Tarkington, 2014-08-12 Major Amberson had made a fortune in 1873 when other people were losing fortunes and the magnificence of the Ambersons began then Magnificence like the size of a fortune is always comparative as even Magnificent Lorenzo may now perceive if he has happened to haunt New York in 1916 and the Ambersons were magnificent in their day and place Their splendour lasted throughout all the years that saw their Midland town spread and darken into a city but reached its topmost during the period when every prosperous family with children kept a Newfoundland dog In that town in those days all the women who wore silk or velvet knew all the other women who wore silk or velvet and when there was a new purchase of sealskin sick people were got to windows to see it go by Trotters were out in the winter afternoons racing light sleighs on National Avenue and Tennessee Street everybody recognized both the trotters and the drivers and again knew them as well on summer evenings when slim buggies whizzed by in renewals of the snow time rivalry For that matter everybody knew everybody else s family horse and carriage could identify such a silhouette half a mile down the street and thereby was sure who was going to market or to a reception or coming home from office or store to noon dinner or evening supper During the earlier years of this period elegance of personal appearance was believed to rest more upon the texture of garments than upon their shaping A silk dress needed no remodelling when it was a year or so old it remained distinguished by merely remaining silk Old men and governors wore broadcloth full dress was broadcloth with doeskin trousers and there were seen men of all ages to whom a hat meant only that rigid tall silk thing known to impudence as a stove pipe In town and country these men would wear no other hat and without self consciousness they went rowing in such hats Shifting fashions of shape replaced aristocracy of texture dressmakers shoemakers hatmakers and tailors increasing in cunning and in power found means to make new clothes old The long contagion of the Derby hat arrived one season the crown of this hat would be a bucket the next it would be a spoon Every house still kept its bootjack but high topped boots gave way to shoes and congress gaiters and these were played through fashions that shaped them now with toes like box ends and now with toes like the prows of racing shells Trousers with a crease were considered plebeian the crease proved that the garment had lain

upon a shelf and hence was ready made these betraying trousers were called hand me downs in allusion to the shelf In the early eighties while bangs and bustles were having their way with women that variation of dandy known as the dude was invented he wore trousers as tight as stockings dagger pointed shoes a spoon Derby a single breasted coat called a Chesterfield with short flaring skirts a torturing cylindrical collar laundered to a polish and three inches high while his other neckgear might be a heavy puffed cravat or a tiny bow fit for a doll s braids With evening dress he wore a tan overcoat so short that his black coat tails hung visible five inches below the over coat but after a season or two he lengthened his overcoat till it touched his heels and he passed out of his tight trousers into trousers like great bags Then presently he was seen no more though the word that had been coined for him remained in the vocabularies of the impertinent It was a hairier day than this Beards were to the wearers fancy and things as strange as the Kaiserliche boar tusk moustache were commonplace

**The Magnificent Ambersons** Booth Tarkington, 1919 The Magnificent Ambersons is the epic story of an American family s traumatic tumble from the dizzying heights of fame and fortune A dynasty spanning three generations the Ambersons pre eminence as society s elite is threatened not only by a hungry new breed of industrial entrepreneurs but from its own arrogance and greed At the center of the story is George Amberson Minafer the pampered but pitiful scion of the clan upon whose shoulders the fate of the family fortune will be won or lost At once an exciting chronicle of a family s rise to fortune and its tortured downfall it is also a fascinating portrait of the forces that shaped American society The Magnificent Ambersons Booth Tarkington, 2019-07-20 In a world where a gentleman s life is defined more by being rather

than by doing a family's reputation can be compromised if it is not guarded carefully and the sole heir of the Amberson family is proving himself to be a difficult person. Expected by the family to carry on its proud traditions, George Amberson Minafer is trusted implicitly. But though rich relatives provide the elegant suits the handsome young man who wears them is filled with little but appearances. And this happens in spite of or perhaps because of his mother's selfless love that places him above her own happiness. As George's uncle perceptively remarks, life and money both behave like loose quicksilver in a nest of cracks. With the new automobile industry transforming fortunes and coal heat transforming city air into sooty clouds, anything that stands still is apt to be run over or at least begrimed. What is magnificent about the Ambersons is their faithful reliance on old money and old ways in a world changing rapidly around them. Or perhaps it is the magnificence of the train wreck created when George's relatives with the best intentions shield him from the new realities and defer to all his wishes. Booth
