Nobody Except Jesus:

Nobody But God! O. Naomi Evers, 2010-06 Did you believe and trust that as your children grew older they wouldn't depart from the foundational Biblical truths you so diligently modeled before and instilled in them Yet somehow along the way something went terribly wrong Ever wonder what happened when you know you reared your children in the fear and admonition of the LORD Be encouraged It's all a part of your journey God is still in control and even now is with you working things out for the good of those who love Him Nobody But God is about A son's disobedience and its consequences An interceding mother's unwavering love for her son despite his choices More importantly the even greater love our Heavenly Father has for His children His tender care of us and how He answers the fervent prayers of those who love and call upon Him O Naomi Evers is a servant of Jesus Christ She is a proud mother and grandmother who loves mountain living especially the Colorado Rockies Semi retired she currently lives in beautiful Virginia *Nobody Except Jesus* Robert Davis, 2005-03 Two thousand years after the crucifixion of Christ Christians who believe and serve the same God have different ways of receiving His forgiveness We must someday seriously face the historical fact that Christianity has failed to agree on what constitutes Christian conversion For centuries men have debated these necessary requirements Will our lack of individual commitment to spiritual growth contribute to the number of individuals who never personally accept Jesus as their Lord and Savior Will our own children or perhaps our grandchildren also be among these unfortunate individuals This book was written with several goals accuracy to God's written word being the first and most important Another goal is to provide the reader with a true biblical understanding of God's written word while showing respect and sensitivity to opposing beliefs Christian unity and the necessity of spiritual maturity and discernment are encouraged throughout this book *Jesusnatyam* Snehprabha Kanagaraj, 2011-05-31 In other words dancing for the living God as the name says this book is to encourage people to use their talent of dance especially the classical Indian dances to praise and glorify our God Jesus in addition to using as a means to spread the word of God to people who have never heard about Jesus and who may not even have any interest to hear about Jesus until and unless it is presented in an attractive interesting way This book consists of personal testimony of my life how God has molded me into the person that I am today how I communicate with the best friend Jesus that I came to know from the sufferings and disappointments in my family life to have faith in one and only God Jesus who never breaks His promises even when we stray away from Him the joy and peace that I have today and how my outlook of life has changed because of that divine presence When we surrender our life to God how blessed we become not just for our family but to others as well and then we have desire to do nothing but the Will of God when we know what is our purpose on this earth of our existence The American Missionary, 1868 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society's Executive committee 1883 84 1907 1908 **Surrender** Don Baunsgard, 2024-06-24 To surrender is to be free of

the weight of this world and the weight of this world is heavy Day in and day out we wrestle with our faith We wrestle to make time for God to not just read God s Word but to spend time with God in his Word We struggle to find time or remember to pray and then our prayer over dinner turns into a Sunday night prayer session When we are ready to walk in a real and genuine relationship with the Lord we must hand over the reins no strings attached We must fully surrender Have you given him complete control of your life Have you stopped trying to offer ways to solve your own problems Or have you learned the gift of giving it to God and letting it go It is far from easy but it is worth it Jesus waits for you at the door When you are ready for him to lead you on his path for is glory you will have to surrender your whole life all of it to him Are you ready to surrender

Jesus Son of God Lynda Hackford,2017 Jesus son of God is our Game Changer In our Lord Jesus Christ there is always hope for all who have faith and trust in his Holy name trusting in him because he has changed the world our life is so brief yet he came to give us life and everlasting hope Jesus son of God is our game changer he came to our world over 2000 years ago to tell his parables stories about how things will go and the things our Messiah said still haunt the world today he taught about love and faith to believe in all he teaches he taught us truth We who believe hunger and thirst for this amazing man who came to save all we think then say we should think more like him and try harder and do what he says When we experience his love it is then that we realize he is right he is telling us the truth its becomes so real in our hearts he is transforming us to be more like him in our thoughts and behaviour we see the light he is willing to reach out to us and save us giving us life everlasting these words are the most important words to give to his children done through repentance and with a sorrowful heart Jesus Christ is our game changer Jesus Christ is our saviour and our King let Jesus be a game changer in your life as he was for me feel his love faith and mercy believe and let him take you by the hand and lead you to life everlasting AMEN God bless you all Lynda Hackford

THE BRIDE OF CHRIST Dedo Suwanda,2025-03-31 While there is no question that God created everything in the universe many Christians are unsure of the purpose of their existence The Bible calls men clay to the Potter sheep to the Shepherd and servants or slaves to the Master No wonder many Christians view their lives as never ending battles full of defeats and filled with burdensome rules and obligations The enlightened ones understand their roles as sons and daughters of the Father Some mature ones can see themselves as friends of God However few understand our most intimate role as the Bride of Christ The term Bride of Christ is often used but few can really comprehend it Most Christians cannot visualize God as a lover as a Bridegroom The religious ones see God as harsh and angry who always looks for opportunities to punish or demands sacrifices to appease Him If He were a Bridegroom would He be an angry One who likes abuse His bride Certainly not God is love Is Jesus Christ romantic Bridegroom Yes He loves us He is in love with us We are

His beloved Like any man in love He desires us to love Him back and hear us saying I love you too The intention of this book is to expound Jesus Christ as a loving Bridegroom who was willing to die to redeem mankind and make us His beloved Bride This book will also dive into God s timeline past present and future so that the church understands what we are to do now while waiting for Him to come to pick up His Bride *Quest* George Robert Stow Mead,1910 *Catalog of Copyright Entries* Library of Congress. Bishop C.H. Mason and the Roots of the Church of God in Christ Bishop Ithiel C. Clemmons, Ph.D.,2012-06 The Church of God in Christ COGIC the first major denomination to spring from the fires of the Azusa Street revival profoundly affected the history of the black church Its tremendous influence can be traced to the dynamic spiritual life of its founder Charles Harrison Mason The son of a slave and a leader in the holiness movement of his day Mason traveled to Azusa Street in 1907 where he received the baptism of the Holy Spirit Returning home he discovered that visions spontaneous healing and deliverance followed him A new power accompanied his preaching and he experienced freedom from former limitations Mason s vibrant spiritual life enabled him to lead a fledgling movement from its infancy to a powerful prophetic community over the next fifty years Beginning in the rural South in the decades following the
