Maigret Defends Himself Georges Simenon, 2019-01-03 Compelling remorseless brilliant John Gray For the first time in his career Inspector Maigret receives written summons to the Prefect's office where he learns that he has been accused of assaulting a young woman With his career and reputation on the line Maigret must fight to prove his innocence This novel has been published in a previous translation as *Maigret on the Defensive* His artistry is supreme John Banville One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian *Maigret on the Defensive* Georges Simenon, 1968

Sequels Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *Adam and Eve in Scripture, Theology, and Literature* Peter B. Ely, 2018-01-15 Adam and Eve in Scripture Theology and Literature Sin Compassion and Forgiveness is an extended consideration of the narrative of Adam and Eve first seen in the Hebrew Bible but given new life by St Paul in the New Testament Paul's treatment of Adam and Eve especially his designation of Christ as a second Adam has had an enormous influence in Christianity Peter Ely follows this rich narrative as it develops in history providing the basis of the

doctrine of original sin in Christianity giving rise in modern times to theological speculation and entering thematically into mysticism and literature The power of the adamic narrative can only be realized if one treats it as a true but non historical myth The truth of the myth lies in its ability to stimulate thinking and so reveal the depths of human experience Augustine understood that so did Julian of Norwich and even the Belgian author of mystery stories Georges Simenon who had a deep sense of the universality of human weakness and the possibilities of redeeming what was lost Simenon s detective Maigret saw himself as a mender of destinies The doctrine of original sin the notion that human beings share a common vulnerability can open the way to compassion and forgiveness As Shakespeare illustrates in Measure for Measure the awareness of weakness in ourselves should move us to compassion for others The recognition of a kind of democracy of sin can keep us from considering ourselves better than others unlike them in their weakness and entitled to stand in judgment of them Thus compassion opens the door to forgiveness The progress from sin to compassion to forgiveness forms the heart of this work
