takes an in depth look at why children are so strongly attracted to superhero and weapons play It also examines the concerns felt by families and teachers and suggests practical solutions that take into account the needs of both children and their caregivers It explores how the use of redirection storytelling dramatic play materials anti bias curriculum and clear limit setting can guide superhero play in a positive direction one that addresses caregiver concerns and allows children to do what they do best play

Focused Observations, Third Edition Gaye Gronlund, Marlyn James, 2025-04-22 Intentional teaching begins with focused observations and systematic documentation of children s learning and development *Focused Observations Third Edition* explains why observation is one of the best methods to get to know each child well track progress and plan individualized curriculum It also provides tools and techniques to help you strengthen your observations create portfolios with rich documentation and support each child You will also learn how to share your findings with families and grow as an observer through review and reflection activities Learn answers to common questions about observation including Why should I use observation in my classroom What does effective observation and documentation look like How do I fit observation in so that it doesn t take away from teaching and interacting with children How do observation and documentation work with early learning guidelines Online videos with nineteen vignettes of children in action provide opportunities to practice observing children and capturing what you see This updated edition includes new examples and provider anecdotes as well as fresh references and research

What If All the Kids Are White? Louise Derman-Sparks, Patricia G. Ramsey, 2015-04-18 In this updated edition two distinguished early childhood educators tackle the crucial topic of what White children need and gain from anti bias and multicultural education The authors propose seven learning themes to help young White children resist messages of racism and build identity and skills for thriving in a country and world filled with diverse ways of being This compelling text includes teaching strategies for early childhood settings activities for families and staff reflection questions a record of 20th and 21st century White anti racism activists and organizational and website resources Bringing this bestselling guide completely up to date the authors Address the current state of racism and anti racism in the United States including the election of the first African American president and the rise of hate groups Review child development research with a particular emphasis on recent observational studies that show how White children enact racial power codes Discuss implementation of the core learning themes in racially diverse early

childhood education settings state standards for preschools and pre K classrooms and NCLB pressures on early childhood teaching Update all resources and appendices including reading lists and websites for finding resources and organizations engaged in anti racism work Louise Derman Sparksis a past faculty member at Pacific Oaks College in Pasadena California and the co author of Teaching Learning Anti Racism Louise presents conference keynotes conducts workshops and consults throughout the United States and internationally Patricia G Ramseyis Professor of Psychology and Education at Mount Holyoke College in South Hadley Massachusetts and author of Teaching and Learning in a Diverse World Praise for the First Edition Derman Sparks and Ramsey offer an alternative vision for white identity that breaks the mold The current status of our anti bias work demands we read this book and use it well From the Foreword by Carol Brunson Day A dynamic blend of child development theory social history and the best pedagogical practice from two distinguished social justice educators every teacher of young children should read it Beverly Daniel Tatum President Spelman College An accessible practical and essential tool for every teacher of young white children I especially appreciated the concrete suggestions and abundance of resources from two of early childhood education s most experienced teachers Paul Kivel educator and author of Uprooting Racism and I Can Make My World a Safer Place By starting with a strong sense of identity that is not race based children can move forward to cultivate an anti racist culture This book offers caregivers excellent frameworks and tools to make this happen TC Record

YC Young Children ,2005 *Developmentally Appropriate Play* Gaye Gronlund,2010-07-01 Help children participate in purposeful play to promote the development of a number of important skills

Enter the Superheroes Alex S. Romagnoli,Gian S. Pagnucci,2013-06-20 Ever since the first appearances of Superman and Batman in comic books of the late 1930s superheroes have been a staple of the popular culture landscape Though initially created for younger audiences superhero characters have evolved over the years becoming complex figures that appeal to more sophisticated readers While superhero stories have grown ever more popular within broader society however comics and graphic novels have been largely ignored by the world of academia In *Enter the Superheroes American Values Culture and the Canon of Superhero Literature* Alex S Romagnoli and Gian S Pagnucci argue that superheroes merit serious study both within the academy and beyond By examining the kinds of graphic novels that are embraced by the academy this book explains how superhero stories are just as significant Structured around key themes within superhero literature the book delves into the features that make superhero stories a unique genre The book also draws upon examples in comics and other media to illustrate the sociohistorical importance of superheroes from the interplay of fans and creators to unique narrative elements that are brought to their richest fulfillment within the world of superheroes A list of noteworthy superhero texts that readers can look to for future study is also provided In addition to exploring the important roles that superheroes play in children s learning the book also offers an excellent starting point for discussions of how literature is evolving and why it is necessary to expand the traditional realms of literary study *Enter the Superheroes* will be of particular interest to English

and composition teachers but also to scholars of popular culture and fans of superhero and comic book literature

Focused Observations Gaye Gronlund, Marlyn James, 2013-04-09 Observe and document children's development in systematic purposeful ways that provide complete pictures of their progress and supports curriculum planning [The War Play Dilemma](#) Diane E. Levin, 2006 As violence in the media and media linked toys increases parents and teachers are also seeing an increase in children's war play The authors have revised this popular text to provide more practical guidance for working with children to promote creative play and for positively influencing the lessons about violence children are learning Using a developmental and sociopolitical viewpoint the authors examine five possible strategies for resolving the war play dilemma and show which best satisfy both points of view banning war play taking a laissez faire approach allowing war play with specified limits actively facilitating war play and limiting war play while providing alternative ways to work on the issues New for the Second Edition are more anecdotal material about adults and children's experiences with war play including examples from both home and school settings greater emphasis on the impact of media and commercialization on children's war play including recent trends in media programming marketing and war toys expanded discussion about the importance of the distinction between imitative and creative war play and summary boxes of key points directed at teachers or parents New information about violent video games media cross feeding and gender development and sex role stereotyping *The Science of Human Flight* Jordan Johnson, 2018-07-15 Who hasn't dreamed of being able to fly Through photographs real world history and exciting facts this book explores the possibilities and methods of giving people the ability of flight In addition readers will learn about some of nature's most interesting flying creatures and how they manage their feats of aviation This book also examines key inventions that are helping humans achieve flight for themselves in the twenty first century **The Art of Awareness** Deb Curtis, Margie Carter, 2022-05-24 With new chapters and updates from early childhood leaders Deb Curtis and Margie Carter invite early childhood educators to learn the art and skill of observation The art of observing children is more than merely the act of watching them it is also using what you see and hear to craft new opportunities in your classroom This resource provides a wealth of inspiration and practice It will help early childhood educators learn to observe in new ways witness children's remarkable competencies as they experience childhood and find new joy in their work with children The third edition updates include New information on schema theory including a list of the definitions of schemas Updated stories that reflect schema explorations and focus on observing children's ability to get along Added information on identity development and the anti bias goals New chapter on observing children using their bodies New QR codes to videos to continue learning Updates on technology and approaches to keeping observations at the center of required assessments **Witches** Erica Jong, 2017-08-29 The New York Times bestselling author of *Fear of Flying* celebrates witches in a gorgeously illustrated brew of witchcraft lore potions secrets and myth With a mix of genuine fascination passionate enthusiasm and keen feminist insight Erica Jong wades through a bog of myths misinformation

historical hysteria and contemporary Halloween costumes to offer a generous exploration and celebration of witches From their origins as descendants of ancient goddesses to contemporary practitioners of the craft the evolution of the concept of witch has been as changeable as the centuries themselves From evil crone to sexual seductress they are the embodiment of both light and dark fertility and death divinity and paganism baleful curses and healing cures They have been scapegoated as the object of men s worst fears and embraced as heroines of female empowerment As muses they have influenced popular culture from Shakespeare and Yeats to Anne Sexton and Ken Russell With reverence and a hint of mischief Jong reveals witches rites rituals and magical recipes including authentic spells and incantations A steaming cauldron of beautifully illustrated prose poetry love potions and flying lotions Glamour from the renowned author of *Fanny Witches* is nothing less than a complete transformation of our concept of witches accomplishe d with panache in this sumptuously and provocatively illustrated book Publishers Weekly This ebook features an illustrated biography of Erica Jong including rare photos and never before seen documents from the author s personal collection

Rethinking Early Childhood Education Ann Pelo,2008

Rethinking Early Childhood Education is alive with the conviction that teaching young children involves values and vision This anthology collects inspiring stories about social justice teaching with young children Included here is outstanding writing from childcare teachers early grade public school teachers scholars and parents Early childhood is when we develop our core dispositions the habits of thinking that shape how we live This book shows how educators can nurture empathy an ecological consciousness curiosity collaboration and activism in young children It invites readers to rethink early childhood education reminding them that it is inseparable from social justice and ecological education An outstanding resource for childcare providers early grade teachers as well as teacher education and staff development programs

Batsuits and Capes Agnieszka Biskup,2014 Look inside to explore the real world science and enginee ring that has inspired the Dark Knight s batsuit Page 4 of cover *The Publishers Weekly* ,1923 [The Social Work and K-12 Schools Casebook](#) Miriam
