The Noblest Frailty Patricia Veryan, 2015-12-22 Patricia Veryan's superbly entertaining Regency romances have inspired Library Journal to call her one of the most able writers of this genre and The Chattanooga Times to proclaim her a worthy successor to Georgette Heyer at her very best Now in The Noblest Frailty Patricia Veryan continues this splendid tradition as she follows the adventures and misadventures of Yolande Drummond Alain Devenish and Craig Tyndale Encyclopaedia Perthensis, 1796 **The Noblest Frailty** Evelyn J. instrument for change In *Lines of Equity* Elliott Visconsi reveals how these writers fictionalized the original utterance of laws the foundation of states and the many vivid contemporary transitions from archaic savagery to civil modernity In doing so they considered the nature of government the extent of the rule of law and the duties of sovereign and subject They asked their audience to think like kings and judges through the literary education of the individual conscience the barbarous tendencies of the English people might be effectively banished Visconsi calls this fictionalizing program imaginative originalism and demonstrates the often unintended consequences of this literary enterprise By inviting the English people to practice equity as a habit of thought a work such as Milton's *Paradise Lost* helped bring into being a mode of individual conduct the rights bearing deliberative subject at the heart of political liberalism Visconsi offers an original view of this transitional moment that will appeal to anyone interested in the cultural history of law and citizenship the idea of legal origins in the early modern period and the literary history of later Stuart England *Dramatic works* John Dryden, Walter Scott, 1808 **The Indian Emperor** John Dryden, 1721 Concise Oxford Dictionary of Quotations Susan Ratcliffe, 2011-03-17 Based on the highly acclaimed seventh edition of the Oxford Dictionary of Quotations this new edition includes over 9 000 of the most popular and widely used quotations old and new uniquely identified by searching the largest ongoing language research programme in the world the Oxford English Corpus **A Select Collection of the Best Modern English Plays**, 1750 *The Works of John Dryden Now First Collected ...* John Dryden, 1808 *The wild gallant.
