Noctes Atticae

LL Leslie

Noctes Atticae:

The Attic nights of Aulus Gellius. [Auli Gellii Noctes atticae.] With an English translation by John C. Rolfe,... In 3 volumes... Aulu-Gelle,1954 **The Attic Nights of Aulus Gellius** Aulus Gellius,1927 The Noctes Atticae of Aulus Gellius Henry Nettleship,1800 **The Worlds of Aulus Gellius** Leofranc Holford-Strevens,Amiel Vardi,2004-12-23 Table of contents Stories from Aulus Gellius Aulus Gellius,1921 **Aulus Gellius: Attic Nights, Books 11-20 (Auli Gelli Noctes Atticae: Libri XI-XX)** Leofranc Holford-Strevens,2019-08 This new critical edition of Aulus Gellius Noctes Atticae by Leofranc Holford Strevens is intended to replace the previous Oxford Classical Text by Peter K Marshall published in 1968 but soon superseded by Marshall s own later discoveries as well as by other scholarship Based on a thorough reconsideration of the manuscripts of the indirect tradition and of both the Latin and the Greek text this new edition utilizes manuscript evidence unknown to previous editors refines the standard account of relations between the earlier manuscripts and distinguishes between readings in the later manuscripts derived from an older lost witness and those resulting from error or interpolation All known witnesses to the indirect tradition as preserved in four florilegia have been examined at times enabling readings less well supported by the manuscripts of the direct tradition to be restored Above all the approach to the transmitted text evinces a more sceptical less trusting view than that of many recent editors the apparatus criticus contains numerous emendations and suggestions and in several places corrects the attribution of previous scholars conjectures yet remains more generous than Marshall s and avoids trivial details **Aulus Gellius and Roman Reading Culture** Joseph A. Howley,2018-04-12 Long a source for quotations fragments and factoids the Noctes Atticae of Aulus Gellius offers hundreds of brief but vivid glimpses of Roman intellectual life In this book Joseph Howley demonstrates how the work may be read as a literary text in its own right and discusses the rich evidence it provides for the ancient history of reading thought and intellectual culture He argues that Gellius is in close conversation with predecessors both Greek and Latin such as Plutarch and Pliny the Elder and also offers new ways of making sense of the text s miscellaneous qualities like its disorder and its table of contents Dealing with topics ranging from the framing of literary quotations to the treatment of contemporary celebrities who appear in its pages this book offers a new way to learn from the Noctes about the world of Roman reading and thought **Gellius the Satirist** Wytse Hette Keulen,2009 Noting previously unrecognised allusions to literary works and contemporary events this book presents an original portrait of the miscellanist Aulus Gellius Attic Nights as a satirical writer and a Roman intellectual working within the cultural milieu of Antonine Rome **Attic Nights** Aulus Gellius,2007

The Noctes Atticae of Aulus Gellius Henry Nettleship,1883 Readers and Reading Culture in the High Roman Empire William A. Johnson,2010-06-03 In Readers and Reading Culture in the High Roman Empire William Johnson examines the system and culture of reading among the elite in second century Rome The investigation proceeds in case study fashion using the principal surviving witnesses beginning with the communities of Pliny and Tacitus with a look at Pliny s teacher

Quintilian from the time of the emperor Trajan Johnson then moves on to explore elite reading during the era of the Antonines including the medical community around Galen the philological community around Gellius and Fronto with a look at the curious reading habits of Fronto's pupil Marcus Aurelius and the intellectual communities lampooned by the satirist Lucian Along the way evidence from the papyri is deployed to help to understand better and more concretely both the mechanics of reading and the social interactions that surrounded the ancient book The result is a rich cultural history of individual reading communities that differentiate themselves in interesting ways even while in aggregate showing a coherent reading culture with fascinating similarities and contrasts to the reading culture of today *Ancient Narrative Volume 8*,

Aristotle and His Commentators Pantelis Golitsis, Katerina Ierodiakonou, 2019-01-29 This volume includes twelve studies by international specialists on Aristotle and his commentators Among the topics treated are Aristotle's political philosophy and metaphysics the ancient and Byzantine commentators scholia on Aristotle's logic philosophy of language and psychology as well as studies of broader scope on developmentalism in ancient philosophy and the importance of studying Late Antiquity

Cambridge Translations of Renaissance Philosophical Texts Jill Kraye, 1997-08-28 The Renaissance known primarily for the art and literature that it produced was also a period in which philosophical thought flourished This two volume anthology contains forty new translations of important works on moral and political philosophy written during the Renaissance and hitherto unavailable in English The anthology is designed to be used in conjunction with The Cambridge History of Renaissance Philosophy in which all of these texts are discussed The works originally written in Latin Italian French Spanish and Greek cover such topics as concepts of man Aristotelian Platonic Stoic and Epicurean ethics scholastic political philosophy theories of princely and republican government in Italy and northern European political thought Each text is supplied with an introduction and a guide to further reading *Medicine and the Law Under the Roman Empire* Claire Bubb, Michael Peachin, 2023-05-11 What happens when we juxtapose medicine and law in the ancient Roman world This innovative collection of scholarly research shows how both fields were shaped by the particular needs and desires of their practitioners and users It approaches the study of these fields through three avenues First it argues that the literatures produced by elite practitioners like Galen or Ulpian were not merely utilitarian but were pieces of aesthetically inflected literature and thus carried all of the disparate baggage linked to any form of literature in the Roman context Second it suggests that while one element of that literary luggage was the socio political competition that these texts facilitated high stakes agonism also uniquely marked the quotidian practice of both medicine and law resulting in both fields coming to function as forms of popular public entertainment Finally it shows how the effects of rhetoric and the deeply rhetorical education of the elite made themselves constantly apparent in both the literature on and the practice of medicine and law Through case studies in both fields and on each of these topics together with contextualizing essays *Medicine and the Law Under the Roman Empire* suggests that the blanket results of all this were profound The introduction to the volume argues

