Non Profit Hospitals:

Nonprofit Hospitals and the Community Benefit Standard Maria G. Reyes, 2011 Non profit hospitals receive billions of dollars in governmental subsidies due to their status as charitable organisations Benefits that arise from this status under federal law include exemption from federal income taxes eligibility to receive tax deductible contributions and authority to use tax exempt bond financing In recent years Congress the Internal Revenue Service IRS and members of the public have questioned whether hospitals are conducting sufficient charitable activities to justify these benefits In the 111th Congress the Patient Protection and Affordable Care Act signed into law by President Obama on 23 March 2010 imposes additional requirements on these non profit hospitals This book examines the standard under which hospitals qualify for tax exempt charitable status under federal law

Non-Profit Hospitals Thomas A. Barocci, 1981 A new and effective combination of case studies and macro data sets examines the structure of the highly regulated hospital industry Provides a close scrutiny of hospital establishment management during a period of increasing public concern about the quality and cost of health service delivery Based on research undertaken at the Joint Center for Urban Studies of MIT and Harvard University
