**The Magic of the Baroque in Mexico** Lydia Sada de González, Efraín Castro Morales, 1999      **Magic Realism, World Cinema, and the Avant-Garde** Felicity Gee, 2021-04-19 This book follows the hybrid and contradictory history of magic realism through the writings of three key figures art historian Franz Roh novelist Alejo Carpentier and cultural critic Fredric Jameson drawing links between their political aesthetic and philosophical ideas on art's relationship to reality Magic realism is vast in scope spanning almost a century and is often confused with neighbouring styles of literature or art most notably surrealism The fascinating conditions of modernist Europe are complex and contradictory a spirit that magic realism has taken on as it travels far and wide The filmmakers and writers in this book acknowledge the importance of feeling atmosphere and mood to subtly provoke and resist global capitalism Theirs is the history of magic realist cinema The book explores this history through the modernist avant garde in search of a new theory of cinematic magic realism It uncovers a resistant geopolitical form of world cinema moving from Europe through Latin America and the former Soviet Union to Thailand that emerges from these ideas This book is invaluable to any reader interested in world modernism's in relation to contemporary cinema and geopolitics Its sustained analysis of film as a sensory intermedial medium is of interest to scholars working across the visual arts literature critical theory and film philosophy      *Emotion and the Seduction of the Senses, Baroque to Neo-Baroque* Lisa Beaven, Angela Ndaliansis, 2018-07-31 *Emotion and the Seduction of the Senses Baroque to Neo Baroque* examines the relationship between the cultural productions of the baroque in the seventeenth century and the neo baroque in our contemporary world The volume illuminates how rather than providing rationally ordered visual realms both the baroque and the neo baroque construct complex performative spaces whose spectacle seeks to embrace immerse and seduce the senses and solicit the emotions of the beholder      *Baroque New Worlds* Lois Parkinson Zamora, Monika Kaup, 2010-07-13 Traces the changing nature of Baroque representation across European and Latin American cultures from an imperial aesthetic encoding Catholic ideologies into a means of resistance to colonialism into a mode of postcolonial self definition      *Magical Realism* Lois Parkinson Zamora, Wendy B. Faris, 1995 On magical realism in literature      *High Culture* Anna Alexander, Mark S. Roberts, 2012-02-01 This is the first comprehensive text to address addiction and its multiple effects on and extensions into art literature philosophy and psychology Most research into addiction has taken place within the disciplines of medicine criminology politics and social psychology When seen from a broad cultural perspective however addiction emerges directly alongside modernity haunting its various discourses of digression dissent and the transcendence of the commonplace Who could even imagine modern writing without the addictive visionary excesses of writers like Baudelaire DeQuincey Poe Burroughs or Artaud Or for that matter modern culture without its outsiders its incorrigible addicts its defaced subjects smokers users overeaters alcoholics the insane Taking a cultural studies approach to addiction *High Culture* offers a readable and accessible collection of essays on these socially marginalized practices and discourses so

