the Ten Commandments Moses received a series of supplementary instructions to guide the people as they set about establishing a society in conformity with the covenant that are to be found in the so called the Book of the Covenant The book which is imbedded in the biblical book of Exodus essentially contains addenda or amendments to longstanding customary laws with which the children of Israel were already familiar and for this reason its various components vary widely in scope depending on the extent of differentiation from customary law that they entail This study of the ordinances in the Book of the Covenant focuses not only on what they meant for the ancient Israelites but also how those laws rules instructions and admonitions were treated and in some instances modified as they were incorporated into the huge corpus of Jewish Law as it emerged over a period of some two and a half millennia

Is God Capable? Tommy Thompson, 2021-02-23 The purpose of this book is to fight against the lies of Satan with indisputable facts of absolute truth found only in the Word of the Lord otherwise known as the Bible These indisputable facts addressed in this book answer the following questions Is God capable of causing His Holy Scriptures to reach us today accurately translated from the original languages in which they were

written Is God capable of speaking into existence out of nothing the trillions of galaxies that make up the heavens and the universe Is God capable of causing His absolute truth to be applicable to all of us today thousands of years after His absolute truth was actually written Is God capable of truly blessing the nation whose God is the Lord Is God capable of expressing to us that which is true forgiveness Is God capable of fulfilling His promise of eternal life Satan s answer to all of these questions is a resounding No God is not capable The research in this book details people and organizations who have offered indisputable facts that God is capable of accomplishing all of the above It is my fervent desire to get this book into the hands of as many people as possible so that it can be used as a tool to fight the lies of Satan and more importantly promote the absolute truths found in the Word of the Lord otherwise known as the Bible It is my fervent prayer that the information and suggested actions in this book are used as tools to promote the absolute truths that God really does bless the nation whose God is the Lord and that the Word of the Lord otherwise known as the Bible is just as applicable in our lives today as it was when it was written all of those thousands of years ago 2      **Arcana Coelestia** Emanuel Swedenborg,1890      Supernatural
