Humanizing Humanity Bidyut Chakrabarty, 2024-07-20 Humanizing Humanity is distinctively framed advocacy of the ways in which the concept of humanity has been defended by various ideologues of India like Tagore Gandhi and Ambedkar By grounding itself in the epistemology of intellectual history the book delineates how these three major thinkers visualised the ways in which society can be better humanized Such a process of humanization for these thinkers forms the bedrock of the trajectory in which humanity may be preserved amidst intense authoritarianism and the violent quest for power by a small minority in the society The book is an attempt at exploring the strands of inter textuality that exist when Tagore Gandhi and Ambedkar s thinking is situated in the ontic and epistemic context of a few humans tendency to destroy humanity and

the efforts of another section to create conditions for its preservation Bidyut Chakrabarty does this by comparing the ways in which the Federalist Papers of the United States of America and the Indian Constitution manifest as quintessential texts that uphold the principles of liberty equality justice and the protection of the weaker sections of society from structured strands of domination and exploitation

Cosmopolitanism and the Legacies of Dissent Tamara Caraus, Camil Alexandru Parvu, 2014-07-17 The core idea shared by all cosmopolitan views is that all human beings belong to a single community and the ultimate units of moral concern are individual human beings not states or particular forms of human associations Nevertheless the attempts to ground a political theory on overarching universal principles is in contradiction with the plurality of social cultural political religious interpretative standpoints in the contemporary world Is dissent cosmopolitan Is

there a legacy of dissent for a theory of cosmopolitanism This book is a comparative historical analysis of dissident thought and practice for contemporary debates on cosmopolitanism Divided into two parts the editors and contributors explore the contribution of paradigmatic dissidents like Gandhi Martin Luther King Havel Sakharov Mandela Liu Xiaobo Aung San Suu Kyi towards a post universalist cosmopolitan theory Part Two examines the inherent cosmopolitanism of the seemingly peripheral dissent of contemporary forms of protests resistance direct action like NO TAV movement and Occupy Wall Street A timely book which allows for a much needed new engagement in contemporary debates of cosmopolitanism we learn how practical resistance to totalizing hegemonic claims is generated and how dissident thinking might contribute to new enriched ways of conceiving the non totalizing foundations of cosmopolitanism An innovative look at what lessons can scholars of cosmopolitanism learn from dissent dissident movements and what the role of dissent in cosmopolitan democracy could be

Gandhi Kathryn Tidrick,2013-07-02 Throughout his long and turbulent career as a political leader first in South Africa and then in India Gandhi sought to fulfil his religious aspirations through politics and to reconcile politics with personal religious conviction But Gandhi s religion was wildly divergent from anything to have taken root in his native India Foremost among his private tenets was the belief that he was a world saviour long prophesied and potentially divine Penetrating and provocative Kathryn Tidrick s book draws on neglected material to explore the paradoxes within Gandhi s life and personality She reveals a man whose spiritual ideas originated not in India but in the drawing rooms of late Victorian England and which included some very eccentric and damaging notions about sex The resulting portrait is complex convincing and to anyone interested in the legacy of colonialism more enlightening than any previously published The Gandhi revealed here is not the secular saint of popular renown but a difficult and self obsessed man driven by a messianic sense of personal destiny

Representations of Dalit Protagonists Hanumanth Ajjath Lokhande,2024-09-23 This book interrogates canonical Indian English fiction which has Dalit characters as protagonists or major characters and argues that the representation of such characters although well meant is regulated and made unremarkable It examines how the normative discourse of the Anglophone novel portrays Dalits from an upper caste point of view devoid of Ambedkarite or Dalit consciousness and thus implicitly reinscribes the upper caste power by restricting the narrative to merely represent Dalit submission and victimhood The arguments then are substantiated by setting up a comparative framework through contrastive analysis of selected narratives by Dalit writers from Marathi Dalit literature to highlight the differential representational paradigms that mark the absence or presence of Ambedkarite consciousness and perspective YES...1st Book of Poetry Thomas Marshall Penick,2011-01-11 I lovingly fondly affectionately and respectfully dedicate Y E S my 1st Book of Poetry to my Mother and to my Father Mario Hilton Penick Of all the stars in the Universe of God s creations my Mother and Father are at the pinnacle of the brightest shining stars I cannot imagine anyone more deserving of praise and a justified sleep than my parents who stood by me through thick and through thin nor my outstanding group of 4 Film Editors who taught me much of what I
