Translingual Words Jieun Kiaer, 2018-12-07 *Translingual Words* is a detailed case study on lexical integration or mediation occurring between East Asian languages and English. In Part I specific examples from global linguistic corpora are used to discuss the issues involved in lexical interaction between East Asia and the English speaking world. Part II explores the spread of East Asian words in English while Part III discusses English words which can be found in East Asian languages. *Translingual Words* presents a novel approach on hybrid words by challenging the orthodox ideas on lexical borrowing and explaining the dynamic growth of new words based on translingualism and transculturalism. **Word of**

Mouth Laura Kina, Jave Yoshimoto, 2025-03-17 Conceived during the 2020 COVID 19 lockdown and the accompanying rise in anti Asian bigotry *Word of Mouth* Asian American Artists Sharing Recipes is an artists cookbook featuring stories and artwork from twenty three Asian American and Asian diaspora artists from across the United States with contributions that range from Los Angeles based performance artist Kristina Wong's Recipe for Political Action to New Orleans based painter Francis Wong's family recipe for stir fried Szechuan alligator. *Word of Mouth* was first published as an online exhibition through the Virtual Asian American Art Museum. This print version features a new introduction by art historian Michelle Yee, expanded essays and brand new recipes. Each contribution is accompanied by an original illustration and enriched by the artist's reflections on how their cuisine has been impacted by histories of war, migration, relocation, labor, or mixing. A pandemic project turned illustrated cookbook, this unique collection disrupts genre expectations to celebrate how artists use food to nurture and sustain their diverse communities and artistic practices as well as to build connection during times of isolation, grief, and loss.
