The Magical Dilemma of Victor Neuburg Jean Overton Fuller, 1990 Really two books in one Firstly a record of one man s extraordinary journey to magical enlightenment Secondly a story of Aleister Crowley the magus who summoned Neuburg to join him in the quest Back cover verso Aleister Crowley and Western Esotericism Henrik Bogdan, Martin P. Starr, 2012-09-20 Henrik Bogdan and Martin P Starr offer the first comprehensive examination of one of the twentieth century s most distinctive occult iconoclasts Aleister Crowley 1875 1947 one of the most influential thinkers in contemporary western esotericism Stealing Fire from Heaven Nevill Drury, 2011-03-02 The Western magical traditions are currently undergoing an international resurgence In *Stealing Fire from Heaven* Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems Gnosticism and the Hermetica the medieval Kabbalah Tarot and Alchemy and more recently Rosicrucianism and Freemasonry collectively laid the basis for the modern magical revival which first began to gather momentum in Europe at the end of the nineteenth century Western magic has since become increasingly eclectic drawing on such diverse sources as classical Greco Roman mythology Celtic cosmology Kundalini yoga and Tantra shamanism chaos theory and the various spiritual traditions associated in many different cultures with the Universal Goddess Drury traces the rise of various forms of magical belief and practice from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality He also explores Chaos Magick and the occult practices of the so called Left Hand Path as well as twenty first century magical forays into cyberspace He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as stealing fire from heaven Considered in this light Drury argues modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm *The Varieties of Magical Experience* Lynne L. Hume Ph.D., Nevill Drury, 2013-01-24 A rare combination of personal and academic this book showcases the myriad avenues for transcending the boundaries of reality through direct sensory experience *The Varieties of Magical Experience* Indigenous Medieval and Modern Magic provides a comprehensive volume that examines magic in all its aspects Through detailed case studies verbatim accounts of

personal experiences and first hand experience from the authors own active participation in many alternative religious rituals and ceremonies this unique book reveals how magic can be a universal phenomenon that crosses cultural historical and spatial boundaries The work is organized in five sections that embrace several broad themes indigenous magical and shamanic practices medieval witchcraft sorcery and hermetic magic and contemporary Western magical practices including the role of sexuality trance and meditation The introductory section explores the idea of magic other realities and the employment of all the senses while the final section discusses contemporary issues of ecology and cybermagic The authors give voice to the powerful emotions and feelings that result from a magical encounter providing engaging and accessible information to general readers while those well versed in the opaque world of magic and occultism consciousness studies and imaginal and disembodied realms will appreciate the book s content at a deeper level Jack the Ripper and Black Magic Spiro Dimolianis,2011-08-10 Jack the Ripper is a gothic tale of Victorian conspiracies the supernatural secret societies and the police Scotland Yard hunted a serial killer shrouded in politics as the mutilator of East End prostitutes This book uses historic sources and rare official reports to reveal dark and supernatural aspects of the Ripper case **Aleister Crowley** Colin Wilson,2005-12-31 Poet Magician Mountaineer Polemicist and Pornographer Aleister Crowley was the most famous or infamous name in twentieth century occultism With his usual flair and style Colin Wilson brings this complex and enigmatic figure to life and provides an engrossing portrait of the self styled Great Beast the man whom the contemporary press dubbed The Wickedest Man in the World The popular image of him as in the words of Francis King an insatiable sexual athlete a pimp who lived on the immoral earnings of his girl friends and a junkie who daily took enough heroin to kill a roomful of people has a basis in fact but there were other less obnoxious and despicable aspects of this highly original character Crowley s greatest legacy is his eclectic occult system his Magick persists a potent synthesis of Golden Dawn magic oriental esoteric techniques sexual magic and the all encompassing Law of Thelema with its two fundamental principles Every man and woman is a star and the notorious Do What Thou Wilt Shall Be the Whole of the Law *The Place of Enchantment* Alex Owen,2006-12-15 By the end of the nineteenth century Victorians were seeking rational explanations for the world in which they lived The radical ideas of Charles Darwin had shaken traditional religious beliefs Sigmund Freud was developing his innovative models of the conscious and unconscious mind And anthropologist James George Frazer was subjecting magic myth and ritual to systematic inquiry Why then in this quintessentially modern moment did late Victorian and Edwardian men and women become absorbed by metaphysical quests heterodox spiritual encounters and occult experimentation In answering this question for the first time *The Place of Enchantment* breaks new ground in its consideration of the role of occultism in British culture prior to World War I Rescuing occultism from its status as an irrational indulgence and situating it at the center of British intellectual life Owen argues that an involvement with the occult was a leitmotif of the intellectual avant garde Carefully placing a serious engagement with esotericism squarely alongside

