The Railroad Telegrapher, 1918 **The Tillman Movement in South Carolina** Francis Butler Simkins, 1926 This study seeks to tell of the most significant transformation that has affected the political life of South Carolina since Reconstruction namely the passing of the control of the state from the hands of Wade Hampton and the men who surrounded him into the hands of Ben Tillman and his farmer friends While there is danger of over emphasizing the social significance of this transfer of power for in fact Hampton and Tillman both were ever loyal Democrats believing the whites should rule to the exclusion of the Negro nevertheless there was a fundamental social difference which made the rivalry of these men something more than personal Hampton believed in the rule of the white democracy through a leadership derived from the social system which existed before the Civil War whereas Tillman believed in the rule of the white democracy through the leadership of a new generation which had arisen as the result of social changes after 1865 I have found it convenient to approach the study of this topic through the personality of Tillman as I feel that Tillman in his life and work embodied the spirit of this transference of leadership Yet no attempt has been made to produce a biography of Tillman for biographical matter is subordinated to the general narrative of the so called Tillman Movement With this purpose as a guide the work begins with a description of politics in South Carolina after Reconstruction and with an attempt to show why the overthrow of the regime established in 1877 was inevitable then follows a description of the early life and influences of Tillman his advent into the politics of the state his ideas of reform later comes the story of his attempts at reform through others followed by his

own successful candidacy for governor his administrative methods and the constructive reforms which he accomplished The study closes with an attempt to estimate the influence of Tillman upon South Carolina after he became United States senator and after his death Preface *Congressional Record* United States. Congress,1978-02-08 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Fighting Forces, Writing Women* Sharon Ouditt,2020-09-23 In a period of high idealism and titanic illimitable death women often found themselves longing to play an active role alongside their male compatriots In this fascinating work Sharon Ouditt examines the traumatic nature of women's experiences during the Great War and the complex ideological structures they constructed in order to legitimate their position in the public world of work and politics Using a wealth of historical material contemporary propaganda journals magazines memoirs and fiction Sharon Ouditt challenges the notion that women achieved sudden and unproblematic independence and demonstrates the ways in which women mediated their attraction to a fixed female identity with their desire for radical social change *Duroc Bulletin and Live Stock Farmer* ,1920 *Town Development* ,1909 *Time* Briton Hadden, Henry Robinson Luce,1926 Reels for 1973 include Time index 1973 **The Farmers' Advocate and Home Magazine** ,1923 **The Edge of Extinction** Jules Pretty,2014-12-18 In *The Edge of Extinction* Jules Pretty explores life and change in a dozen environments and cultures across the world taking us on a series of remarkable journeys through deserts coasts mountains steppes snowscapes marshes and farms to show that there are many different ways to live in cooperation with nature From these accounts of people living close to the land and close to the edge emerge a larger story about sustainability and the future of the planet Pretty addresses not only current threats to natural and cultural diversity but also the unsustainability of modern lifestyles typical of industrialized countries In a very real sense Pretty discovers what we manage to preserve now may well save us later Jules Pretty's travels take him among the Maori people along the coasts of the Pacific into the mountains of China and across petroglyph rich deserts of Australia He treks with nomads over the continent wide steppes of Tuva in southern Siberia walks and boats in the wildlife rich inland swamps of southern Africa and experiences the Arctic with ice fishermen in Finland He explores the coasts and inland marshes of eastern England and Northern Ireland and accompanies Innu people across the taiga's snowy forests and the lakes of the Labrador interior Pretty concludes his global journey immersed in the discrete cultures and landscapes embedded within the American landscape the small farms of the Amish the swamps of the Cajuns in the deep South and the deserts of California The diverse people Pretty meets in *The Edge of Extinction* display deep pride in their relationships with the land and are only willing to join with the modern world on their own terms By the examples they set they offer valuable lessons for anyone seeking to find harmony in a world cracking under the pressures of apparently

insatiable consumption patterns of the affluent      Transforming the Countryside Paul Brassley,Jeremy Burchardt,Karen Sayer,2016-11-25 It is now almost impossible to conceive of life in western Europe either in the towns or the countryside without a reliable mains electricity supply By 1938 two thirds of rural dwellings had been connected to a centrally generated supply but the majority of farms in Britain were not linked to the mains until sometime between 1950 and 1970 Given the significance of electricity for modern life the difficulties of supplying it to isolated communities and the parallels with current discussions over the provision of high speed broadband connections it is surprising that until now there has been little academic discussion of this vast and protracted undertaking This book fills that gap It is divided into three parts The first on the progress of electrification explores the timing and extent of electrification in rural England Wales and Scotland the second examines the effects of electrification on rural life and the rural landscape and the third makes comparisons over space and time looking at electrification in Canada and Sweden and comparing electrification with the current problems of rural broadband      Health Assessment & Promotion Strategies Through the Life Span Ruth Beckmann Murray,Judith Proctor Zentner,1997 A holistic approach to the health care of individuals and families this indispensable resource offers specific guidelines for nursing assessment with suggested interventions and health promotion strategies at each developmental stage from birth to death The sixth edition of this popular book provides a critical pathway paradigm for health      The Big Book of Massey Tractors Robert N. Pripps,2006 This is the first full scale history of one of the largest farm tractor manufacturers of all time peppered with pictures of Massey Harris Ferguson and Massey Ferguson s historic models collectibles sales memorabilia and advertisements from old farm magazines The Big Book of Massey Tractors tells the story of the mergers and machines that formed Massey Ferguson over several decades and because these machines dominated Canadian farms for almost a century in many ways it also tells the story of Canadian agriculture Robert Pripps a longtime tractor aficionado describes Massey Ferguson s battle with Ford over dominance of the farm tractor industry a battle the company eventually won remarkably enough in view of its initial abject market failure with tractors From the company s beginnings in 1891 to its 1953 merger with the Ferguson tractor company to its current ownership by Allis Gleaner Company AGCO Masseys have played a large role in our agricultural history The Big Book of Massey Tractors celebrates that role and showcases the machines that have helped turn the earth for over a hundred years      American Lumberman ,1927
