Maigret And The Tavern By The Seine:

Maigret and the Tavern by the Seine Georges Simenon,1990 During a final visit to the cell of condemned prisoner Jean Lenoir Maigret picks up a negligently dropped remark about an unsolved in fact unreported murder committed in Paris six years before It seems Lenoir and his partner witnessed the dumping of a body in the Saint Martin Canal and used the information to blackmail the murderer Translated by Geoffrey Sainsbury A Helen and Kurt Wolff Book **Maigret's World** Murielle Wenger,Stephen Trussel,2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself The Two-Penny Bar (Inspector Maigret) Georges Simenon,2025-09-09 In the heart of the Parisian summer a forgotten crime comes to light in this Inspector Maigret tale from Georges Simenon On the eve of his death a condemned man remembers a crime he witnessed years before With only the name of a bar to direct him Maigret joins a party of summering revelers who have something to do with the unsolved disappearance but what exactly Descending into the sleazy underside of respectable Parisian life Maigret investigates and the forgotten crime comes to light Literary Afterlife Bernard A. Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer s real or pen name undisguised offshoots issued under the new writer s name posthumous collaborations in which a deceased author s unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulp Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author s characters **Investigating Simenon** Russell Campbell,2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191

novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works [Sequels](#) Janet G.
