Nola A Memoir Of Faith Art And Madness:

Nola Robin Hemley, 2013-04-01 The evidence at hand an autobiography complete with their mother's edits written by his brilliant and disturbingly religious sister a story featuring actual childhood events but published by his mother as fiction the transcript of a hypnotherapy session from his adolescence and perjured court documents hidden in a drawer for decades These are the clues Robin Hemley gathers when he sets out to reconstruct the life of his older sister Nola who died at the age of twenty five after several years of treatment for schizophrenia Armed with these types of clues Hemley quickly discovers that finding the truth in any life even one's own is a fragmented and complex task *Nola A Memoir of Faith Art and Madness* is much more than a remembrance of a young woman who was consumed her entire life by a passion for finding and understanding God it is also a quest to understand what people choose to reveal and conceal and an examination of the enormous toll mental illness takes on a family Finally it is a revelation of the alchemy that creates a writer confidence in the unknowable distrust of the proven tortuous devotion to the fine print in life and sacrifice to writing itself as it plays the roles of confessor scourge and creator Upon its first release in 1998 *Nola* won ForeWord's Book of the Year Award for biography memoir the Washington State Book Award for biography memoir and the Independent Press Book Award for autobiography memoir

Family Trouble Joy Castro, 2020-03-01 Whenever a

memoirist gives a reading someone in the audience is sure to ask How did your family react Revisiting our pasts and exploring our experiences we often reveal more of our nearest and dearest than they might prefer This volume navigates the emotional and literary minefields that any writer of family stories or secrets must travel when depicting private lives for public consumption Essays by twenty five memoirists including Faith Adiele Alison Bechdel Jill Christman Judith Ortiz Cofer Rigoberto Gonz lez Robin Hemley Dinty W Moore Bich Minh Nguyen and Mimi Schwartz explore the fraught territory of family history told from one perspective which from another angle in the family drama might appear quite different indeed In her introduction to this book Joy Castro herself a memoirist explores the ethical dilemmas of writing about family and offers practical strategies for this tricky but necessary subject A sustained and eminently readable lesson in the craft of memoir

Family Trouble serves as a practical guide for writers to find their own version of the truth while still respecting family boundaries

Flannery O'Connor's Manhattan Kathryn Krotzer Laborde, 2024-08-20 This book offers a unique twist to the Who's Who of midcentury writers editors and artists Much is made of Flannery O'Connor's life on the Georgia dairy farm Andalusia a rural setting that clearly influenced her writing But before she lived on that farm before she showed signs of having lupus before she became dependent on her mother and then succumbed to the disease at thirty nine O'Connor lived in the northeast She stayed at the artists colony Yaddo in 1948 and early 1949 and lived in Connecticut with good friends from fall of 1949 through all of 1950 But in between those experiences and perhaps more importantly O'Connor lived in Manhattan In her biographies little is said of her time in Gotham in some sources this period gets no more than one sentence But little is said because little has been known In *Flannery O'Connor's Manhattan* the author's goal is to explore New York City from O'Connor's point of view To do this the author consults not just letters both unpublished and published and biography but five personal address books housed in Emory's Stuart A Rose Manuscript Archives and Rare Book Library The result is a book of interest to both the O'Connor fan and the O'Connor scholar not to mention those interested in midcentury Manhattan *Flannery O'Connor's Manhattan* is part guide to the who was who and who lived where of New York from roughly 1948 to 1964 at least those as they mattered to O'Connor It also acts as a window to the writer's experiences in the city whether she was coming into town for a series of meetings or strolling down Broadway on her way to lunch In the end it is the combination of the who she knew and the what she did that formed O'Connor's personal view of what is arguably the most famous of American cities

Embodied Rhetorics James C. Wilson, Cynthia Lewiecki-Wilson, 2001 Presenting thirteen essays editors James C Wilson and Cynthia Lewiecki Wilson unite the fields of disability studies and rhetoric to examine connections between disability education language and cultural practices Bringing together theoretical and analytical perspectives from rhetorical studies and disability studies these essays extend both the field of rhetoric and the newer field of disability studies The contributors span a range of academic fields including English education history and sociology Several contributors are themselves disabled or have disabled family members While some essays included in this volume

analyze the ways that representations of disability construct identity and attitudes toward the disabled other essays use disability as a critical modality to rethink economic theory educational practices and everyday interactions Among the disabilities discussed within these contexts are various physical disabilities mental illness learning disabilities deafness blindness and diseases such as multiple sclerosis and AIDS