central to modernity     The Effects of the Nation Carl Good, John V. Waldron, 2009 What is the effect of a nation In this age of globalization is it dead dying or only dormant The essays in this groundbreaking volume use the arts in Mexico to move beyond the national and the global to look at the activity of a community continually re creating itself within and beyond its own borders Mexico is a particularly apt focus partly because of the vitality of its culture partly because of its changing political identity and partly because of the impact of borders and borderlessness on its national character The ten essays collected here look at a wide range of aesthetic productions especially literature and the visual arts that give context to how art and society interact Steering a careful course between the nostalgia of nationalism and the insensitivity of globalism these essays examine modernism and postmodernism in the Mexican setting Individually they explore the incorporation of historical icons of vanguardism and of international influence From Diego Rivera to Elena Garro from the Tlateloco massacre to the Chiapas rebellion from mass market fiction to the film *Aliens* the contributors view the many sides of Mexican life as relevant to the creation of a constantly shifting national culture Taken together the essays look both backward and forward at the evolving effect of the Mexican nation     *India and the Early Modern World* Jagjeet Lally, 2023-12-20 India and the Early Modern World provides an authoritative and wide ranging survey of the Indian subcontinent over the fifteenth to eighteenth centuries set within a global context This book explores questions critical to our understanding of early modern India How for instance were Indians religious beliefs their ways of life and the horizons of their learning changing over this period What was happening in the countryside and towns to culture and the arts and to the state and its power Were such experiences comparable or linked to those in other parts of the world Can we speak of a global early modernity therefore within which India played an important role Organised thematically each chapter engages with such key issues debates and concepts covering wide ground as it connects compares and contrasts developments witnessed across early modern South Asia to those around the globe Drawing on the fruits of research in numerous fields over the past fifty years and rich in detail *India and the Early Modern World* is a pathbreaking volume written engagingly and accessibly with scholars students and non specialists in mind     A Companion to Magical Realism Stephen M. Hart, Wen-chin Ouyang, 2005 The Companion to Magical Realism provides an assessment of the world wide impact of a movement which was incubated in Germany flourished in Latin America and then spread to the rest of the world It provides a set of up to date assessments of the work of writers traditionally associated with magical realism such as Gabriel Garcia M rquez in particular his recently published memoirs Alejo Carpentier Miguel ngel Asturias Juan Rulfo Isabel Allende Laura Esquivel and Salman Rushdie as well as bringing into the fold new authors such as W B Yeats Seamus Heaney Jos Saramago Dorit Rabinyan Ovid Mar a Luisa Bombal Ibrahim al Kawni Mayra Montero Nakagami Kenji Jos Eustasio Rivera and Elias Khoury discussed for the first time in the context of magical realism Written in a jargon free style and with all quotations translated into English this book offers a refreshing new interdisciplinary slant on magical realism as an international literary phenomenon emerging from the trauma

of colonial dispossession The companion also has a Guide to Further Reading Stephen Hart is Professor of Hispanic Studies University College London and Doctor Honoris Causa of the Universidad Nacional Mayor de San Marcos Lima Peru Wen chin Ouyang lectures in Arabic Literature and Comparative Literature at the School of Oriental and African Studies London

Feast and Folly Allen S. Weiss,2012-02-01 What would it mean to speak of cuisine as a fine art Combining an analysis of French cuisine with cutting edge postmodernist critique Feast and Folly provides a fascinating history of French gastronomy and cuisine over the past two centuries as well as considerable detail regarding the preparation of some of the colossal meals described in the book It offers a deep analysis of the social political and aesthetic aspects of cuisine and taste exploring the conceptual preconditions the discursive limits and the poetics and rhetorical forms of the modern culinary imagination Allen S Weiss analyzes the structural preconditions of considering cuisine as a fine art connects the diverse discursive conditions that give meaning to the notion of cuisine as artwork and investigates the most extreme psychological and metaphysical condition of the aesthetic domain the sublime in relation to gastronomy

Viceroy Güemes's Mexico Christoph Rosenmüller,2024-03-15 Viceroy G emes s Mexico Rituals Religion and Revenue examines the career of Juan Francisco G emes y Horcasitas viceroy of New Spain from 1746 to 1755 It provides the best account yet of how the colonial reform process most commonly known as the Bourbon Reforms did not commence with the arrival of Jos de G lvez the visitador general to New Spain appointed in 1765 Rather G emes ennobled as the conde de Revillagigedo in 1749 pushed through substantial reforms in the late 1740s and early 1750s most notably the secularization of the doctrinas turning parishes administering to Natives over to diocesan priests and the state takeover of the administration of the alcabala tax in Mexico City Both measures served to strengthen royal authority and increase fiscal revenues the twin goals historians have long identified as central to the Bourbon reform project G emes also managed to

