Nonfinite Loss And Grief A Psychoeducational Approach:

Nonfinite Loss and Grief Elizabeth J. Bruce, Cynthia L. Schultz, 2001 This compassionate book challenges the idea that the grieving process is the same regardless of the nature of the loss The authors distinguish nonfinite loss including disability illness divorce and abuse from bereavement With this book professionals will have the background and strategies to help clients learn to live with their loss

Nonfinite Loss and Grief Elizabeth J. Bruce, Cynthia Schultz, 2001 Challenges the idea that the grieving process is the same regardless of the nature of the loss The authors distinguish between nonfinite loss such as disability and chronic illness and bereavement types of loss Includes specific techniques for therapy and case studies to help illustrate the techniques

Non-Death Loss and Grief Darcy L. Harris, 2019-10-16 Non Death Loss and Grief offers an inclusive perspective on loss and grief exploring recent research clinical applications and current thinking on non death losses and the unique features of the grieving process that accompany them The book places an overarching focus on the losses that we encounter in everyday life and the role of these loss experiences in shaping us as we continue living A main emphasis is the importance of having words to accurately express these living losses such as loss of communication with a loved one due to disease or trauma which are often not acknowledged for the depth of their impact Chapters showcase a wide range of contributions from international leaders in the field and explore individual perspectives on loss as well as experiences that are more interpersonal and sociopolitical in nature Illustrated by case studies and clinical examples throughout this is a highly relevant text for clinicians looking to enhance their support of those living with ongoing loss and grief

An Expressive Arts Approach to Healing Loss and Grief Irene Renzenbrink, 2021-06-21 Drawing on expertise in both expressive arts and grief counselling this book highlights the use of expressive arts therapeutic methods in confronting and healing grief and bereavement Establishing a link between these two approaches it widens our understanding of loss and grief With personal and professional insight Renzenbrink illuminates the healing and restorative power of creative arts therapies as well as addressing the impact of communion with others and the role that expressive arts can play in community change Covering a broad understanding of grief the discussion incorporates migration and losing one's home chronic illness and natural disasters highlighting the breadth of types of loss and widening our perceptions of this Grief specialists are given imaginative and nourishing tools to incorporate into their practice and better support their clients An invaluable resource to expand understanding of grief and explore the power of expressive arts to heal both communities and individuals

Grief, Loss, and Treatment for Death Row Families Sandra Joy, 2013-12-05 The families of death row inmates are rarely considered in public discourse regarding the death penalty They have largely been forgotten and their pain has not been acknowledged by the rest of society These families experience a unique grief process as they are confronted with the loss of their loved one to death row and brace themselves for the possibility of an execution Death row families are disenfranchised from their grief by the surrounding community and their mental health needs exacerbated as they struggle in isolation with the ambiguous

loss that comes with the fear that the state will kill their loved one Grief Loss and Treatment for Death Row Families describes the grief that families experience from the time of their loved one's arrest through his or her execution In each chapter Sandra Joy guides the reader through the grief process experienced by the families offering clinical interventions that can be used by mental health professionals who are given the opportunity to work with these families at various stages of their grief The author conducted over seventy qualitative interviews with family members from Delaware who either currently have a loved one on death row or have survived the execution of their loved one Delaware was chosen because though it has a relatively small death row it is ranked third in the nation with its rate of per capita executions This book provides an in depth awareness of the grieving process of death row families as well as ways that professionals can intervene to assist them in healing With increased awareness and effective clinical treatment we can ensure that the families of death row inmates are forgotten no more
