Mahoning Valley Poetry Julie Brown, Robert Brown, 1993 **Words from the Heart** Jim Villani, 1995-10-01 **Poetry of My Life** Ovella Blackmon, 2008 Steeltown U.S.A. Sherry Lee Linkon, John Russo, 2002-06-10

Once the symbol of a robust steel industry and blue collar economy Youngstown Ohio and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization Sherry Lee Linkon and John Russo examine the inevitable tension between those discordant visions which continue to exert great power over Steeltown's citizens as they struggle to redefine their lives When the Jenny was shut down in 1978 50 000 Youngstown workers lost their jobs cutting the heart out of the local economy Even as the community organized a nationally recognized effort to save the mills the city was rocked by economic devastation runaway crime and mob scandal problems that persist twenty five years later In the midst of these struggles the Jenny remained standing as a proud symbol of the community's glory days still a dominant force in the construction of both individual and collective identities in Youngstown Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community memory work and conflict Drawing on written texts visual images sculptures films songs and interviews with people who have lived and worked in Youngstown the authors show the importance of memory in forming the collective identity of a place Steeltown U S A is a richly developed portrait of a place showing how images of the Jenny and of Youngstown have been used in national media and connecting these representations to the broader public conversation about work and place Bruce Springsteen's song Youngstown the book Journey to Nowhere and other pop culture artifacts have helped make Youngstown the symbolic epicenter of American deindustrialization And while many people see the need to get over the past and on with the future in rushing to erase the difficult parts of Youngstown's history they might also forget the powerful events that made the city so important such as the struggles for economic and social justice that improved the lives of steelworkers This multifaceted study of the meaning of work and place in one community pointedly depicts the relationships among economic development media representations and community life As we see how people's faith in the value of their work dwindled away in Youngstown their stories can help us understand not only how the meaning of work has changed but also why the changing meaning of work matters **Irish in Youngstown and the Greater Mahoning Valley** The Irish American Archival Society, 2004-06-29 In 1796 Daniel Shehy of Tipperary was the first Irish man to settle in Youngstown In the early nineteenth century the Ulster Irish moved into the region Later massive waves of Irish refugees from the Potato Famine settled in the area and filled the labor needs of the steel mills canals and railroads Irish in Youngstown and the Greater Mahoning Valley recounts the history of the first Irish immigrants to settle the Valley up to the present and their prominent roles in community politics arts business sports entertainment and religion Through vintage images of families church leaders business owners politicians Irish dancers and

philanthropists this book celebrates the influence of the Irish on the Greater Mahoning Valley The Magazine of Poetry, 1891 **Hidden History of Youngstown and the Mahoning Valley** Sean T. Posey, 2022 Join the author of *Historic Theaters of Youngstown and the Mahoning Valley* and *Lost Youngstown* in an excavation of forgotten stories from bygone days Beyond steel and rust Youngstown and the Mahoning Valley share a rich but often overlooked past During the late 1910s the ever present smoke blanketing the area could not hide the fires from the burning business district of East Youngstown or the city streets deserted from Spanish influenza Over twenty years later the Mahoning Valley lived under another dark cloud the Great Depression but instead of violence and destruction the men and women of the WPA busied themselves with building up the region and dreaming of better days Journalist and historian Sean Posey excavates the history behind familiar landmarks forgotten institutions and historic sites that connect Mahoning Valley history to the story of the evolution of industrial America **History of Youngstown and the Mahoning Valley, Ohio** J.G. Butler, **The Magazine of Poetry and Literary Review**, 1891 A History of Jewish Youngstown and the Steel Valley Thomas Welsh, Joshua Foster, Gordon F. Morgan, The Mahoning Valley Historical Society, 2017-05-01 Founded in the Mahoning Valley during 1837 a tiny settlement of secular German immigrants grew into one of the most influential centers of Jewish life in the Midwest Home to nationally renowned rabbis and Zionist firebrands alike the community produced an astonishing array of leaders in an impressive range of fields throughout the twentieth century This notable legacy ranges from the entertainment juggernaut of Warner Brothers to the Arby's fast food empire and the prominent Youngstown Sheet Tube among many others Authors Thomas Welsh Joshua Foster and Gordon F Morgan trace the unique history of one of Ohio's oldest Jewish communities from its humble beginnings into the challenging climate of the new millennium **The Magazine of Poetry and Literary Review** Charles Wells Moulton, 1891 *History of Youngstown and the Mahoning Valley, Ohio* Joseph Green Butler (Jr.), 1921 **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States How the Dead Bury the Dead William Greenway, 1994 With reverence and exasperation and good humor the poems in William Greenway's new book *How the Dead Bury the Dead* evoke the pain of loss and celebrate the ways we transform our losses into strength Dislocated from his native Georgia to the rust belt of the Midwest haunted by the ghost of his father by memories of his mother and by dreams of his own mortality Greenway turns his warm wit on every problem that life has set for him a stand up Hamlet with a soft

Southern accent and a feel for the power and pathos in Richard Wilbur's line I dreamt the past was never past redeeming In poems that bring back without nostalgia the people and places of his early years he reconciles the ache of absence with the deep persistent richness of this world finding in the practices of the Shona and African tribe an artistic and philosophical model for his own approach to life **20th Century History of Youngstown and Mahoning County, Ohio, and Representative Citizens** Thomas W. Sanderson,1907 **The Virgin & the Dynamo** Bailey Van Hook,2003 Annotation The first book in almost a century to concentrate exclusively on the beaux arts mural movement in the United States **Spit and Spirit** Pauline Beck,2013-09-19 Spit and Spirit is a collection of poems that celebrate life It contains poems that sing of our shared experiences as human beings The poems in this book are about people we all know in one way or another about the natural world that we all share about the art of poetry that lives in every human heart and excites every human mind and about the Spirit that breathes fire and life into every living being Spit and Spirit is the score of the spit of everyday life and the Spirit of that wondrous mystical interminable life that will always be a mystery and a miracle for every poet every human being It is a collection of poems about sinners and saints about dirt and divinity about you and me The Blind Horse Jeanne Bryner,1999 Poetry Look into the wife's eyes when she tells her story the one she's earned These poems of Jeanne Bryner simply firmly bring measured dignity to the dusty world of her childhood memories Jeanne Bryner's poems in BLIND HORSE bear witness to the small miracles that add up to survival in the harsh difficult worlds of steel mills and mines She documents the going into the going under dark sweat trickling out the old dreams of a better life She takes us into the workplaces and into the homes with an unflinching eye for telling details the telling moments in these lives She is too wise a poet to simply celebrate these lives or mourn for them These tough hard edged poems tell the truth Jim Daniels **The Ohio Cultivator** ,1859 History of Trumbull and Mahoning Counties ,1882