that medicine was not contrived merely to ensure healing of the infirm by doctors and law did not single mindedly aim to regulate society in a consistent orderly and binding fashion Instead both fields in the full range of their manifestations were nested in a complex matrix of social political and intellectual crosscurrents all of which served to shape the very substances of these fields themselves This poses forward looking questions What things might ancient Roman medicine and law have been meant or geared to accomplish in their world And how might the very substance of Roman medicine and law have been crafted with an eye to fulfilling those peculiarly ancient needs and desires This book suggests that both fields in their ancient manifestations differed fundamentally from their modern counterparts and must be approached with this fact firmly in mind

The New Testament Scholarship of Erasmus Desiderius Erasmus, 2019-03-26 Erasmus produced his five editions of the New Testament in Greek and Latin and his Paraphrases on the Gospels and Epistles almost contemporaneously with the tumultuous events that accompanied the beginnings of the Reformation in Europe At the same time his scholarship was a signal illustration of the Christian Humanism of northern Europe His remarkable scholarship is translated and annotated in the Collected Works of Erasmus volumes 42-60 published by the University of Toronto Press This volume CWE 41 seeks to set in perspective in a major introductory essay the full range of that scholarship It traces the origin of Erasmus work and its development over the course of the last two decades of his life placing the work on the New Testament in the context of his life and the political and religious events of his age revealing the endeavour as a process and thus giving the reader illuminating points of reference for the many cryptic allusions in his annotations and paraphrases The book includes an annotated translation of three of Erasmus major writings on Scripture and its interpretation the Paraclesis the Ratio verae theologiae System of True Theology and the Apologia defense of his work It includes as well some of his further attempts to clarify his endeavour relevant letters and a vitriolic response to his crabby critics Contra morosos The volume offers a unique insight into the production of Erasmus scholarship in book form illustrating abundantly the special features that made his editions of the New Testament and his Paraphrases both esthetically pleasing and effectively marketable products

Variety William Fitzgerald, 2016-03-08 The idea of variety may seem too diffuse obvious or nebulous to be worth scrutinizing but modern usage masks the rich history of the term This book examines the meaning value and practice of variety from the vantage point of Latin literature and its reception and reveals the enduring importance of the concept up to the present day William Fitzgerald looks at the definition and use of the Latin term varietas and how it has played out in different works and with different authors He shows that starting with the Romans variety has played a key role in our thinking about nature rhetoric creativity pleasure aesthetics and empire From the lyric to elegy and satire the concept of variety has helped to characterize and distinguish different genres Arguing that the ancient Roman ideas and controversies about the value of variety have had a significant afterlife up to our own time Fitzgerald reveals how modern understandings of diversity and choice derive from what is ultimately an ancient concept Gerardus Joannes Vossius Jan

Bloemendal,2010-05-31 This is a new critical edition in two volumes of Gerardus Joannes Vossius Latin Poeticae institutiones 1647 with a translation in English an introduction annotations and a commentary In appendices the De artis poeticae natura ac constitutione and De imitatione are published with a translation The Military Decorations of the Roman Army Valerie A. Maxfield,1981-01-01 On the Track of the Books Roberta Berardi,Nicoletta Bruno,Luisa Fizzarotti,2019-06-17 This book offers the hint for a new reflection on ancient textual transmission and editorial practices in Antiquity In the first section it retraces the first steps of the process of ancient writing and editing The reader will discover how the book is both a material object and a metaphorical personification material or immaterial The second section will focus on corpora of Greek texts their formation and their paratextual apparatus Readers will explore various issues dealing with the mechanisms that are at the basis of the assembling of ancient Greek texts but great attention will also be given to the role of ancient scholarly work The third section shows how texts have two levels of authorship the author of the text and the scribe who copies the text The scribe is not a medium but plays a crucial role in changing the text This section will focus on the protagonists of some interesting cases of textual transmission but also on the books they manufactured or kept in the libraries and on the words they engraved on stones Therefore the fresh voices of the contributors of this book offer new perspectives on established research fields dealing with textual criticism

The Enthralling World of Kindle Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent portability and ease of access, have liberated readers from the constraints of physical books. Noctes Atticae Introduction

In the digital age, access to information has become easier than ever before. The ability to download Noctes Atticae has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Noctes Atticae has opened up a world of possibilities. Downloading Noctes Atticae provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Noctes Atticae has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Noctes Atticae. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Noctes Atticae. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Noctes Atticae, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Noctes Atticae has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Noctes Atticae Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Noctes Atticae is one of the best book in our library for free trial. We provide copy of Noctes Atticae in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Noctes Atticae. Where to download Noctes Atticae online for free? Are you looking for Noctes Atticae PDF? This is definitely going to save you time and cash in something you should think about.
