William Alexander Clouston

Maidens Tale:

Baba Yaga Andreas Johns,2004 Baba Yaga is a well known witch from the folklore tradition of Russia Ukraine and Belarus A fascinating and colorful character she resembles witches of other traditions but is in many ways unique Living in the forest in a hut that stands and moves on chicken legs she travels in a mortar with a pestle and sweeps away her tracks with a broom In some tales she tries to harm the protagonist while in others she is helpful This book investigates the image and ambiguity of Baba Yaga in detail and considers the meanings she has for East Slavic culture Providing a broad survey of folktales and other sources it is the most thorough study of Baba Yaga yet published and will be of interest to students of anthropology comparative literature folklore and Slavic and East European studies *The Moon Maiden and Other Japanese Fairy Tales* Grace James,2012-05-04 DIVThirty beautifully illustrated stories provide delightful accounts of The Singing Bird of Heaven The Star Lovers The Peony Lantern The Sea King and the Magic Jewels and 26 other beguiling tales div The Folktale Stith Thompson,1977 As interest in folklore increases the folktale acquires greater significance for students and teachers of literature The material is massive and scattered thus few students or teachers have accessibility to other than small segments or singular tales or material they find buried in archives Stith Thompson has divided his book into four sections which permit both the novice and the teacher to examine oral tradition and its manifestation in folklore The introductory section discusses the nature and forms of the folktale A comprehensive second part traces the folktale geographically from Ireland to India giving culturally diverse examples of the forms presented in the first part The examples are followed by the analysis of several themes in such tales from North American Indian cultures The concluding section treats theories of the folktale the collection and classification of folk narrative and then analyzes the living folklore process This work will appeal to students of the sociology of literature professors of comparative literature and general readers interested in folklore **The Old Maiden's Talisman, and Other Strange Tales** Maiden,James Dalton,1834 *The Legacy of the Goddess* Rachel S. McCoppin,2023-04-10 It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes mostly serving as hapless victims in need of rescue boring one dimensional princesses or egotistical and conniving villains This book presents more fully realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives The rich legacy of female goddesses shamans queens and priestesses is in fact preserved and celebrated through these more modern representations whether as brides who can transform into animals wise old women who live alone in the deep wilderness strong warrior maidens or witches who can conquer and command the elements of nature In contemplating this revised analysis of female characters within global folktales and fairy tales readers can see that the goddesses of old have never truly been forgotten *Japanese Folklore Tales of The Beautiful Weaving Maiden* Maya Aminah Sakura,Muhammad Vandestra,2018-04-22 All you that are true lovers I beseech you pray the gods for fair weather upon the

seventh night of the seventh moon For patience sake and for dear love s sake pray and be pitiful that upon that night there may be neither rain nor hail nor cloud nor thunder nor creeping mist Hear the sad tale of the Star Lovers and give them your prayers The Weaving Maiden was the daughter of a Deity of Light Her dwelling was upon the shore of the Milky Way which is the Bright River of Heaven All the day long she sat at her loom and plied her shuttle weaving the gay garments of the gods Warp and woof hour by hour the coloured web grew till it lay fold on fold piled at her feet Todos ustedes que son verdaderos amantes les suplico que recen a los dioses por el buen tiempo en la s ptima noche de la s ptima luna Por amor de la paciencia y por el amor de Dios reza y s digno de l stima porque en esa noche no puede haber lluvia ni granizo ni nube ni trueno ni neblina Escucha la triste historia de los Star Lovers y dales tus oraciones The Weaving Maiden era la hija de una Deidad de Luz Su morada estaba en la orilla de la V a L ctea que es el Brillante R o del Cielo Todo el d a ella se sent en su telar y maneja su lanzadera tejiendo las prendas alegres de los dioses La urdimbre y la trama hora a hora la telara a de colores creci hasta que qued doblada sobre un mont n amontonado a sus pies

Enchanted Maidens James M. Taggart, 2021-03-09 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love In this book James Taggart presents dozens of orally transmitted tales including Snow White Cinderella Beauty and the Beast Blancaflor and dragonslayer stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them His study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their culture which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them Taggart interprets the male female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller Men and women he finds carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love

In Search of the Swan Maiden Barbara Fass Leavy, 1995-07-01 In her compendious study of the folktale of the runaway wife Leavy argues that the contradictory claims of nature and culture are embodied in the legendary figure of the swan maiden a woman torn between the human and bestial worlds The New York Times Book Review This is a study of the meaning of gender as framed by the swan maiden tale a story found in the folklore of virtually every culture The swan maiden is a supernatural woman forced to marry keep house and bear children for a mortal man who holds the key to her imprisonment When she manages to regain this key she escapes to the otherworld never to return These tales have most often been interpreted as depicting exogamous marriages describing the girl from another tribe trapped in a world where she will always be the outsider Barbara Fass Leavy believes that in the societies in which the tale and its variants endured woman was the other the outsider trapped in a society that could never

be her own Leavy shows how the tale though rarely explicitly recognized is frequently replayed in modern literature Beautifully written this book reveals the myriad ways in which the folktales of a society reflect its cultural values and particularly how folktales are allegories of gender relations It will interest anyone involved in literary gender and cultural studies Library of Congress Subject Headings Library of Congress, Library of Congress. Romancing the Self in Early Modern Englishwomen's Life Writing Julie A. Eckerle, 2016-04-01 Juxtaposing life writing and romance this study offers the first book length exploration of the dynamic and complex relationship between the two genres In so doing it operates at the intersection of several recent trends interest in women s contributions to autobiography greater awareness of the diversity and flexibility of auto biographical forms in the early modern period and the use of manuscripts and other material evidence to trace literacy practices Through analysis of a wide variety of life writings by early modern Englishwomen including Elizabeth Delaval Dorothy Calthorpe Ann Fanshawe and Anne Halkett Julie A Eckerle demonstrates that these women were not only familiar with the controversial romance genre but also deeply influenced by it Romance she argues with its unending tales of unsatisfying love spoke to something in women s experience offered a model by which they could recount their own disappointments in a world where arranged marriage and often loveless matches ruled the day and exerted a powerful pervasive pressure on their textual self formations *Romancing the Self in Early Modern Englishwomen s Life Writing* documents a vibrant secular form of auto biographical writing that coexisted alongside numerous spiritual forms providing a much more nuanced and complete understanding of sixteenth and seventeenth century women s reading and writing literacies **Ariadne's Thread** William F.
