Nobodys Baby A Survival Guide To Politics:

Nobody's Baby Sheila Copps, 1986-01-01 **Nobody's Baby** Sheila Copps, 1986 The story of Copps meteoric rise to prominence in the still predominantly male world of politics It is not however a book about the past it is a book about today introducing Copps as a spokeswoman for a new generation of women and a new breed of politician daring dedicated and demanding of a new standard of public life Dust jacket **Counting Matters** Christina Gabriel, L. Pauline Rankin, 2024-04-15 Counting Matters examines the ways in which the rise of gender equality measurement contributes to but falls short of effective gender equality policy implementation As technocrats adopt often contextless indices questions of the theoretical and practical limitations of measurement arise especially as they pertain to social and cultural relations The indicators being produced influence the allocation of resources as political decisions but are themselves part of a power regime based on the collection and analysis of data a regime that obfuscates biases and the agendas behind the statistics The book's contributors pose critical questions of the ways in which measurement culture manifests within the field of gender equality asking how it is measured in different policy areas how we might improve existing practices and what is revealed through the examination and critique of the technical turn in policies that purport to promote gender equality The Cambridge Companion to Canadian Literature Eva-Marie Kröller, 2017-05-27 This fully revised second edition of The Cambridge Companion to Canadian Literature offers a comprehensive introduction to major writers genres and topics For this edition several chapters have been completely rewritten to reflect major developments in Canadian literature since 2004 Surveys of fiction drama and poetry are complemented by chapters on Aboriginal writing autobiography literary criticism writing by women and the emergence of urban writing Areas of research that have expanded since the first edition include environmental concerns and questions of sexuality which are freshly explored across several different chapters A substantial chapter on francophone writing is included Authors such as Margaret Atwood noted for her experiments in multiple literary genres are given full consideration as is the work of authors who have achieved major recognition such as Alice Munro recipient of the Nobel Prize for literature **Rise to Greatness, Volume 3: Realm (1949-2017)** Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949 2014 this compelling history challenges our perception of our Canada's role in the world taking on sweeping themes and recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best

writers writing today **Elusive Destiny** Paul Litt,2011-10-21 Going my way asked John Turner s campaign brochure in 1962 my way is the Liberal way It was that is until Pierre Trudeau came to power Turner was his party s star apprentice in the Liberal art of managing a heterogeneous nation through brokerage politics but in the 1968 election Canadians opted instead for a newly minted celebrity leader for a re imagined nation A political biography extraordinaire **Elusive Destiny** reveals the inner workings of the Liberal Party in its heyday as charted through the meteoric rise and fall of John Napier Turner It highlights Turner s vision for the country and tallies the political price he paid when he deviated from the Trudeau legacy on matters such as language rights social spending and Quebec It also provides a new perspective on federal politics from the 1960s through the 1980s while giving John Turner his rightful place in Canadian history Pauline Jewett Judith McKenzie,1999-04-30 Although Judith McKenzie deals with Jewett s childhood and university years much of this insightful story is devoted to her public life as a Member of Parliament for the federal Liberal Party and the New Democratic Party and as a university president President of Simon Fraser University from 1974 to 1978 she was the first woman to be appointed president of a public coeducational post secondary institution in Canada Jewett faced many challenges in her life as a woman an academic a nationalist and a social reformer With tenacity and perseverance she overcame a number of social and gender barriers in place in Canada becoming an important role model to a generation of younger women At the end of her life she faced her greatest challenge cancer and fought this with her characteristic good humour courage and dignity **Rise to Greatness, Volume 1: Colony (1000-1867)** Conrad Black,2017-03-07 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation The first of three volumes spanning from the year 1000 to 1867 and beginning with Canada s first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada s role in the world taking on sweeping themes and vividly recounting the story of Canada s development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today **Women on the Defensive** Sylvia B. Bashevkin,1998-06-08 Bashevkin combines individual voices with policy initiatives to provide the first complete picture of the recent past and uncertain future of contemporary feminism **BOOK JACKET** **Rise to Greatness** Conrad Black,2014 Controversial newspaper publisher and historian Conrad Black has written a definitive history of Canada This is a revealing account of the people and events that shaped a nation Spanning from 874 to 2014 and beginning with Canada s first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada s role in the

