The background of the cover is a dark blue field filled with various mathematical and scientific plots. In the upper right, there is a plot with a curve and a label $N=1.5 \cdot 10^4$. Below it, another plot is labeled $N=3.3 \cdot 10^4$. In the lower left, a large, dense, swirling pattern of lines resembles a Lorenz attractor or a similar chaotic system. Other scattered plots include a series of parallel lines and a graph with a single peak.
