

A young man with dark, wavy hair is shown in profile, looking upwards and to the left. He is wearing a dark jacket over a red shirt. The background is dark and blurry, with some out-of-focus lights visible on the left side. The overall mood is contemplative and artistic.

Nobody's Boy Hector Malot, 1916 Story of a young boy who discovers at the age of eight that he was a foundling When his foster father sends him away he must find a way to survive and also discover his true identity Nobody's boy H. Malot, F. Crewe-Jones, Translated by Florence Crewe Jones Illustrations by John B Gruelle *Nobody's Boy* Grover Wilcox, Roland R. Hegstad, 2004 The incredible story of an abused and neglected boy who became a successful teacher only to have his very existence threatened by a rare incurable disease *Nobody's Boy and His Pals* Hendrik Hartog, 2024-07-05 An engaging account of social reformer Jack Robbins the Boys Brotherhood Republic and their legacy In 1914 social reformer Jack Robbins and a group of adolescent boys in Chicago founded the Boys Brotherhood Republic an unconventional and unusual institution During a moral panic about delinquent boys Robbins did not seek to rehabilitate and or punish wayward youths Instead the boys governed themselves democratically and with compassion for one another and lived by their mantra So long as there are boys in trouble we too are in trouble For nearly thirty years Robbins was their supervisor and the will he drafted in the late 1950s suggests that he continued to care about forgotten boys even as the political and legal contexts that shaped children's lives changed dramatically Nobody's Boy and His Pals is a lively investigation that challenges our ideas about the history of American childhood and the law Scouring the archives for traces of the elusive Jack Robbins Hendrik Hartog examines the legal histories of Progressive reform childhood criminality repression and free speech The curiosity of Robbins's story is compounded by the legal challenges to his will which wound up establishing the extent to which last wishes must conform to dominant social values Filled with persistent mysteries and surprising connections Nobody's Boy and His Pals illuminates themes of childhood and adolescence race and ethnicity sexuality wealth and poverty and civil liberties across the American Century Nobody's Boy (Sans Famille) - Illustrated by John B. Gruelle Hector Malot, 2013-04-16 Nobody's Boy Sans Famille is a novel by the French author Hector Malot 1830 1907 It was originally published in 1878 and contains two volumes both telling of the exploits of a little boy named R mi an orphan sold to a street musician at the age of eight and his search for his family Malot was an immensely skilled author penning over seventy books in his lifetime as well as training as a lawyer and working as a dramatic critic Although Sans Famille has since gained fame as a children's book it was not originally intended as such The story of Nobody's Boy is accompanied by the heart warming colour illustrations of Johnny Gruelle 1880 1938 Gruelle was an American artist cartoonist illustrator and children's author best known as the creator of Raggedy Ann and Raggedy Andy His most famous illustrated works include Grimm's Fairy Tales 1914 All About the Little

Small Red Hen 1917 and of course the Raggedy Ann series Presented alongside the text his illustrations further refine and elucidate Malot's masterful storytelling Nobody's Boy: Ralph Harris - the Northern Connection Daryl Ashby, 2022-11-20

The media is fond of using the phrase A usually quiet neighbourhood when describing tragic events that often occur in what are truly peaceful communities Indeed most Canadian neighbourhoods enjoy a serenity that makes them enjoyable places to safely raise families or live out the golden years without fear or anxiety However some communities mask a more sinister underbelly one that remains mostly unseen but exists nevertheless And it is wicked And dangerous a place law abiding citizens dare not venture into Journalist and author Daryl Ashby is a master researcher with an impressive ability to extract details of outrageous criminal behaviour injustice and intrigue from the characters who have participated in or been witness to activities that the average citizen is blissfully unaware Folks in the central part of Vancouver Island including Ladysmith Chemainus and Nanaimo may have heard rumours of drug manufacturing outlaw bikers unexplained disappearances and unsolved murders but until recently the stories were tantalizing yarns with little substantive evidence that any of them were authentic Until recently In his popular 2018 book 85 Grams Daryl Ashby began to peel back the layers of mystery surrounding the life of Second World War hero brilliant inventor and drug manufacturer and dealer Art Williams It was illuminating for neighbours and the larger community who may have grown up with some knowledge of the legend of Williams but dismissed much of the banter as fantasies that grew in importance as they made the rounds in the pubs and coffee shops Ashby shone a brilliant light on a dark world that only Williams family colleagues and the police knew existed His research probed into a justice system that often failed frequently outwitted by Williams and his criminal conspirators Now Daryl Ashby has upped the ante Art Williams was a genius Dangerous and enigmatic Ralph Harris was no Art Williams in intellect but what he lacked in book smarts or technical ability he more than made up for in brute strength street smarts and charisma An entrepreneur albeit a dodgy one Harris was dangerous He survived and thrived in the most dangerous of realms capable of protecting his interests with deadly force It has been said that every man's life contains sufficient material for a book Some stories are more compelling than others and few can match the outrageous tales provided by the central character in Nobody's Boy the notorious Ralph Harris For some the lead character's moral code may be hard to swallow but that doesn't alter the fact that his life produced sufficient material to justify being recorded within these pages This is a story about a man who defied the law not so much for greed as was the case for many of his money hungry associates but for the steady infusion of adrenaline that raced through his veins Rather than align himself with an established criminal organization he chose to navigate his own course No one thought to abuse Ralph's loyalty or threaten those he held dear To do so would be at their own peril He was a man respected by his peers and in some cases feared For those who were slow to accept his ways they would eventually realize nothing would stand between him and his intended goal With a treasure trove of material gleaned from court and police documents and most vital to the story personal interviews with Harris shortly before his death
