Nobody Left To Ask A Memoir Of Family:

Nobody Left to Ask Phil Link, 2001-06 **Memoir of a Nobody** Molly S. Hardwick, 2024-12-06 In 1980 sixteen year old Molly and her mother move to a new town triggering her mum's already fragile mental health to spiral out of control. Strangers in a strange place the townspeople do their best to help but the challenges run deep. Molly's parents had separated when she was five leaving her older brother David as their mum's primary carer. Both siblings endured bullying at school while weekends were spent working alongside their mother, often unpaid. The routine involved travelling to distant towns, working through the day followed by wining and dining in the evening and then sleeping in the car. Early the next morning the cycle would repeat with David and Molly bearing the brunt of their mother's erratic moods. David rebellious and worn down eventually left home leaving nine year old Molly to become her mother's sole carer. Now she must face the daunting task of managing her mother's instability alone. How will Molly cope with the weight of her new responsibilities? Will she and her mum receive the help they so desperately need? And what role will her absent father play in their lives? This deeply personal and poignant true story recounts Molly's highly unusual and challenging early life, offering a raw and moving glimpse into resilience and survival. **The North Carolina Historical Review**, 2003 **A Person is a Prayer** Ammar Kalia, 2024-05-09 A 2024 literary highlight in *Esquire*, *Vogue*, *GQ*, *iD* and *Dazed*. From the bursting white rapids of the Ganges to the nail-rapping table tops of a Hounslow kitchen, Kalia proves himself a transportive and stylish novelist, sensitive to the precious emotional tissues that bind a family unit and just how easily these can disintegrate when put under inspection. *Vogue* Best Books of 2024. Equal parts funny and touching. A multigenerational story reflecting on the transient connections between generations across time and place and the nature of home and memory. *GQ* Best Books of 2024. Kalia's debut is a moving and often very funny portrait of a family in transit, both physically and emotionally. *Dazed* 10 exciting books to look out for in 2024. A moving family drama that explores migration, inheritance and loss. *iD* Fiction to be excited for in 2024. This rich debut has poignancy and focus. Telling the story over the course of three single days spanning six decades, Kalia interrogates the fundamental question of what makes a life happy through characters all striving for a better future. *Observer* An intensely moving, lyrical and often funny novel about a family whose story of migration from Kenya and India to England is told over three separate days across six decades. Bedi and Sushma's marriage is arranged. When they first meet, they stumble through a faltering conversation about happiness and hope and agree to go in search of these things together. But even after their children, Selena, Tara and Rohan, are grown up and have their own families, Bedi and Sushma are still searching. Years later, the siblings attempt to navigate life without their parents. As they travel to the Ganges to unite their father's ashes with the opaque water, it becomes clear that each of them has inherited the same desire to understand
