Mahikari Andris Kārlis Tebēcis,1982 *Japanese New Religions in the West* Peter B. Clarke,Jeffrey Somers,2013-10-18 An excellent and very timely update on an area seeing many recent developments **Japanese New Religions in Global Perspective** Peter B Clarke,Peter B. Clarke,2013-11-05 Since the 1960s virtually every part of the world has seen the arrival and establishment of Japanese new religious movements a process that has followed quickly on the heels of the most active period of Japanese economic expansion overseas This book examines the nature and extent of this religious expansion outside Japan **The Encyclopedia of Caribbean Religions** Patrick Taylor,Frederick I. Case,2013-04-30 The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective Generously illustrated this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever changing and varied historical phenomenon Organized alphabetically entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world Systematically organized by theme and area the encyclopedia considers religious traditions such as Vodou Rastafari Sunni Islam Sanatan Dharma Judaism and the Roman Catholic and Seventh day Adventist churches Detailed subentries present topics such as religious rituals beliefs practices specific historical developments geographical differences and gender roles within major traditions Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society in the Caribbean diaspora and in wider national and transnational spaces **Is The Future In Our Hands-My Experiences With Sukyo Mahikari** Andris K Tebecis, **The Encyclopedia of American Religions** J. Gordon Melton,1987 Compact clearly printed and a delight to use A sine qua non for the reference collections of public academic and theological libraries American Reference Books Annual **Encyclopedia of American Religions** J. Gordon Melton,1996 Compact clearly printed and a delight to use A sine qua non for the reference collections of public academic and theological libraries American Reference Books Annual New Edition Your patrons will find this resource comprehensive as well as compelling with coverage on more than 2 100 North American religious groups in the U S and Canada from Adventists to Zen Buddhists Information on these groups is presented in two distinct sections These sections contain essays and directory listings that describe the historical development of religious families and give factual information about each group within those families including when available rubrics for membership figures educational facilities and periodicals This new 5th edition also includes more than 200 new entries in the directory portion and a new chapter on the Interfaith and Ecumenical family In addition numerous indexes help users quickly find the information they re seeking **Japanese Religions and Globalization** Ugo Dessì,2013 This book analyzes the variety of

ways through which Japanese religions Buddhism Shinto and new religious movements contribute to the dynamics of accelerated globalization in recent decades It looks at how Japanese religions provide material to cultural global flows thus acting as carriers of globalization and how they respond to these flows by shaping new global identities The book highlights how paradoxically these processes of religious hybridization may be closely intertwined with the promotion of cultural chauvinism It shows how on the one hand religion in Japan is engaged in border negotiation with global subsystems such as politics secular education and science and how on the other hand it tries to find new legitimation by addressing pressing global problems such as war the environmental crisis and economic disparities left unsolved by the dominant subsystems A significant contribution to advancing an understanding of modern Japanese religious life this book is of interest to academics working in the fields of Japanese Studies Asian history and religion and the sociology of religion

Gordon Melton,Martin Baumann,2002 Contains entries that examine the beliefs and practices of the world's religions at the beginning of the twenty first century including core essays that provide basic data about major religious traditions and descriptions of the religious situations in the countries of the world arranged alphabetically S to Z

The Oxford Handbook of New Religious Movements James R. Lewis,Inga Bårdsen Tøllefsen,2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs

Japanese Journal of Religious Studies ,1995 **Japanese Religions** ,1995 **The Unquiet Dead** Edith Fiore, Ph.D.,1995-03-01 Noted psychologist Dr Edith Fiore explains how to detect spirit possession in yourself and others how to protect yourself from entities how to release your home from displaced spirits and how to perform a depossession Filled with shocking case histories

Essentials of Shinto Stuart Picken,1994-11-22 Shinto is finally receiving the attention it deserves as a fundamental component of Japanese culture Nevertheless it remains a remarkably complex and elusive phenomenon to which Western categories of religion do not readily apply A knowledge of Shinto can only proceed from a basic understanding of Japanese shrines and civilization for it is closely intermingled with the Japanese way of life and continues to be a vital natural religion This book is a convenient guide to Shinto thought As a reference work the volume does not offer a detailed critical study of all aspects of Shinto Instead it overviews the essential teachings of Shinto and provides the necessary cultural and

historical context for understanding Shinto as a dynamic force in Japanese civilization The book begins with an historical overview of Shinto followed by a discussion of Japanese myths The volume then discusses the role of shrines which are central to Shinto rituals Other portions of the book discuss the various Shinto sects and the evolution of Shinto from the Heian period to the present Because Japanese terms are central to Shinto the work includes a glossary *40 Questions About the Historical Jesus* C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **The Unsolved Mysteries of the Bible** Yohane, 2013-10-13 We are currently living in an interesting exciting wonderful and ominous time in the history of the world Technology and the Informational Age make it possible to know instantly about world events and some of these events appear to be extremely worrisome In response to this situation The Unsolved Mysteries of the Bible gathers topical treatments of the Bible's key messages supplementing them with insights from the writings of the world's varied ancient traditions Author Yohane has assembled this diverse array of sources into a sequence of thirty eight chapters addressing questions about the Bible and God moving through the accounts of creation and salvation and turning finally to the mysteries of God's planned ending of the world If you listen to the news and wonder what sense to make of a confusing world if you ask yourself whether life has any purpose or worthy end or if you have always intended to dig into the Bible to find out its witness to God and his design for the whole creation from beginning to end then The Unsolved Mysteries of the Bible can serve as your guide to asking the hard questions listening for the truthful answers equipping yourself to live in this world and knowing God's plans for the world to come *Japanese Religions in and Beyond the Japanese Diaspora* Ronan Alves Pereira, Hideaki Matsuoka, 2007 Transnational Agency and Migration Stefan Köngeter, Wendy Smith, 2015-07-16 Migrants both spatially and mentally no longer settle in only one national territory but interact or move across borders regularly profoundly challenging the nation state and the image of society as a container This volume explores the ways in which migrants activists and professionals connect social worlds across national boundaries through a variety of social practices The contributions from various disciplines anthropology economics political and social sciences educational studies and social work illuminate the meaning of agency in situations where the capabilities of transnational actors are constrained by nation states their borders and social institutions Based on a relational understanding of transnational agency which builds upon new insights and developments within transnational studies and network theory

this compilation of chapters presents transnational processes and developments in and across various regions of the globe in East Asia the Americas the EU Southeast Asia Africa and Australia in the borderlands of Mexico and the US in the transatlantic space of the 19th century fin de siècle world in order to demonstrate the importance of gaining assisting and expanding agency in transnational contexts
