the ESRC Centre for Business Relationships Accountability Sustainability and Society Provides a good introduction to the management of social enterprises touching on a broad range of topics and will help those involved in managing social enterprises and those trying to understand more about the sector It draws on the experience of those who have worked in the social enterprise sector in a range of countries and are passionate about developing it Fergus Lyon Professor of Enterprise and Organizations Middlesex University Overviewing the key business topics required by social entrepreneurs and managers in social enterprises Management for Social Enterprise covers strategy finance ethics social accounting marketing and people management Written in direct accessible language by a team of authors currently teaching and researching in this sector each chapter is fully supported with learning resources Chapters include brief overviews further reading suggested web resources and importantly international case studies drawing on real life business examples This book is essential reading for students and practitioners of Social Entrepreneurship and Social Enterprise but will also be of use to anyone with an interest in management corporate responsibility ethics or community studies Nonprofit Governance Chris

Cornforth, William A. Brown, 2013-07-04 The current fashion for rolling back the state has seen the nonprofit or third sector playing an increasing role in what were previously the heartlands of the public sphere The growing significance of the sector and its increasing reliance on public funds mean it has also attracted increased scrutiny From outside the sector concerns have been raised about the accountability and performance of nonprofit organizations From within the sector there has been considerable debate about whether the increased reliance on government contracts is in danger of undermining the sector's independence As a result the spotlight has fallen on governance arrangements and whether they are adequate to ensure that nonprofit organizations are effective and accountable for their actions and able to retain their independence This collection offers a comprehensive assessment of research on the governance of nonprofit organizations Nonprofit governance research has been dominated by the study of boards of unitary organizations and has paid insufficient attention to the multi level nature of governance governance relationships and dynamics and the contribution of actors other than board members to governance processes Drawing on the research of leading scholars in the US UK Canada and Australia this book presents new perspectives on non profit governance which help to overcome these weaknesses Written in an accessible manner the book will be of value to scholars researchers students reflective practitioners and governance consultants and advisers
