well laid out 2 The Times of London found the first few chapters did not draw the reader into the characters However in the 20th century reviewers have found much to approve in the later novels of Dickens including *Our Mutual Friend* 3 In the late 20th and early 21st century some reviewers suggested that Dickens was experimenting with structure 4 5 and that the characters considered somewhat flat and not recognized by the contemporary reviewers 6 were true representations of the Victorian working class and key to understanding the structure of the society depicted by Dickens in this novel Works of Charles Dickens: *Our mutual friend* Charles Dickens,1867 **Our Mutual Friend by Charles Dickens** ,1865 **Our mutual friend, pt.
