Nonsense A Handbook Of Logical Fallacies:

Nonsense Robert J. Gula, 2018 First published by Stein and Day in 1979 In the Stein and Day edition the work principally consisted of a handbook of verbal logic but also contained some introductory and other material of a more popular and ephemeral nature developed by the author at the request of the publisher This edition contains everything germane to the author's original concept of a timeless handbook of verbal logic

Nonsense Robert Gula, 2007 Nonsense is the best compilation and study of verbal logical fallacies available anywhere It is a handbook of the myriad ways we go about being illogical how we deceive others and ourselves how we think and argue in ways that are disorderly disorganized or irrelevant Nonsense is also a short course in nonmathematical logical thinking especially important for students of philosophy and economics A book of remarkable scholarship Nonsense is unexpectedly relaxed informal and accessible

Understanding Ideology Warren Frederick Morris, 2010 Herein the reader is enabled to recognize public expressions of an ideology thereby avoiding gullibility and the consequences of ignorance Of Karl Mannheim's classic dual conception of ideology a Marxist Freudian orientation is adopted Supporting this is a critical conception of social alienation with aggressivity narcissism and socialization providing the psychological foundation for establishing any ideology Operative in ideology are the same psychically defensive mechanisms Freud found in wishful dreams neurotic repression paranoia and mythology Various forms of fallacious reasoning and propaganda sustain ideology Finally dealt with is the possibility of escaping ideology as well as its difference from science From years past Mr Morris holds the equivalent of a 1963 undergraduate degree in philosophy a 1970 MA degree in philosophy and successfully completed in 1980 a Ph D requirement in philosophical anthropology Currently retired from a federal government career and academically unaffiliated Mr Morris has Published two previous books Escaping Alienation A Philosophy of Alienation and Dealienation 2002 and Emotion and Anxiety A Philosophic Inquiry 2006 Book jacket

Coping with Control and Manipulation Vera Sonja Maass, 2010-09-16 You can't always avoid becoming a manipulator's target but you CAN avoid becoming a victim This revealing book gives you the power to resist the people who want to control you Who is pushing your buttons and what can you do about it Coping with Control and Manipulation Making the Difference Between Being a Target and Becoming a Victim examines the various spheres in which people encounter control and manipulation and shows how avoiding such victimization is absolutely possible Knowing the players understanding what motivates them identifying their goals and learning the techniques they use can help potential victims avoid or at least survive control and manipulation attempts In her comprehensive look at this potentially harmful human drive clinical psychologist Vera Sonja Maass shows

just how prevalent control and manipulation are She examines manipulators goals and techniques as they relate to personality structure and offers a menu of techniques commonly used to exercise control Arming readers through an in depth analysis of controllers behaviors toward targeted persons Dr Maass enables such targets to predict future actions and prepare responses that will prevent victimization *My Enemy, My Self* C. Franklin Truan, 2013-11-27 Do you feel depressed about your life use alcohol or drugs to escape hide your true self from others If you ve picked up this book chances are you re not satisfied with the way you re living your life You aren t happy even if you ve fooled everyone else into believing you are Whatever your troubles the root cause is the same you don t like yourself When your deepest beliefs about yourself are negative a fulfilling life is impossible *My Enemy My Self Overcoming Your Self Defeating Mind* explores why you have a poor self concept and how it sabotages your attempts at a joyful existence Presenting common sense solutions to the problems that plague self destructive individuals Dr C Franklin Truan teaches you how to gain control over your emotions use your mind to separate fact from fiction and build a mature positive self The life you want is within your reach Are you ready to take the first step **An Oral-Formulaic Study of the Qur'an** Andrew G. Bannister, 2014-04-24 The Qur an makes extensive use of older religious material stories and traditions that predate the origins of Islam and there has long been a fierce debate about how this material found its way into the Qur an This unique book argues that this debate has largely been characterized by a failure to fully appreciate the Qur an as a predominately oral product Using innovative computerized linguistic analysis this study demonstrates that the Qur an displays many of the signs of oral composition that have been found in other traditional literature When one then combines these computerized results with other clues to the Qur an s origins such as the demonstrably oral culture that both predated and preceded the Qur an as well as the folk memory in the Islamic tradition that Muhammad was an oral performer these multiple lines of evidence converge and point to the conclusion that large portions of the Qur an need to be understood as being constructed live in oral performance Combining historical linguistic and statistical analysis much of it made possible for the first time due to new computerized tools developed specifically for this book Bannister argues that the implications of orality have long been overlooked in studies of the Qur an By relocating the Islamic scripture firmly back into an oral context one gains both a fresh appreciation of the Qur an on its own terms as well as a fresh understanding of how Muhammad used early religious traditions retelling old tales afresh for a new audience **Manufacturing Dissent** Cornelia Ilie, 2024-01-15 Spotlighting case studies of manipulation practices at the onset of the Covid 19 crisis in different countries and socio political circumstances the authors expose context specific discourse and argumentation strategies of infodemics misleading information and fake news public policy mismanagement deceptive online and offline communication tactics and conspiracy narratives which end up disrupting community social cohesion In addition to targeting manipulation driven dissent across discourse genres through corpus based investigations a major strength of this volume consists in debunking manipulation while foregrounding compelling acts

of counter manipulation The volume s breadth of topics depth of analytical insights and range of methodological frameworks provide unique perspectives by capturing crisis related manipulations across a worldwide political and cultural spectrum Austria Brazil China the Czech Republic Portugal Sweden Switzerland United Kingdom United States with a focus on the scale and extent of multifaceted repercussions Reaching beyond the boundaries of pragmatics and discourse analysis this book should be a valuable resource for researchers and practitioners of rhetoric argumentation media studies social and political sciences

Curriculum, Spirituality and Human Rights towards a Just Public Education Rogério C.

Venturini,2023-05-08 Curriculum Spirituality and Human Rights towards a Just Public Education examines the integration of spirituality not religion into U S public education and curriculum The volume challenges celebratory curricularized forms of human rights and frames spirituality as a counter hegemonic human right Drawing on autobiography as inquiry Rog rio Venturini unpacks his spiritual struggles from within and experiences as a progressive spiritual person and educator The volume examines the subjectivity and objectivity of spirituality exploring the lethal social impact triggered by the absence of spirituality at the table of the so called curriculum conversations This volume places the struggle for spirituality in our field as a political struggle and challenges the epistemicidal nature of such conversations Venturini draws on critical anti colonial and decolonial frameworks and argues for an epistemological move towards an itinerant curriculum theory one that responds to the world s endless epistemological diversity and difference by assuming a non derivative non abyssal approach
