Nonconformity And Dissent In The Ukrainian Ssr 1955-1975 An Annotated:

Nonconformity and Dissent in the Ukrainian SSR, 1955-1975 Anna Mostovych, 1978 **Soviet Ukrainian Dissent** Jaro Bilocerkowycz, 2019-07-11 In this book the author focuses on an important variant of Soviet dissent from 1963 through March 1985 to deepen understanding of the phenomena of political alienation and dissent and to stimulate further study of political dissent in the USSR and elsewhere *Ukrainian Nationalism in the Post-Stalin Era* K.C. Farmer, 2012-12-06 It is a truism that with only a few notable exceptions western scholars only belatedly turned their attention to the phenomenon of minority nationalism in the USSR In the last two decades however the topic has increasingly occupied the attention of specialists on the Soviet Union not only because its depths and implications have not yet been adequately plumbed but also because it is clearly a potentially explosive problem for the Soviet system itself The problem that minority nationalism poses is perceived rather differently at the top of Soviet society than at the bottom The elite views or at least rationalize the problem through the lens of Marxism Leninism which explains nationalist sentiment as a part of the super structure a temporary phenomenon that will disappear in the course of building communism That it has not done so is a primary source of concern for the Soviet leadership who do not seem to understand it and do not wish to accept its reality This is based on a fallacious conceptualization of ethnic nationalism as determined wholly by external or objective factors and therefore subject to corrective measures In terms of origins it is believed to be the result of past oppression and discrimination it is thus seen as a negative attitudinal set the essence of which lies in tangible rather than psychological factors Below the level of the leadership however ethnic nationalism reflects entrenched identifications and meanings which lend continuity and authenticity to human existence Historical Dictionary of Ukraine Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine Encyclopedia of

Ukraine Volodymyr Kubijovyc,1984-12-15 Over thirty years in the making the most comprehensive work in English on Ukraine is now complete its history people geography economy and cultural heritage both in Ukraine and in the diaspora

A History of Ukraine Paul Robert Magocsi,2010-06-18 First published in 1996 A History of Ukraine quickly became the authoritative account of the evolution of Europe s second largest country In this fully revised and expanded second edition Paul Robert Magocsi examines recent developments in the country s history and uses new scholarship in order to expand our conception of the Ukrainian historical narrative New chapters deal with the Crimean Khanate in the sixteenth and seventeenth centuries and new research on the pre historic Trypillians the Italians of the Crimea and the Black Death the Karaites Ottoman and Crimean slavery Soviet era ethnic cleansing and the Orange Revolution is incorporated Magocsi has also thoroughly updated the many maps that appear throughout Maintaining his depiction of the multicultural reality of past and present Ukraine Magocsi has added new information on Ukraine s peoples and discusses Ukraine s diasporas Comprehensive innovative and geared towards teaching the second edition of A History of Ukraine is ideal for both teachers and students

Encyclopedia of Ukraine Danylo Husar Struk,1993-12-15 Over thirty years in the making the most comprehensive work in English on Ukraine is now complete its history people geography economy and cultural heritage both in Ukraine and in the diaspora

Revolution and War in Contemporary Ukraine Olga Bertelsen,2017-03-28 What are the reasons behind and trajectories of the rapid cultural changes in Ukraine since 2013 This volume highlights the role of the Revolution of Dignity and the Russian Ukrainian war in the formation of Ukrainian civil society the forms of warfare waged by Moscow against Kyiv including information and religious wars Ukrainian and Russian identities and cultural realignment sources of destabilization in Ukraine and beyond memory politics and Russian foreign policies the Kremlin s geopolitical goals in its near abroad and factors determining Ukraine s future and survival in a state of war The studies included in this collection illuminate the growing gap between the political and social systems of Ukraine and Russia The anthology illustrates how the Ukrainian revolution of 2013 2014 Russia s annexation of the Crimean peninsula and its invasion of eastern Ukraine have altered the post Cold War political landscape and with it regional and global power and security dynamics

Ukraine Orest Subtelny,2009-11-10 In 1988 the first edition of Orest Subtelny s Ukraine was published to international acclaim as the definitive history of what was at that time a republic in the USSR In the years since the world has seen the dismantling of the Soviet bloc and the restoration of Ukraine s independence an event celebrated by Ukrainians around the world but which also heralded a time of tumultuous change for those in the homeland While previous updates brought readers up to the year 2000 this new fourth edition includes an overview of Ukraine s most recent history focusing on the dramatic political socio economic and cultural changes that occurred during the Kuchma and Yushchenko presidencies It analyzes political developments particularly the so called Orange Revolution and the institutional growth of the new state Subtelny examines Ukraine s entry into the era of globalization looking at social and economic transformations

regional ideological and linguistic tensions and describes the myriad challenges currently facing Ukrainian state and society

Russia, the Soviet Union, and Eastern Europe Hoover Institution on War, Revolution, and Peace,1980 Nonviolent Action Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject *Biographical Dictionary of Dissidents in the Soviet Union* S. P. De Boer, Evert J. Driessen, Hendrik L. Verhaar, 1982-05-26 *The Red Pencil* Marianna Tax Choldin, Maurice Friedberg, 2024-11-26 The Red Pencil 1989 examines the many ways in which Soviet censorship interfered in the creative process in the words of those who experienced it first hand It helps to identify the ways in which Soviet artistic and intellectual production was shaped by the practices of Soviet censorship The book goes beyond the simple recounting of banned books and taboo subjects to examine the more subtle issue of how Soviet writers attempted to strike a balance between accommodating the demands of government censorship while retaining for themselves a modicum of unfettered expression and intellectual integrity Most of the contributing authors were active as writers critics editors film and theatre specialists or scientists prior to their departure from the Soviet Union in the 1970s *Annals of the Ukrainian Academy of Arts and Sciences in the United States*, 1981 **Mapping Mass Mobilization** O. Onuch, 2014-12-09 Through a paired comparison of two moments of mass mobilization in Ukraine and Argentina focusing on the role of different actors involved this text maps out a multi layered sequence of events leading up to mass mobilization Canadian Slavonic Papers, 1990 Subject Catalog Library of Congress, **Subject Catalog, 1979** Library of Congress, 1979 **The Bulletin**, 1979 *American Reference Books Annual* Bohdan S. Wyner, 1979-04 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering
