## **Nobody Told Me It Was Rape:**

**Nobody Told Me** Pam Stenzel, Melissa Nesdahl, 2011-01-05 Teens have their whole lives ahead of them but making poor choices can undermine their hopes for a bright future Too many young adults look back on decisions they made in the heat of the moment and regret the path they chose they wish someone had told them how premarital sex could negatively impact their future relationships Here is a book to help teens make the right choices when it comes to sex based on actual questions the author has received from real life teens Nobody Told Me is written for young men and women who want passionate long lasting marriages in the future but haven't considered how the decisions they make now impact their chances for fulfillment This accessible book contains information teens need about the physical emotional and spiritual risks associated with premarital sex as well as guidelines for making healthy choices Teens have questions about sex and now there is somewhere to find the answers

*Resilience and the Localisation of Trauma in Aceh, Indonesia* Catherine Smith, 2018 The globalisation of psychiatry has helped shape the way suffering and recovery is experienced in Aceh Indonesia a region with a long history of violent conflict In this book Catherine Smith examines the global reach of the contested yet compelling concept of trauma which has expanded well beyond the bounds of therapeutic practice to become a powerful cultural idiom shaping the ways social actors understand the effects of violence and imagine possible responses to suffering In Aceh conflict survivors have incorporated the globalised concept of trauma into local languages healing practices and political imaginaries The incorporation of this globalised idiom of distress into the Acehnese medical moral landscape provides an ethnographic perspective on suffering and recovery and contributes to contemporary debates about the globalisation of psychiatry and its ongoing expansion outside the domain of medicine

*Revealing Rape's Many Voices* Jennifer Brown, Yvonne Shell, Terri Cole, 2023-05-22 By extending the cast list of roles implicated in rape's hidden sphere of harm this book attentively listens to experiential voices of complainant witnesses suspect accused police lawyers judges and jurors therapists advocates partners parents family and friends during the criminal justice journey Highlighting good and bad practices it proposes a paradigm shift for inculcating policy reform arguing the case for implementation science as a framework for embedding change The book will be of interest to those involved in the policy practice and delivery of criminal justice the support and voluntary sector as well as giving valuable insight to students of forensic and investigative psychology criminology law social policy gender studies the new policing apprenticeship degree programmes

**The Soul of the Earth** Samuel A. Nigro, MD, 2013 SOUL OF THE EARTH by Samuel A Nigro MD SOUL OF THE EARTH by Samuel A Nigro MD is the accumulation of what was learned over 70 plus years of life over 45 years of marriage over 40 years as a psychiatrist 3 years in the U S Navy Submarine Service and as a first generation American with five children and ten grandchildren The planet and mankind are amazing To limit ourselves to behaviors as if there is nothing more is contradicted by an accurate

comprehensive understanding of the planet and the universe Basically love is superior to all and the universe is the entropy necessary for the expression of love Love itself requires there to be more Nothing more is a cruel joke that life and love are meaningless All logic and reason demand there be more and we should act as if there is even much more love in anticipation And if there isn't then there ought to be Regardless the world would be better by believing in such and acting as such The book provides some articles but most of it is the way to live a transcendental life organized matter sanctified and given a soul by identity truth oneness good and beauty for everyone's life liberty and pursuit of happiness partially the subtitle of the book You get substance and the transcendental principles for living that save by actuality for a change This is in contrast to the virtual reality culture of the unreliable manipulating self discrediting noisy glitzy press then a few pages or a chapter daily and problem solve as needed by index and perusal You will be better The world will be better You will learn to be a real human being for everyone And you will have your soul back by embracing the universal Mass mantra life sacrifice virtue lovehumanity peace freedom death

**Intimate Betrayal** Vernon R. Wiehe,Ann Richards,1995-07-13 Focused and timely Chapters on special issues highlight marital rape legal factors the recovery process and prevention Important factual information is interspersed with painfully graphic first person responses from survivors This book is an important contribution to the trauma and recovery literature Terry L Sweig in READINGS A Journal of Reviews and Commentary in Mental Health This book addresses the problem of acquaintance rape and its complexity in a comprehensive manner The book provides helpful information and treatment suggestions for those professionals who wish to know more about this important issue It is a useful addition to the field of mental health Doody's Health Sciences Book Review Journal Spousal rape and acquaintance rape are treated in this book It is an important text for therapists in the field Ron MacIssac review in What's Happening Victoria B C Every year thousands of women are raped by someone they know and never report the sexual assault partly because acquaintance rape is still widely misunderstood in our society and victims are often blamed for the crime Addressing a need to change perceptions about this type of assault this important book informs and educates about the nature of acquaintance rape and its impact on the victim intervention and prevention The chapters on intervention include material on crisis intervention tools for effective rape counseling and strategies for meeting the psychosocial needs of survivors who are facing long term recovery due to previous sexual assault victimization Survivors vividly describe the events in their own words bringing home the horror of acquaintance rape and the immediate need for action to prevent it The authors also offer a special chapter on marital rape to expose this long denied

and insidious form of rape In addition a useful review of current literature pinpoints interventions crucial to rape prevention Intimate Betrayal is essential reading for mental health professionals crisis centers student services and law enforcement personnel pastoral counselors legal professionals social workers and advanced clinical students But in addition to the helping professionals this memorable book provides information important to any reader interested in understanding the nature and treatment of acquaintance rape

