

The background of the book cover is a painting in shades of blue and green. It depicts a prehistoric scene. On the left, a large, dark-colored dinosaur is shown in profile, facing right. On the right side, a small, dark-colored figure of a person stands, looking towards the dinosaur. The overall style is painterly and somewhat ethereal.

and the Art Keith Carabine, 2022-05-20 The Life and the Art A Study of Conrad s Under Western Eyes has a twofold origin Over the past ten years as an associate editor of the prospective Cambridge Edition of Under Western Eyes the author Keith Carabine has worked on the genesis and composition of the novel in its several versions and on its literary ideological social and historical contexts At the same time during these years he has taught seminar courses on Conrad for undergraduates and on Conrad and Dostoevsky for postgraduates This interpenetration of teaching and research constantly reminded the author that his many hours devoted to textual minutiae and manuscript variations or to a study of Conrad s Polish background should result not only in a scholarly edition of the novel in a book that will demonstrate the ways in which Conrad s life and his protracted uncertain composition of the Under Western Eyes enrich his art and the title of this book deliberately invokes Conrad s belief in the inseparability of the art and the life This study s six chapters concentrate in different ways and with differing emphases on the complex inter relations between the art and the life on the intersections between Conrad s personal preoccupations fictional aesthetic and working practices with regard to what he described as without doubt the most deeply meditated novel that came from under my pen *Autism All-Stars* Josie