implement these reforms without stirring up the storm of protest that attended the G lvez visita The book thus recasts how historians view eighteenth century colonial reform in New Spain and the Spanish empire generally Christoph Rosenm ller s study of G emes is the first in English language scholarship that draws on significant research in a family archive Using these rarely consulted sources allows for a deeper understanding of daily life and politics Whereas most scholars have relied on the official communications in the great archives to emphasize tightly choreographed rituals for instance Rosenm ller s work shows that much interaction in the viceregal palace was rather informal a fact that scholars have overlooked The sources throw light on meeting and greeting people ongoing squabbles over hierarchy and ceremony walks on the Alameda square the role of the vicereine and their children and working hours in the offices Such insights are drawn from a rare family archive harboring a trove of personal communications The resulting book paints a vivid portrait of a society undergoing change earlier than many historians have believed Perverse Desire and the Ambiguous Icon Allen S. Weiss,1994-10-28

Perverse Desire and the Ambiguous Icon analyzes the limits of the applicability of psychoanalytic theory to aesthetic discourse and in doing so expands the range of non normative paradigms of spectatorial identification and sexual identity These considerations are based on the epistemological premises that the ideal seldom coincides with the empirical and that identification is always partial fragmented heterogeneous mixed such that total identification would be tantamount to delirium The imagination is but the ephemera of partial objects torn from culture and history the transgression by fragmentation of a contemporary cosmos all too unified and all too controlled to admit the most singular and idiosyncratic phantasms of our desires Thus we must posit an aesthetics where theory and interpretation are juxtaposed to or traced above the effects of the passions where a muscular contraction or spasm is worth as much as a concept It is here at the fragile limit between iconophilia and iconoclasm that the ironies and exigencies of poetic justice reside *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries,1979 The Spectacular City, Mexico, and Colonial Hispanic Literary Culture Stephanie Merrim,2012-10-03 Winner Katherine Singer Kovacs Prize Modern Language Association 2010

The Spectacular City Mexico and Colonial Hispanic Literary Culture tracks the three spectacular forces of New World literary culture cities festivals and wonder from the sixteenth to the seventeenth century from the Old World to the New and from Mexico to Colombia Peru and Bolivia It treats a multitude of imperialist and anti imperialist texts in depth including poetry drama protofiction historiography and journalism While several of the landmark authors studied including Hern n Cort s and Sor Juana In s de la Cruz are familiar others have received remarkably little critical attention Similarly in spotlighting creole writers Merrim reveals an intertextual tradition in Mexico that spans two centuries Because the spectacular city reaches its peak in the seventeenth century Merrim s book also theorizes and details the spirited work of the New World Baroque The result is the rich examination of a trajectory that leads from the Renaissance ordered city to the energetic revolts of the spectacular city and the New World Baroque *Challenging*

**The History of the Future in Colonial Mexico** Matthew D. O'Hara, 2018-11-20 A prominent scholar of Mexican and Latin American history challenges the field's focus on historical memory to instead examine colonial era conceptions of the future Going against the grain of most existing scholarship Matthew D O'Hara explores the archives of colonial Mexico to uncover a history of futuremaking While historians and historical anthropologists of Latin America have long focused on historical memory O'Hara a Rockefeller Foundation grantee and the award winning author of *A Flock Divided Race Religion and Politics in Mexico* rejects this approach and its assumptions about time experience Ranging widely across economic political and cultural practices O'Hara demonstrates how colonial subjects used the resources of tradition and Catholicism to craft new futures An intriguing innovative work this volume will be widely read by scholars of Latin American history religious studies and historical methodology

**Nomadic New Women** Renée M. Silverman, Esther Sánchez-Pardo, 2024-11-08 *Nomadic New Women Exile and Border Crossing* between Spain and the Americas Early to Mid Twentieth Century examines how gender and sexuality border crossing and exile intersect in women's intellectual and artistic practices during the volatile historical period of the first half of the twentieth century in and around Spain and the Americas Each of the twelve chapters in this highly interdisciplinary volume

analyzes the combined impact of gender and sexual identity and the traversing of particular national and world regional boundaries on creative work Together and separately the contributors push the limits of past and present research on exile and migration displacement and nomadism to reveal how the complex interrelationships among gender sexuality and cultural production come under intense pressure by the crossing of borders