revolutionary understandings of rationality and consciousness Owen demonstrates how a newly psychologized magic operated in conjunction with the developing patterns of modern life She details such fascinating examples of occult practice as the sex magic of Aleister Crowley the pharmacological experimentation of W B Yeats and complex forms of astral clairvoyance as taught in secret and hierarchical magical societies like the Hermetic Order of the Golden Dawn Through a remarkable blend of theoretical discussion and intellectual history Owen has produced a work that moves far beyond a consideration of occultists and their world Bearing directly on our understanding of modernity her conclusions will force us to rethink the place of the irrational in modern culture An intelligent well argued and richly detailed work of cultural history that offers a substantial contribution to our understanding of Britain Nick Freeman Washington Times *Aleister Crowley* Tobias Churton,2014-05-20 At last the unexpurgated true story of the amazing Aleister Crowley philosopher poet artists writer magus explorer parapsychology and spy Packed with fresh research and previously unpublished Crowleyana For 100 years Aleister Crowley s true achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history Until now Crowley s life has not been written it has been written over Tobias Churton is a world authority on Freemasonry Rosicrucianism and Gnosticism In writing Aleister Crowley he enjoyed complete access to all Crowley s restricted papers unpublished letters and personal diaries kept in a trust at London s Warburg Institute and in the Ordo Templi Orientis archives Ninety percent of the authentic material here has never before been published **Aleister Crowley and the Temptation of Politics** Marco Pasi,2014-09-11 Aleister Crowley 1875 1947 is one of the most famous and significant authors in the history of western esotericism Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest Aleister Crowley and the Temptation of Politics looks at the man behind the myth by setting him firmly within the politics of his time and the development of his ideas through his extensive and extraordinarily varied writings Crowley was a rationalist sympathetic to the values of the Enlightenment but also a romantic and a reactionary His search for an alternative way to express his religious feelings led him to elaborate his own vision of social and political change Crowley s complex politics led to his involvement with many key individuals organisations and groups of his day the secret service of various countries the German Nazi party Russian political activists journalists and politicians of various persuasions as well as other writers both in Europe and America Aleister Crowley and the Temptation of Politics presents a life of ideas an examination of a man shaped by and shaping the politics of his times **Satan's Conspiracy** P. G. Maxwell-Stuart,2001 Synthesizing the evidence for magic and witchcraft in 16th century Scotland this book profiles unpublished manuscripts 19th and early 20th century transcriptions and passing remarks in the histories of shires and boroughs Preliminary suggestions are made about how these sources can be interpreted so that nature scholars of Scottish witchcraft in particular will be able to more easily construct their theories with the analyses provided *Aleister Crowley* Gary Lachman,2014-05-15 This definitive work on

the occult's great beast traces the arc of his controversial life and influence on rock and roll giants from the Rolling Stones to Led Zeppelin to Black Sabbath When Aleister Crowley died in 1947 he was not an obvious contender for the most enduring pop culture figure of the next century But twenty years later Crowley's name and image were everywhere The Beatles put him on the cover of Sgt Pepper's Lonely Hearts Club Band The Rolling Stones were briefly serious devotees Today his visage hangs in goth clubs occult temples and college dorm rooms and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers Aleister Crowley is more than just a biography of this compelling controversial and divisive figure it's also a portrait of his unparalleled influence on modern pop culture

The Shaman and the Magician

Nevill Drury, 2019-09-09 Originally published in 1982 The Shaman and the Magician draws on the author's wide experience of occultism western magic and anthropological knowledge of shamanism to explore the interesting parallels between traditional shamanism and the more visionary aspects of magic in modern western society In both cases as the author shows the magician encounters profound god energies of the spirit and it is up to the individual to interpret these experiences in psychological or mythological terms The book demonstrates that both shamanism and magic offer techniques of approaching the visionary sources of our culture

Whisperers J.H. Brennan, 2013-06-13 From the hair raising to the eyebrow raising this is a scintillating account of meetings with spirits through history Mark Booth New York Times bestselling author It may seem incredible but as bestselling novelist and occult expert J H Brennan reveals in this eye opening new history there is a wealth of evidence to suggest that the disembodied voices of spirits may have subtly directed the course of human events In Whisperers Brennan explores how the spirit world whether we believe in it or not has influenced our own since the dawn of civilization With a novelist's flair and a scholar's keen eye Brennan details the supernatural affinities of world leaders from King Nebuchadnezzar to Adolf Hitler showing how the decisions and policies of each have been shaped by their supernatural beliefs and encounters Brennan also examines the impact of visions from shamanism in native cultures to prophets such as Joan of Arc Chronicling millennia of contact between the spirit world and our own Whisperers presents an entirely new and different way to look at history Prolific Irish author and lecturer Brennan's lifelong fascination with psychic phenomena fuels this comprehensive analysis of potential supernatural influences on history Certain hokum for skeptics but the more open minded will savor this chillingly convincing testimonial Kirkus Reviews J H Brennan is an expert storyteller who paints an often terrifying picture of how human destiny has regularly been changed forever by individuals convinced they were in communication with intelligences from beyond In Whisperers Brennan has created a unique and timely history of spirit voices that is both brilliant and utterly chilling Andrew Donkin coauthor of *Illegal*
