Magic Moments:

Magic Moments Charles Barnett, 2013-04-05 Magic Moments is an eclectic assortment of short pieces that examine life and love. Most are taken from moments with one of two little poodles. Sometimes they are silent. Sometimes they talk back. Other pieces explore science and travel to faraway places like the Arctic and the Amazon without poodles, just people. Take your pick. If there's romance and wonder in your heart, you'll find something to warm the silent moments as you drift off to sleep. *Magic Moments Yankees* Phil Pepe, 2014-05-01 With more than 100 years to choose from, longtime Yankee sportswriter Phil Pepe narrows down the top 40 most fantastic moments in Yankee baseball. Tess Alexander has it all: family within reach, work she loves, and the chance to live in a perfectly restored medieval castle. But then a trip to the village brings her face to face with the new owner of the local garage who looks a great deal like the man who married her sister eight hundred years in the past. She's determined to remain objective about magic and destiny, yet she can't help but wonder about the mysterious sword-wielding mechanic. As far as John de Piaget is concerned, he has no past; it's safer that way. The last thing he needs is the nosey medieval studies scholar from the nearby castle dredging up ancient history. But from the moment he lays eyes on Tess, John can't help but wonder how he ever took a decent breath without her, or how he's going to protect her from the treachery that threatens both their futures. **Hal David: His Magic Moments** Eunice David, 2016-11-15 Hal David's Magic Moments: There is Always Something There to Remind Me by Eunice David.
