A practical guide to pathworking and other esoteric techniques from the ancient mystery schools predating Christianity Explains the dynamics of both group ritual and solo practice Shows that temples of high magic are not mere physical structures but inner edifices created by sustained meditative practice Explains why this practice is sometimes called the Yoga of the West Before the advent of Christianity early civilizations had at the heart of their spiritual traditions mystery schools that offered a corpus of training methods in what is now called magic The persecution of heresies that followed the establishment of Christianity as Rome's state religion a persecution that reached its high point during the Middle Ages forced the degradation and disappearance of this training system While the knowledge of these mystery traditions jealously guarded by secret societies has begun to emerge the actual techniques and practices of spiritual magic have remained hidden The Temple of High Magic provides the practical knowledge of these techniques for modern spiritual seekers who wish to incorporate the proven esoteric techniques of the magi into their lives This book explains the dynamics of group ritual and solo practice as well as the critical role played by the kabbalistic tree of life the key to inner knowledge Ina C sters van Bergen shows that temples of high magic are not mere physical structures but are the inner edifices willed into being by a sustained meditative practice and pathworking using key symbols from ancient Hebraic and Egyptian traditions Sometimes called the Yoga of the West this spiritual magic is a system of esoteric development that seeks to create full union between the magician and the divine

The Angels' Message to Humanity Gerald J. Schueler, Betty Schueler, 2002-09-08 Initiate yourself into one of the most enriching and powerful systems of magick anywhere The Angels Message to Humanity presents a radical new system of 88 graded paths based on mandalas created from the five Enochian tablets Incorporating ritual magick creative visualization yoga and mantras nothing apart from this book is needed for these initiations The revised pathworking rituals in The Angels Message to Humanity allow a magician to fully explore the Enochian system of magick alone or with others Explore alternative methods of skrying and ritually working with the Watchtowers Build the Enochian Cube as a powerful three dimensional model of the magickal universe through advanced pathworking rituals Geared to the intermediate or advanced magickal student this book is divided into easy to read text and endnotes containing helpful references and technical information as well as 121 illustrations and 8 color plates
