Blum,Joshua P. Hochschild,2017-08-11 These past two decades modern technology has brought into being scores of powerful challenges to our interior peace and well being We re experiencing a worldwide crisis of attention in which information overwhelms us corrodes true communion with others and leaves us anxious unsettled bored isolated and lonely These pages provide the time tested antidote that enables you to regain an ordered and peaceful mind in a technologically advanced world Drawing on the wisdom of the world s greatest thinkers including Plato Aristotle St Augustine and St Thomas Aquinas these pages help you identify and show you how to cultivate the qualities of character you need to survive in our media saturated environment This book offers a calm measured yet forthright and effective approach to regaining interior peace Here you ll find no argument for retreat from the modern world instead these pages provide you with a practical guide to recovering self mastery and interior peace through wise choices and ordered activity in the midst of the world s communication chaos Are you increasingly frustrated and perplexed in this digital age Do you yearn for a mind that is more focused and a soul able to put down that iPhone and simply rejoice in the good and the true It s not hard to do

The saints and the wise can show you how this book makes their counsel available to you **Forthcoming Books** Rose Army,2003-12 **Pride** John Blackwell,2006 What happens when we start playing God If Pride is the problem what is the solution The answer is humility which Rev Blackwell shows to be a truthful assessment of ourselves in relation to God and one another *Sloth* Christian Vandergroot,2019-02-08 The only deadly sin that is not a sin of commission Sloth or laziness is not something we do rather it s NOT doing something we should that makes it so sinful The Latin words tristitia or acedia mean without care When we stop caring things go wrong How come laziness is so destructive especially when we are not actually doing something wrong What does the Bible say about sloth Is it even mentioned there Is there such a thing as good laziness What modern age faces of sloth do we get confronted with How do we avoid becoming lazy especially when it has become easier to give up and miss out on life In holy writ life is sometimes referred to as a spiritual war This analogy can have a lasting effect on our attitude When we look at it this way we must figure out how to become a better soldier for the right cause and to actively get engaged in good projects and activities that make the world a better place This is exactly the kind of thinking you will read about when you pick up this book It will help you avoid excuses see the sin of sloth for what it really is and motivate you to become a better person
