Magic Cat (an Enlightened Animal) Explains Creation Yael Powell,Doug Powell,2004-05-01 For many years Yael Powell who is a universal communicator has been receiving messages from her special companion Magic Cat As many of you know Magic is an animal Master and in this compilation of his messages brings us insights about the Web of Life Sacred Sexuality through the eyes of a cat our loopy minds death the difference between cats hunting and humans eating meat and much more The following is a quote from one of Magic s twenty four profound messages An animal lives in the arms of God We take our nourishment from the Mother for while we cherish our physical food it is the food of our heart that keeps us connected We are woven into the body of life and we know that we are not separate from it Thus every movement is sacred Every breath is God breathing Every motion every lick and every sigh is the orchestration of a grand dance a dance in which we know ourselves as the grand dancer and we know ourselves as the movement Magic Cat **The Environment of**

Compassion Cia Sautter,2025-05-09 The Environment of Compassion explores questions of what it means to be in relationship to nature if and how it is a religious experience and how understanding humans as part of nature alters theology The book offers a performance perspective that looks at ritual dance and theatre as a means of presenting discussion of sacred values in the public realm The premise is that performance may serve as an effective means for developing human sacred values that recognize the more than human world as it increases intersubjective awareness to address issues of social and environmental justice The author investigates religion and theatre as a means of better understanding how eco consciousness requires an aesthetic of the sacred Rather than separate religion culture and nature the book presents an aesthetic looking at the relationship between them It considers how an embodied theatrical story might develop an inclusive community of compassion Weaving the chapters together is an account of The Garden A Refuge an eco centered play based on the biblical book of Job Ecotheology aesthetics and embodiment theories are examined throughout with scholarship and examples drawn largely from the Jewish tradition The book is relevant to scholars of religion and theology particularly those with an interest in the environment as well as theatre dance and performance studies **Bulletin of the Atomic**
