writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission  
has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a  
place and an idea Beating Heart Disease Diamond Fernandes, 2018-01-12 Heart disease is the number one cause of death  
and hospitalization in developed countries and yet it is largely preventable Think about that for a moment How is that  
possible What is required is good information Did you know that more than half of those suffering from cardiovascular  
disease have cholesterol in the normal range Would it surprise you to learn that the majority of cardiovascular events are  
attributed to blockages of less than fifty percent Your arteries are a muscle not a pipe therefore beating heart disease takes  
work but it can be done Diamond Fernandes is an authority on heart health and in this book he shares how you can navigate  
heart disease along with his five powerful pillars to preventing and reversing heart disease *F-O* Library of Congress.