Debating the Eighth Conor O'Riordan, The contentious 1983 Eighth Amendment to the Constitution of Ireland introduced a constitutional prohibition on the provision of abortion within the Irish State In the decades since further referendums court cases and legislation have tried to adjust and clarify the scope of this provision often in the midst of bitter and angry debate With the current government promising a referendum on repealing the Eighth in May June 2018 the debate is growing again But in the midst of claim and counter claim media debates Twitter rants and false news fears on Facebook what are the arguments for retaining or repealing the Eighth In Debating the Eighth sixteen contributors put forward their positions on the defining issue of our generation Gathered together in one volume are presented arguments from Jan O Sullivan TD Labour Tracy Harkin the Iona Institute Kate O Connell TD Fine Gael Niamh U Bhriain the Life Institute Catherine Connolly TD Independent Declan Ganley pro life speaker and campaigner Br d Smith TD People Before Profit Bernadette Goulding Women Hurt Ursula Barry Co Director of the Centre for Gender Feminisms and Sexualities UCDDr Anthony McCarthy Society for the Protection of Unborn Children Kevin Keane President of Trinity College Dublin Students Union R is n Bradley Fianna F il writing in a personal capacity Valerie Tarico psychologist and a social commentator Karen Gaffney Karen Gaffney Foundation A Catholic priest identified in the book Mark Fitzpatrick Arann Reformed Baptist Church Debating the Eighth is unique in providing both sides of the debate with an equal platform to put forward their arguments Its contributors include two women with personal experience of abortion a person with Down s syndrome and a Catholic priest arguing from a pro choice perspective It is essential reading for anyone interested in the forthcoming debate

**Expressive Therapy with Troubled Children** P. Gussie Klorer, 2000 Expressive therapy promotes children's capacity to heal from early trauma by helping them process painful experiences over time at progressively more mature levels of understanding Relying on excellent coping skills that have helped them survive children in therapy are often invested in not talking due to the highly defended nature of their problems or perhaps the need to protect a parent through silence Alternative means of expression are often necessary Dr Klorer's work allows children to communicate intense feelings in ways that are natural to them through art and play not solely by verbalization In treatment children are helped to develop their own means of creative expression through idiosyncratic symbols stories and repetitive themes that both express and contain their pain In addition to a means of communication art can be used in therapy to assess levels of emotional and cognitive functioning object relations developmental tasks strengths and defense mechanisms Expressive therapy which integrates object relations theory attachment theory and cognitive development can be applied to family assessment and treatment as well Professionals who work with children will welcome this book as it offers sensitive and creative ways to help even their most challenging patients

Group Protocols Diane Gibson, 2014-04-04 Here is a valuable book intended to help those occupational therapists working in mental health settings to refine their critical thinking about the group activities they select and the protocols they design Experts focus on practicing sound clinical reasoning and clinical decision making to ensure careful assessment of which activities structured in what fashion are appropriate for particular populations They also address the topic of providing services that are relevant practical have already delineated goals and objectives produce outcome data and can be replicated across settings

Group Protocols A Psychosocial Compendium offers readers a systematic approach to the assessment and design of group protocols plus a wide variety of sample protocols from which treatment strategies may be drawn Because this volume represents a style of thinking rather than a singular theoretical frame of reference it will be useful to any occupational therapist for whom groups are an essential aspect of professional practice

**Journal of Psychosocial Nursing and Mental Health Services**, 1985 *Nobody Told Us We Are Defeated* Rory McCarthy, 2011-02-15 In May 2003 journalist Rory McCarthy went to Iraq to cover what was claimed to be the triumphant rebuilding of the country after the American invasion Two years later he left a place teetering on the brink of civil war whose inhabitants longed for the Americans to leave but feared what would happen if they did Throughout his stay McCarthy was struck by how little the Iraqi point of view was represented in the media drowned out by the message of the British and American occupying powers This book is an attempt to rectify that By telling the stories of some of the Iraqis that McCarthy came to know it reveals more subtly and interestingly than any political rhetoric the fatal extent to which they were misunderstood From the survivor of one of Saddam's mass graves to the insurgents of Najaf McCarthy shows us men and

women living the dilemmas of Iraq from day to day and making crucial decisions about where they stand The result is a moving and important book that gives a remarkable overview of a nation in turmoil     *Stand for Life* John Ensor, Scott Klusendorf, 2022-05-03 Of the 1.2 million abortions performed annually in the U.S. more than 500,000 are performed on college-aged women They make up 44% of all abortions in the country So it is not surprising that there is a large thriving network of pro-life groups on college campuses These groups serve to advocate for pro-life and educate other young people about the physical, emotional, psychological, and spiritual effects that abortion has on women While there are online guides and booklets on the topic there are currently very few if any books that are specifically geared for use by young advocates for this cause Now there is *Stand for Life* a manual that addresses tough questions in a format that is concise and straightforward Topics include Defending your pro-life views in five minutes or less Understanding the sanctity of human life Simplifying the abortion debate Developing a Christian response to abortion Debate keeping cool under fire Q & As about such thorny issues as unsafe abortions abortion when mothers' lives are at risk my body my choice and more     **Pacific States Reports**, 1912     *Pacific States Reports: v. 1-29.
