Noddy Boards Hello Little Noddy:

Where's Noddy? Martin Hill-Jones, 2013-08 A very British institution is the Holiday Camp At the heart of Pontin's Holidays was the entertainments team the Bluecoats When not running competitions and bingo introducing cabaret acts acting as comp re for Glamorous Grandmother and Talent shows and performing in the weekly Bluecoat Show they mingled with guests campers telling jokes being charming and being pretty adept at the waltz and the foxtrot An oft asked question was What do you do in the winter In 1982 two Bluecoats one from Wales one from Scotland found themselves working together and falling in love At the end of the season separated their love letters answered this question In an age before mobile phones texts social networking digital cameras and the Internet these letters explore the difficulties frustrations doubts and occasional hilarity of loving at a distance and surviving Thatcher's Britain The letters span the period from near the end of the 1982 season to the start of the 1984 season and cover working at three Pontin's Holiday Camps **Whitaker's Book**

Young, 2014-12-12 Example in this ebook Dear Boys I wonder if any of you are superstitious or if you believe in signs I myself do not but as this happens to be the thirteenth book in the Motor Boys series I just thought I'd mention it more as a joke than anything else You know some persons think thirteen is unlucky I do not and I am sure you do not either So I venture to hope that I have been lucky enough to write for you in this thirteenth volume a book you will like better than any of the preceding ones that I have been happy to pen Certainly Jerry Ned and Bob when they went after the radium treasure on Snake Island in the Grand Canyon of the Colorado had a chance to believe in signs if they were so inclined But when they saw the strange ghosts they were not a bit frightened and later on they discovered the cause of them This story though a complete tale in itself is linked with the others in the series It tells how the Motor Boys hearing through Professor Snodgrass of a place where radium was supposed to be located set off to find it They had many adventures and were in not a little danger Then too they had to proceed against Noddy Nixon who had unlawfully taken their motorship I venture to hope that you will like this story and that you will care for more about the boys whom I have come to regard as very good friends of mine I should dislike very much indeed saying good bye to them So wishing you all the pleasure possible in the reading of this story I remain Yours cordially Clarence Young To be continue in this ebook **Encyclopaedia Britannica**, 1890 *The Publishers' Circular and*
