## LE SUJET

A la suite d'une catastrophe dans un camp de vacances où de nombreux enfants ont trouvé la mort, un dossier très compromettant mettant en cause des malversations politico-financières disparaît. Le ministre des Travaux publics fait appel à Maigret pour démasquer les coupables...

## SI VOUS AVEZ MANQUÉ LE DÉBUT

Alors qu'il est en train de travailler, le ministre des Travaux publics, Auguste Point, reçoit la visite d'un certain Piquemal. Celui-ci pénètre dans le bureau du ministre, l'air étrange et suspicieux, et lui remet le rapport d'un dénommé Calame, concernant la construction d'un centre de vacances pour enfants en Haute-Savoie.

Le ministre, plutôt gêné, hésite puis accepte le dossier en échange d'un reçu... Ne

se doutant pas que quelqu'un a assisté à la scène, il commence à le lire.

De retour chez lui, Maigret apprend par sa femme qu'un ministre a essayé de le joindre

personnellement au téléphone. Maigret se rend alors à son domicile particulier. Là, Auguste Point le renseigne au sujet du rapport Calame, rapport qui, s'il était dévoilé au public,

risquerait de déstabiliser le gouvernement. Or on vient de lui dérober la copie de ce fameux rapport qu'un inconnu lui avait remis. Maigret est alors chargé de le retrouver...

Maigret Chez de Ministre Georges Simenon, 1955      *Maigret chez le ministre* Georges Simenon, 1974 Analyse Roman policier nîme      Maigret Chez Le Ministre. Maigret and the Minister ... Translated ... by Moura Budberg Georges Simenon, 1969      *Maigret chez le ministre* Georges Joseph Christian Simenon, 1957      *Maigret's World* Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself      Investigating Simenon Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

**Maigret, Simenon and France** Bill Alder, 2012-12-01 Georges Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon's portrait of French society is historically accurate and the nature of the influence of the author's own class position and ideology on his fiction

*Simenon* Stanley G. Eskin, 2025-03-05 The most comprehensive account of Georges Simenon's life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon's

relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e g with Josephine Baker cutting up in a bistro **Encyclopedia of French Film Directors** Philippe Rège,2009-12-11 Cinema has been long associated with France dating back to 1895 when Louis and Auguste Lumi\_re screened their works the first public viewing of films anywhere Early silent pioneers Georges Méliès Alice Guy Blaché and others followed in the footsteps of the Lumi\_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond In Encyclopedia of French Film Directors Philippe Rège identifies every French director who has made at least one feature film since 1895 From undisputed masters to obscure one timers nearly 3 000 directors are cited here including at least 200 filmmakers not mentioned in similar books published in France Each director's entry contains a brief biographical summary including dates and places of birth and death information on the individual's education and professional training and other pertinent details such as real names when the filmmaker uses a pseudonym The entries also provide complete filmographies including credits for feature films shorts documentaries and television work Some of the most important names in the history of film can be found in this encyclopedia from masters of the Golden Age\_Jean Renoir and René Clair\_to French New Wave artists such as François Truffaut and Jean Luc Godard **Sentence and Discourse**

Jacqueline Guéron,2015 This book looks at the relationship between the structure of the sentence and the organization of discourse While a sentence obeys specific grammatical rules the coherence of a discourse is instead dependent on the relations between the sentences it contains In this volume leading syntacticians semanticists and philosophers examine the nature of these relations where they come from and how they apply Chapters in Part I address points of sentence grammar in different languages including mood and tense in Spanish definite determiners in French and Bulgarian and the influence of aktionsart on the acquisition of tense by English French and Chinese children Part II looks at modes of discourse showing for example how discourse relations create implicatures and how Indirect Discourse differs from Free Indirect Discourse The studies conclude that the relations between sentences that make a discourse coherent are already encoded in sentence grammar and that once established these relations influence the meaning of individual sentences **The Encyclopedia of**
