The Lonesome Trail John G. Neihardt, 2024-01-05 Excerpt Through the quiet night crystalline with the pervading spirit of the frost under prairie skies of mystic purple pierced with the glass like glinting of the stars fled Antoine Hugué and hollow sounding with the clatter of the pinto's hoofs hung the night above and about lonesome empty bitter as the soul of him who fled A weary age of flight since sunset and now the midnight saw the thin limbed long haired pony slowly losing his nerve tottering rasping in the throat With pitiless spike spurred heels the rider hurled the beast into the empty night Gwan you blasted cayuse you overgrown wolf dog you pot bellied shonga Keep up that tune I'm going somewheres What'd I steal you for Pleasure He he he ho ho ho I reckon pleasure for the half breed Gwan Suddenly rounding a bank of sand the pinto sighted the broad ice bound river an elysian stream of glinting silver under the stars Sniffing and crouching upon its haunches at the sudden glow that dwindled a gleaming thread into the further dusk the jaded beast received a series of vicious jabs from the spike spurred heels It groaned and lunged forward again taking with uncertain feet the glaring path ahead and awakening dull snarling thunder in the under regions of the ice Slipping struggling doing its brute best to overcome fatigue and the uncertainty of its path the pinto covered the ice

The End of the Dream and Other Stories John G. Neihardt, 2025-07-21 Originally published at the beginning of the twentieth century the short stories of John G. Neihardt deserve to be better known Their flesh and blood Indians were practically unprecedented in an era when the fiends of dime novels and idealizations of Cooper were still the literary norm Owing much to young Neihardt's intimate association with the Omahas at their reservation in eastern Nebraska the stories were of an Indian cast that perplexed the critics They were often overlooked as the years brought laurels to the author of A Cycle of the West and Black Elk Speaks A closer look at them reveals that Neihardt was a disciplined artist from the very beginning The nine stories in this volume appeared from 1901 to 1905 in the Overland Monthly five were collected in The Lonesome Trail in 1907 All of them are informed by Neihardt's experience among Omaha Indians and shaped by the power of his imagination Except for A Prairie Borgia which clearly touches on the notorious Chief Blackbird's relations with traders all

are set in the time before contact with white men Love and hate kindness and cruelty hope and despair generosity and envy honesty and guile spiritual impulse and sexual desire operate in this wholly Indian world The End of the Dream The Triumph of Seha and The Smile of God are patterned on vision quests issuing in profound irony The social outcast who figured in Neihardt's Indian Tales and Others 1927 a Bison Book appears again in adventures with a cosmic and sometimes fantastic dimension These stories as well as When the Snows Drift The Beating of the War Drums The Fading of Shadow Flower The Singing of the Frogs and The Spirit of Crow Butte have an inwardness reflected by vivid imagery Their quality led Dr Susan LaFlesche Picotte the daughter of Joseph LaFlesche Iron Eyes last chief of the Omahas to exclaim that Neihardt was the only writer in a long line extending from Cooper to Frederic Remington who possessed a true understanding of Indian character The stories were compiled by Neihardt's daughter Hilda Neihardt Petri In his introduction Jay Fultz discusses their cultural context and artistic integrity

Little Bug Likes his nice peaceful quiet home in the meadow by the big tree. He is very content until a big noisy wild grasshopper bug moves in to the tree next door. He does not like the noise and is rude and tells her to go away. Then later that evening as he is settling into bed, he hears beautiful music coming from her house. He feels sorry for being so rude and realizes he needs to apologize. He learns that even though they are very different, he can still be friends with a noisy wild bug. This book teaches flexibility in tough situations, acceptance, tolerance for those that are different, apologizing when we've hurt someone's feelings, and friendship.