world From Champlain to Carleton Baldwin and Lafontaine to MacDonald Laurier and King from Canada's role in peace and war to Quebec's quest for autonomy Black takes on sweeping themes Opening Doors Wider Sylvia Bashevkin, 2010-01-01 From the days of the fur trade through the contemporary period women have played important roles in the public life of Canada Until the 1970s however these contributions were generally overlooked Opening Doors Wider looks at the progress made in the last forty years to raise the profile of women's involvement in public life The contributors focus on two questions with reference to community activism the politics of feminist organizing parties and elections and the communications environment in which politicians operate First are the doors to participation presently open wider than they were in the past Second how can these doors be opened wider both in terms of real world participation and our scholarly understanding of public engagement These tightly argued essays shed new light on the quality of public involvement of women in one of the world's most stable democracies The nuanced discussion of solutions as well as problems makes it an indispensable resource for students and practitioners of politics at all levels Rise to Greatness, Volume 2: Dominion (1867-1949) Conrad Black, 2017-04-04 Sweeping ambitious and revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today *Changing Women, Changing History* Diana Pederson, 1996-10-15 *Changing Women Changing History* is a bibliographic guide to the scholarship both English and French on Canadian's women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive **Gendered News** Elizabeth Goodyear-Grant, 2013-09-06 In the last fifty years many of the institutional and societal barriers that kept Canadian women from public office have disappeared Today women are well educated and well connected and enjoy generally equal treatment from political parties and voters Why then do they hold only a quarter of the seats in the House of Commons a proportion that rose by just seven percentage points between 1993 and 2011 In this illuminating study Elizabeth Goodyear Grant examines a significant obstacle still facing women in political life gendered media coverage News stories are more likely to investigate the personal lives of female politicians or question their aptitude for public life implicitly suggesting that women in politics are marginal or even unwelcome Based on interviews with MPs and party leaders and an analysis of print and television media in the 2000 and 2006 federal elections

Gendered News reveals an unsettling climate that affects the success of women in office and could deter them from running at all

Politics Paul W. Fox, Graham White, 1991 The Paradox of Parliament Jonathan Malloy, 2023-02-27 The Paradox of Parliament provides a comprehensive analysis of all aspects of Parliament in order to explain the paradoxical expectations placed on the institution The book argues that Parliament labours under two different logics of its purpose and primary role one based on governance and decision making and one based on representation and voice This produces a paradox that is common to many legislatures but Canada and Canadians particularly struggle to recognize and reconcile the competing logics In The Paradox of Parliament Jonathan Malloy discusses the major aspects of Parliament through the lens of these two competing logics to explain the ongoing dissatisfaction with Parliament and perennial calls for parliamentary reform It focuses on overarching analytical themes rather than exhaustive description It centres people over procedure and theory with strong emphasis given to dimensions of gender race and additional forms of diversity Arguing for a holistic and realistic understanding of Parliament that recognizes and accepts that Parliament evolves and adapts The Paradox of Parliament puts forward an important and novel interpretation of the many facets of Parliament in Canada

Women, Power, Politics Sylvia B. Bashevkin, 2009 Women's participation in politics matters very much Yet in Canada women MPs have been stuck at a level of roughly one fifth since 1993 and Stephen Harper has fewer women in his government than did Brian Mulroney Although we may believe women are making progress their representation in politics seems decidedly stalled So it comes as no surprise that we hear little about issues of particular interest to women breast cancer violence against women or the poverty of single mothers In this engaging no nonsense and witty book Sylvia Bashevkin argues that Canadians have a profound unease with women in positions of political authority what she calls the women plus power equals discomfort equation She explores the specific reasons why this discomfort is particularly severe in Canada Bashevkin also evaluates a range of barriers faced by women who enter politics including the media's role in assessing the leadership styles personal appearances and private lives of female politicians In clear accessible terms Bashevkin explains concepts such as gender schemas and media framing in terms of key examples such as Belinda Stronach and Hillary Clinton Finally Bashevkin outlines some compelling solutions to address the stalemate facing women in Canadian politics

Women and Electoral Politics in Canada Manon Tremblay, Linda Jean Trimble, 2003 This edited collection brings together many of the top scholars in the field to write original pieces on women and Canadian electoral politics from a variety of perspectives The focus of the book is formal politics parties political candidates and elected officials The book is divided into four sections covering the electoral system parties and representation values and attitudes and women and the media Articles range from the role and influence of television in the election campaigns of female candidates to socio demographic profiles of women candidates since the winning of suffrage to the end of the last century
