The Magician Within Robert Moore, Douglas Gillette, 1994-06-01 **The Magician Within** Robert L. constructionist and the essentialist perspectives on masculine gender As a result a men s studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men s studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher s website

Facing the Dragon Robert L. Moore,2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read Facing the Dragon But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of Boundaries of the Soul Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy

Soul Making Douglas M. Gillette,2024-11-19 Explains how to embrace the paradox of the spiritual path that we are already reflections of the Divine and manifest our soul s transcendent nature in everyday life Provides contemplative and philosophical tools to support the journey to experience the Sacred Explores mythic stories of soul development and intuition found in Maya and Pythagorean traditions ancient Egyptian thought and Zoroastrianism In the mind of the Divine every person has Infinite Eternal and Absolute Worth But how do we manifest our transcendent nature in everyday life How can we construct our lives in the material world so they reflect the Divine nature of our souls Through his own story of spiritual self realization Douglas M Gillette explores the paradox that lies at the heart of the quest for union with the Divine As the author

explains those of us on the mystical path are each working on our souls to better reflect their Divine nature yet we are already reflections of the Divine To help you embrace this paradox the author provides mythic stories of soul development and intuition from Maya and Pythagorean traditions ancient Egyptian thought and Zoroastrianism He shows how embracing the power of emotions like wonder dread and awe provide a mirror that allows us to see ourselves as infinite and immortal persons on finite and mortal adventures In addition to myth the author s synthesis of Neoplatonism and Panentheism provides readers with contemplative tools to fulfill their mystical journey Bringing together a wide range of contrasting worldviews and ideas assumed to be in opposition the author shows how unifying views that are often considered polar opposites is a primary vehicle for actualizing our core purpose as souls in the physical world He deeply investigates the emergence of personhood as we build our material lives and he reveals the thrill of actually entering into the Sacred through the paradoxical journey of soul making becoming in the physical world what we already are in the infinity and eternity of the Divine Psyche

Sacred Fire Ronald Rolheiser, 2017-03-14 When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic *The Holy Longing* With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In *Sacred Fire* Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God

Natural Spirituality Joyce Rockwood Hudson, 2016-12-06 In this revised edition of *Natural Spirituality A Handbook for Jungian Inner Work in Spiritual Community* Joyce Rockwood Hudson moves

Jungian dream work from the professional world of the analyst's office into the everyday world of spiritual seekers in local community both inside and outside the institutions of traditional religion. For those willing to meet the divine in the natural flow of life, this book offers an opportunity to embark upon the spiritual path of individuation, whether traveling alone or with the support of a group. With clarity and simplicity, Joyce Hudson puts into her reader's hands the tools for inner work that Carl Jung offered to spiritual seekers everywhere. **JOYCE ROCKWOOD HUDSON** Joyce Rockwood Hudson has taught the principles of Jungian inner work to church and community dream groups for almost three decades. Since its original publication, her book *Natural Spirituality* has been a handbook for dream groups across the U.S. and abroad. She is on the faculty of the Haden Institute where she teaches in the Dream Leader Training Program and helps oversee the annual Summer Dream and Spirituality Conference. The author of seven books, her literary prizes include Holland's prestigious Silver Pencil award, an American Library Association Notable Book award, and Georgia Writer of the Year in Fiction. **Numen,**

Old Men Joseph Gelfer, 2016-09-17 Since the early 1990s, there have been various movements designed to encourage masculine spirituality. All these movements share a concern that spirituality has become too feminine and that men's experiences of the spiritual are being marginalized. The task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context. *Numen Old Men* examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy. The mythopoetic evangelical and Catholic men's movements are shown to promote a hetero-patriarchal spirituality by appealing to either combative and oppressive neo-Jungian archetypes or biblical models of man as the leader of the family. *Numen Old Men* examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy. **Working for Justice**
