

The background of the entire image is a blurred, dreamlike scene of a Disney castle, likely Cinderella Castle, with its spires and turrets visible against a soft, hazy sky. The image is framed by two large, overlapping, semi-transparent circular arcs that create a tunnel-like effect. Scattered throughout the scene are numerous golden stars of varying sizes, some with long, soft trails, giving the impression of magical sparks or stardust. The overall color palette is dominated by cool blues and purples, with the warm gold of the stars and the castle's stone providing a focal point.

as a genre in the first place By addressing temporality as an ever new crystallization of a heroic past and an unattainable future in a saturated yet volatile present this conflict connects substantially to the American Dream as an idea of community building historicity Departing from a non taxonomic approach in genre theory and such philosophical recognition of the American Dream as less an ideological narrative but more a social and socially effective imaginary embedded in an audiovisual discourse of time this book demonstrates the interrelation of sports cinema and American subjectivization along close readings of the poetics of affect of five exemplary sports films FIELD OF DREAMS WE ARE MARSHALL KNUTE ROCKNE ALL AMERICAN JIM THORPE ALL AMERICAN MIRACLE      **The Routledge Handbook of Mobile Socialities**
