James W. Martin

Nonlawyers Nonprofit Corporation:

How To Form a Florida Nonprofit Corporation James W. Martin, 2022-05-13 James W Martin is a Florida Bar Board Certified Real Estate Lawyer and Adjunct Professor of Law at Stetson University College of Law who for over forty years has practiced Florida real estate wills trusts probate corporations nonprofits and business law The author has seen too many nonprofit corporations improperly formed and maintained Some failed to file for tax exempt status after incorporation some failed to hold annual meetings and file annual reports some failed to prepare meeting minutes and maintain records and some failed to follow statutory procedures Failure to comply with the basics of nonprofit corporation law can result in real estate title problems litigation taxes penalties and potential personal liability This book provides a step by step process with forms and checklists for forming and maintaining Florida nonprofit corporations to avoid these problems It is primarily directed to lawyers because Florida nonprofit corporations are legal entities created under the Florida Not For Profit Corporation Act so having a law degree really should be a prerequisite to forming and maintaining nonprofit corporations However the author realizes that we live in an age where nonlawyers freely access these materials on the Internet so he has written this book in plain language that does not require a law degree to understand But his message for nonlawyers reading this book is to be sure to engage a Florida licensed lawyer on their behalf to review any document before it is signed or filed

Amernick,2012-12-06 The primary purpose of the first edition of this book was to provide inventors and those who manage technology with sufficient understanding of the patent system to permit them to make use of it with the greatest possible degree of comfort From the comments that I have received from readers of the first edition it seems that this purpose was achieved to an appreciable extent In fact the audience for the book went beyond this and has been of use to those entering the patent profession and general attorneys who have technology based clientele This second edition discusses important changes in the law since the first including the enactment of new laws as well as new insights into or interpretations of already existing statutes Along with updating material I have expanded certain discussions including more examples to illustrate some of the more complex issues covered In writing this book I have tried not to lose sight of the underlying philosophy of the patent laws as expressed in ARTICLE 1 SECTION 8 of the United States Constitution The Congress shall have the power to promote the sciences and useful arts by securing for limited time to authors and inventors the exclusive right to their respective writings and discoveries Encouragement of communication between an inventor and the general public is therefore the primary purpose and objective of the patent laws **The ABCs of Nonprofits** Lisa Runquist,2005 Written for practitioners and nonprofit corporations this concise guidebook offers a basic introduction to what is a nonprofit corporation and how it is formed options for organizational structure operating the corporation tax exemptions directors responsibilities and much more *Recommendations and Reports* Administrative Conference of the United States,1968
