Civil Society in China Karla W. Simon, 2013-03-22 This is the definitive book on the legal and fiscal framework for civil society organizations CSOs in China from earliest times to the present day Civil Society in China traces the ways in which laws and regulations have shaped civil society over the 5 000 years of China s history and looks at ways in which social and economic history have affected the legal changes that have occurred over the millennia This book provides an historical and current analysis of the legal framework for civil society and citizen participation in China focusing not merely on legal analysis but also on the ways in which the legal framework influenced and was influenced in turn by social and economic developments The principal emphasis is on ways in which the Chinese people as opposed to high ranking officials or cadres have been able to play a part in the social and economic development of China through the associations in which they participate Civil Society in China sums up this rather complex journey through Chinese legal social and political history by assessing the ways in which social economic and legal system reforms in today s China are bound to have an impact on civil society The changes that have occurred in China s civil society since the late 1980 s and most especially since the late 1990 s are nothing short of remarkable This volume is an essential guide for lawyers and scholars seeking an in depth understanding of social life in China written by one of its leading experts

Building Civil Society in Authoritarian China John W. Tai, 2014-08-28 How is modern civil society created There are few contemporary studies on this important question and when it is addressed scholars tend to emphasize the institutional environment that facilitates a modern civil society However there is a need for a new perspective on this issue Contemporary

China where a modern civil society remains in a nascent stage offers a valuable site to seek new answers Through a comparative analysis of nongovernmental organizations NGOs in today s China this study shows the importance of the human factor notably the NGO leadership in the establishment of a modern civil society In particular in recognition of the social nature of NGOs this study engages in a comparative examination of Chinese NGO leaders state linkage media connections and international ties in order to better understand how each factor contributes to effective NGOs

The Role of American NGOs in China's Modernization Norton Wheeler,2013 In the waning years of the Cold War the United States and China began to cautiously engage in cultural educational and policy exchanges which in turn strengthened new security and economic ties These links have helped shape the most important bilateral relationship in the late twentieth and early twenty first centuries This book explores the dynamics of cultural exchange through an in depth historical investigation of three organizations at the forefront of U S China non governmental relations the Hopkins Nanjing Center for Chinese and American Studies the National Committee on United States China Relations and The 1990 Institute Norton Wheeler reveals the impact of American non governmental organizations NGOs on education environment fiscal policy and civil society in contemporary China In turn this book illuminates the important role that NGOs play in complementing formal diplomacy and presents a model of society to society relations that moves beyond old debates over cultural imperialism Finally the book highlights the increasingly significant role of Chinese Americans as bridges between the two societies Based on extensive archival research and interviews with leading American and Chinese figures this book will be of interest to students and scholars of Chinese politics and history international relations and transnational NGOs

NGO Governance and Management in China Reza Hasmath,Jennifer Y. J. Hsu,2015-07-16 As China becomes increasingly integrated into the global system there will be continuing pressure to acknowledge and engage with non governmental organizations NGOs Suffice to say without a clear understanding of the state s interaction with NGOs and vice versa any political economic and social analysis of China will be incomplete This book provides an urgent insight into contemporary state NGO relations It brings together the most recent research covering three broad themes namely the conceptualizations and subsequent functions of NGOs state NGO engagement and NGOs as a mediator between state and society in contemporary China The book provides a future glimpse into the challenges of state NGO interactions in China s rapidly developing regions which will aid NGOs strategic planning in both the short and long term In addition it allows a measure of predictability in our assessment of Chinese NGOs behaviour notably when they eventually move their areas of operation from the domestic sphere to an international one The salient themes concepts theories and practice discussed in this book will be of acute interest to students scholars and practitioners in development studies public administration and Chinese and Asian politics Reza Hasmath is a Lecturer in Chinese Politics at the University of Oxford UK and an Associate Professor in Political Science at the University of Alberta Canada His research looks at state society relationships the labour market experiences of ethnic
