Maigret and the Good People of Montparnasse Georges Simenon, 2018-08-02 His artistry is supreme John Banville Why all of a sudden did this shock him He was annoyed with himself for being shocked He felt as if he had been sucked into the bourgeois almost edifying atmosphere that surrounded those epeople good people so everyone kept telling him A retired manufacturer has been shot dead by his own pistol last seen alive by his son in law In this seemingly motiveless murder Inspector Maigret must rely on his famous intuition to discover the truth This novel has been published in a previous translation as Maigret and the Black Sheep One of the greatest writers of the twentieth century Guardian **The Hanged Man of Saint-Pholien** Georges Simenon, 2014-01-02 Compelling remorseless brilliant John Gray A first ink drawing showed a hanged man swinging from a gallows on which perched an enormous crow And there were at least twenty other etchings and pen or pencil sketches that had the same leitmotif of hanging On the edge of a forest a man hanging from every branch A church steeple beneath the weathercock a human body dangling from each arm of the cross Below another sketch were written four lines from Francois Villon's Ballade of the Hanged Men On a trip to Brussels Maigret unwittingly causes a man's suicide but his own remorse is overshadowed by the discovery of the sordid events that drove the desperate man to shoot himself This novel has been published in previous translations as Maigret and the Hundred Gibbets and The Crime of Inspector Maigret One of the greatest writers of the twentieth century Guardian **The British National Bibliography** Arthur James Wells, 2004 *Maigret and the Saturday Caller* Georges Simenon, 2018-09-06 Compelling remorseless brilliant John Gray Inspector Maigret is followed home one evening by a man who reveals his intention to kill his wife and her lover Maigret intervenes and speaks to the man daily but when the calls suddenly stop Maigret finds a murder on his hands One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian A supreme writer unforgettable vividness Independent **Maigret and the Old People** Georges Simenon, 2018-06-07 His artistry is supreme John Banville He had seldom been so perplexed by human beings Would a psychiatrist a teacher or a novelist have been better placed to understand characters who had suddenly materialized from another century Maigret is called to the home of Armand de Saint Hilaire a highly respected official who has been found shot dead in his study by his housekeeper After interviewing everyone concerned Maigret is at a loss to the identity of the perpetrator until he comes across a series of letters from the past fifty years between the victim and a recently widowed woman As Maigret uncovers the details behind the two's relationship he gets closer to discovering the tragic truth behind the official's demise This novel has been published in a previous translation as Maigret in Society One of the greatest writers of the twentieth century Simenon was unequalled at

Maigret's Failure Georges Simenon, 2017-11-02 His artistry is supreme John Banville Conflict rather than harmony probably reigned in eight out of ten of the still magnificent houses that surrounded the park But he had rarely had the opportunity to breath such a strained atmosphere as the one between these walls Everything seemed fake grating starting with the lodge of the concierge cum manservant who was neither a concierge nor a manservant despite his striped waistcoat but a former poacher a murderer turned guard dog When a self made man appeals to Maigret for protection at his lavish home a years old grudge from the past resurfaces and the inspector finds himself questioning his own motives One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian

Maigret in Court Georges Simenon, 2018-05-03 His artistry is supreme John Banville They suddenly found themselves in an impersonal world where everyday words no longer seemed to mean anything where the most mundane details were translated into unintelligible formulae The judges black gowns the ermine the prosecutor s red robe further added to the impression of a ceremony set in stone where the individual counted for nothing Maigret receives an anonymous phone call concerning the brutal murder of a woman and young child The tip off concerns the woman s nephew a mild mannered man by the name of Gaston Meurant Maigret remains unconvinced of the man s guilt and at his trial exposes some shocking truths about Meurant s private life that may prove his innocence One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian

The Shadow Puppet Georges Simenon, 2014-10-02 A new translation of this gripping domestic tragedy set in Simenon s very own neighbourhood One by one the lighted windows went dark The silhouette of the dead man could still be seen through the frosted glass like a Chinese shadow puppet A taxi pulled up It wasn t the public prosecutor yet A young woman crossed the courtyard with hurried steps leaving a whiff of perfume in her wake Summoned to the dimly lit Place des Vosges one night where he sees shadowy figures at apartment windows Maigret uncovers a tragic story of desperate lives unhappy families addiction and a terrible fatal greed Penguin is publishing the entire series of Maigret novels in new translations This novel has been published in previous translations as Maigret Mystified and The Shadow in the Courtyard Compelling remorseless brilliant John Gray One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian
