Nordic Sound Explorations Into The Music:

The Nordic Sound John H. Yoell,1974 The Nature of Nordic Music Tim Howell,2019-09-19 The Nature of Nordic Music explores two distinctive yet complementary understandings of the term nature the inherent features characters and qualities of contemporary Nordic music and how the elemental forces of nature the phenomena of the physical world landscape climate environment inspire and condition creativity here Within a broader debate about the meaning of Nordicness 12 case studies challenge our assumptions about a Nordic tone to reveal a creative energy that is diverse and cosmopolitan in outlook Each of the three parts of the book Identities Images and Environments accommodates an eclectic array of musical genres classical popular jazz folk electronic This book will appeal to anyone interested in Nordic music and culture especially students and researchers Nordic Art Music Frederick K. Smith,2002-06-30 The five countries that make up Northern Europe Denmark Sweden Norway Finland and Iceland have over the course of the last several centuries developed a unique and viable art music history that easily rivals that of their continental neighbors Nordic Art Music From the Middle Ages to the Third Millennium provides an informative and accessible overview of the fascinating historical and aesthetic developments of this music and its creators from the Middle Ages and the Renaissance through the Baroque Classical and Romantic eras to the beginning of this new century Though some Nordic composers including Edvard Grieg Carl Nielsen and Jean Sibelius have found great acclaim in all parts of the world author Frederick Key Smith lays the foundation for their work in his discussion of the many composers relatively unknown outside of Northern Europe Smith ably discusses the composers styles and representative works of each era in language that makes for a highly readable musical history as well as a superior reference guide The first English language book of its type in nearly 40 years Smith's study brings into focus this broad and exciting aspect of music history **Song** Carol Kimball,2006-12-01 Carol Kimball's comprehensive survey of art song literature has been the principal one volume American source on the topic Now back in print after an absence of several years this newly revised edition includes biographies and discussions of the work of *Choral Music in the Twentieth Century* Nick Strimple,2005-11 Musical works for chorus are among the great masterpieces of 20th century art This guide the first truly comprehensive volume on the choral music of the last century covers the spectacular range of music for vocal ensembles from Saint Saens to Tan Dun The book will be essential to every choral conductor and a valuable resource for choir members choral societies and choruses Reader's Guide to Music Murray Steib,2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship

from aesthetics to gay lesbian musicology [The A to Z of Denmark](#) Alastair H. Thomas,2010-05-10 Denmark is the oldest monarchy in Europe At different points in its history Denmark s boundaries have encompassed England Sweden West Africa India and the West Indies Despite its changing and relatively small boundaries Denmark has played a much larger part in the politics of Europe than might be expected Additionally through its territories Faroe Islands and Greenland Denmark has managed to retain an important presence in the North Atlantic Today democratic Denmark with its thriving capital Copenhagen is peaceful prosperous and progressive Within NATO Denmark has contributed to peace keeping in the Persian Gulf and Bosnia The Danish Model of welfare gives Danes a real sense of social security and presents many naysayers with a provocative example of a successfully managed welfare state Danes have a reputation for inventiveness and good design whether in architecture furniture or industrial design The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters astronomers educationists reformers political parties social movements and other aspects of Danish society **Historical Dictionary of Choral Music** Melvin P. Unger,2023-08-14 A Library Journal Starred Review March 2024 praises the book as a remarkable resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers Throughout the ages people have wanted to sing in a communal context This desire apparently stems from a deeply rooted human instinct Consequently choral performance historically has often been related to human rituals and ceremonies especially rites of a religious nature Historical Dictionary of Choral Music Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 300 cross referenced entries on composers conductors choral ensembles choral genres and choral repertoire This book is an excellent resource for students researchers and anyone wanting to know more about choral music *The Voice of Music* Anders Beyer,2019-06-11 This title was first published in 2000 Extensive and generously illustrated interviews have been a feature of the lively Danish music periodical Dansk Musik Tidsskrift Danish Music Review since the 1960s Now a long standing tradition these conversations with influential composers from all over the world are prepared by professional musicians and experienced writers on music This volume is a collection of interviews selected from issues published since 1990 by Anders Beyer the journal s editor in chief The book gives an up to date picture of the North European musical perspectives through interviews with composers from each of the Nordic countries These are further complemented by interviews with trend setting composers from the rest of Europe and America The interviews have been edited and translated into English to make them accessible to a wider audience The volume features interviews with composers including Erik Bergman Tikhon Chrennikov Edison Denisov Hans Gerfors Philip Glass Sofia Gubaidulina and Pelle Gudmundsen Holmgreen **Nordic Sounds** ,1998 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 **Historical Dictionary of Denmark** Alastair H. Thomas,2016-07-26 Denmark has a millennium

long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century Modern Denmark leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of Historical Dictionary of Denmark contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark
