Rubies, Filippo de Vivo**

Nordic Folklore Recent Studies:

Nordic Folklore Reimund Kvideland, Henning K. Sehmsdorf, Elizabeth Simpson, 1989 it presents some of the most important folklore studies to appear in Nordic countries in the past thirty years The Scandinavian American Bulletin will be of interest to folklorists in general The selected essays deal with issues that any folklorist who wishes to be up to date must consider A valuable addition to folklore studies Choice Nordic folklore studies have made major theoretical contributions to international folklore scholarship The articles in this collection not only reflect areas in which Nordic folklore studies have been particularly strong but also demonstrate recent changes in theoretical paradigms and empirical application Folklore Concepts Dan Ben-Amos, 2020-09-01 By defining folklore as artistic communication in small groups Dan Ben Amos led the discipline of Folklore in new directions In Folklore Concepts Henry Glassie and Elliott Oring have curated a selection of Ben Amos's groundbreaking essays that explore folklore as a category in cultural communication and as a subject of scholarly research Ben Amos's work is well known for sparking lively debate that often centers on why his definition intrinsically acknowledges tradition rather than expresses its connection forthright Without tradition among people there would be no art or communication and tradition cannot accomplish anything on its own only people can Ben Amos's focus on creative communication in communities is woven into the themes of the theoretical essays in this volume through which he advocates for a better future for folklore scholarship Folklore Concepts traces Ben Amos's consistent efforts over the span of his career to review and critique the definitions concepts and practices of Folklore in order to build the field's intellectual history In examining this history Folklore Concepts answers foundational questions about what folklorists are doing how they are doing it and why **Handbook of Pre-Modern Nordic Memory Studies** Jürg Glauser, Pernille Hermann, Stephen A. Mitchell, 2018-11-19 In recent years the field of Memory Studies has emerged as a key approach in the Humanities and Social Sciences and has increasingly shown its ability to open new windows on Nordic Studies as well The entries in this book document the work to date of this approach on the pre modern Nordic world mainly the Viking Age and the Middle Ages but including as well both earlier and later periods Given that Memory Studies is an ever expanding critical strategy the approximately eighty contributors in this volume also discuss the potential for future research in this area Topics covered range from texts to performance to visual and other aspects of material culture all approached from within an interdisciplinary framework International specialists coming from such relevant fields as archaeology mythology history of religion folklore history law art literature philology language and mediality offer assessments on the relevance of Memory Studies to their disciplines and show it at work in case studies Finally this handbook demonstrates the various levels of culture where memory had a critical impact in the pre modern North and how deeply embedded the role of memory is in the material itself **Folklore and Nation in Britain and Ireland** Matthew Cheeseman, Carina Hart, 2021-08-30 This collection explores folklore and folkloristics within the diverse and contested national discourses of Britain and Ireland

examining their role in shaping the islands constituent nations from the eighteenth century to our contemporary moment of uncertainty and change This book is concerned with understanding folklore particularly through its intersections with the narratives of nation entwined within art literature disciplinary practice and lived experience By following these ideas throughout history into the twenty first century the authors show how notions of the folk have inspired and informed varied points from the Brothers Grimm to Brexit They also examine how folklore has been adapting to the real and imagined changes of recent political events acquiring newfound global and local rhetorical power This collection asks why when and how folklore has been deployed enacted and considered in the context of national ideologies and ideas of nationhood in Britain and Ireland Editors Cheeseman and Hart have crafted a thoughtful and timely collection ideal for students and scholars of folklore history literature anthropology sociology and media studies **Old Norse Folklore** Stephen A.

Mitchell,2023-12-15 The medieval northern world consisted of a vast and culturally diverse region both geographically from roughly Greenland to Novgorod and culturally as one of the last areas of Europe to be converted to Christianity Old Norse Folklore explores the complexities of this fascinating world in case studies and theoretical essays that connect orality and performance theory to memory studies and myths relating to pre Christian Nordic religion to innovations within late medieval pilgrimage song culture Old Norse Folklore provides critical new perspectives on the Old Norse world some of which appear in this volume for the first time in English Stephen A Mitchell presents emerging methodologies by analyzing Old Norse materials to offer a better understanding of Old Norse materials He examines interprets and re interprets the medieval data bequeathed to us by posterity myths legends riddles charms court culture conversion narratives landscapes and mindscapes targeting largely overlooked yet important sources of cultural insights Routledge

International Handbook of Research Methods in Digital Humanities Kristen Schuster,Stuart Dunn,2020-08-23 This book draws on both traditional and emerging fields of study to consider what a grounded definition of quantitative and qualitative research in the Digital Humanities DH might mean which areas DH can fruitfully draw on in order to foster and develop that understanding where we can see those methods applied and what the future directions of research methods in Digital Humanities might look like Schuster and Dunn map a wide ranging DH research methodology by drawing on both traditional fields of DH study such as text historical sources museums and manuscripts and innovative areas in research production such as knowledge and technology digital culture and society and history of network technologies Featuring global contributions from scholars in the United Kingdom the United States Europe and Australia this book draws together a range of disciplinary perspectives to explore the exciting developments offered by this fast evolving field Routledge International Handbook of Research Methods in Digital Humanities is essential reading for anyone who teaches researches or studies Digital Humanities or related subjects Folklore and Nationalism in Europe During the Long Nineteenth Century Timothy Baycroft,David Hopkin,2012-07-25 Using an interdisciplinary approach this book brings together work in the

fields of history literary studies music and architecture to examine the place of folklore and representations of the people in the development of nations across Europe during the 19th century *Fiddling for Norway* Chris Goertzen,2007-12-01

Fiddling for Norway is an engrossing portrait of a fiddle based folk revival in Norway one that in many ways parallels contemporary folk institutions and festivals throughout the world including American fiddling It is a detailed case study in the politics of culture the causes and purposes of folk revivals and the cultivation of music to define identity The book begins with an investigation of the people and events important to Norwegian folk fiddling tracing the history of Norwegian folk music and the growth and diversification of the folk music revival The narrative takes us to fiddle clubs concerts and competitions on the local regional and national levels and shows how conflicting emphases local vs national identity tradition vs aesthetic qualities continue to transform Norwegian folk music Goertzen utilizes a large anthology of meticulously transcribed tunes to illustrate personal and regional repertoires aspects of performance practice melodic gesture and form and tune relationships Ethnomusicologists and readers who fiddle will enjoy both the music and the stories it tells

Traditional Storytelling Today Margaret Read MacDonald,2013-12-16 *Traditional Storytelling Today* explores the diversity of contemporary storytelling traditions and provides a forum for in depth discussion of interesting facets of contemporary storytelling Never before has such a wealth of information about storytelling traditions been gathered together Storytelling is alive and well throughout the world as the approximately 100 articles by more than 90 authors make clear Most of the essays average 2 000 words and discuss a typical storytelling event give a brief sample text and provide theory from the folklorist A comprehensive index is provided Bibliographies afford the reader easy access to additional resources

Exploring Cultural History Melissa Calaresu,Joan-Pau Rubies,Filippo de Vivo,2016-12-05 Over the past 30 years cultural history has moved from the periphery to the centre of historical studies profoundly influencing the way we look at and analyze all aspects of the past In this volume a distinguished group of international historians has come together to consider the rise of cultural history in general and to highlight the particular role played in this rise by Peter Burke the first professor of Cultural History at the University of Cambridge and one of the most prolific and influential authors in the field Reflecting the many and varied interests of Peter Burke the essays in this volume cover a broad range of topics geographies and chronologies Grouped into four sections Historical Anthropology Politics and Communication Images and Cultural Encounters the collection explores the boundaries and possibilities of cultural history each essay presenting an opportunity to engage with the wider issues of the methods and problems of cultural history and with Peter Burke s contributions to each chosen theme Taken as a whole the collection shows how cultural history has enriched the ways in which we understand the traditional fields of political economic literary and military history and permeates much of what we now understand as social history It also demonstrates how cultural history is now at the heart of the coming together of traditional disciplines providing a meeting ground for a variety of interests and methodologies Offering a wide international perspective this

volume complements another Ashgate publication *Popular Culture in Early Modern England* which focuses on Peter Burke's influence on the study of popular culture in English history

Styrian Witches in European Perspective Mirjam Mencej, 2017-01-27 The book provides a comprehensive exploration of witchcraft beliefs and practices in the rural region of Eastern Slovenia. Based on field research conducted at the beginning of the twenty-first century, it examines witchcraft in the region from folkloristic, anthropological, as well as historical perspectives. Witchcraft is presented as part of social reality strongly related to misfortune and involved in social relationships. The reality of the ascribed bewitching deeds, psychological mechanisms that may help bewitchment to work, circumstances in which bewitchment narratives can be mobilised, reasons for a person to acquire a reputation of the witch in the entire community, and the role that unwitchers fulfilled in the community are but a few of the many topics discussed. In addition, the intertwinement of social witchcraft with narratives of supernatural experiences closely associated with supernatural beings of European folklore forming part of the overall witchcraft discourse in the area is explored.

Minhagim Joseph Isaac Lifshitz, Naomi Feuchtwanger-Sarig, Simha Goldin, Jean Baumgarten, Hasia Diner, 2019-12-16 Parallel to the Halakhic laws, the minhagim customs are dependent on local practices and the regional schools of sages and rabbis. The minhagim played a decisive role in the history of the Jewish communities and in the formation of traditions of religious rulings. They gave stability, continuity, and authority to the local institutions. The impact of Jewish custom on daily life cannot be overestimated. Evolving spontaneously as an ascending process, it presents undercurrents that emanate from the folk, gradually bringing about changes that eventually become part of the legislative code. It further reflects influences of social, cultural, and mythological tendencies and local historical elements of every day life of the period. The aim of this volume is to examine the concept of minhag in the broadest sense of the word. Focusing on the relationship between various types of customs and their impact on every aspect of Jewish life, the volume studies the historical, anthropological, religious, and cultural development and function of rites and rituals in establishing the Jewish self-definition and the identity of the local communities that adhered to them. The volume's articles cover the subject of custom from three perspectives: an analysis of the theoretical and legal definition of custom; an analysis of the social and historical aspects of custom; and an anecdotal study of several particular customs. Customs are a wonderful historical prism by which to examine fluctuations and changes in Jewish life.

The X-Files and Literature Sharon R. Yang, 2009-10-02 *The X-Files and Literature: Unweaving the Story, Unraveling the Lie to Find the Truth* provides an innovative and valuable exploration of the groundbreaking television program. Although much academic work has been devoted to the social, psychological, and spiritual significance of *The X-Files*, until this collection, none has fully addressed the series' rich adaptation of literature to interrogate our perception, definition, or recounting of the truth. This collection not only unveils new twists and insights into expected connections between *The X-Files* and Gothic writers or with its modernist and post-modernist slants on narrative plot and characterization, *The X-Files and Literature* also delves into some unexpected literary

sources shaping the series such as the Arthurian quest Catholic and Biblical mythology folkloristics and James Fennimore Cooper and the vanishing American mythos This collection of essays covers both how The X Files works with literature s own constantly morphing definition and portrayal of truth through form and content as well as how the television program may or may not subvert our own contradictory expectations and distrust of literature s providing us with enlightenment As television becomes more and more literary with shows like Lost and Gilmore Girls sending us off to the bookstore and the library so we might read them more carefully a book like The X Files and Literature is welcome indeed Sharon R Yang s diverse collection on one of Nineties TV s richest texts finds the truth of the gothic and the Arthurian and the folkloric of the postmodern and the metafictional of Poe Pynchon Cooper Nabokov and Tennyson not just out there but in the perhaps too complicated narrative of the perpetually frustrated quests of Mulder and Scully Valuable in itself as an intellectual exercise its real worth may come when we put the book down and return smarter better readers to the primary text David Lavery Co Editor Deny All Knowledge Investigating The X Files Sharon Yang s X Files collection deals with an important subject addressed by thoughtful writers The idea that television can be seen as a branch of literature is certainly sustained by The X Files and the contributors to this volume succeed in making the case Brian Hauser on Fenimore Cooper Cary Jones on Mary Shelley Tamy Burnett on Poe Thomas Argiro on Pynchon Matthew VanWinkle on Tennyson these and more explore the connections with The X Files not only in terms of sources but also themes and techniques Both students of television and literature will want to own this book Rhonda V Wilcox Ph D Professor of English Gordon College Barnesville The Routledge Companion to Media and Fairy-Tale Cultures Pauline Greenhill, Jill Terry Rudy, Naomi Hamer, Lauren Bosc, 2018-03-28 From Cinderella to comic con to colonialism and more this companion provides readers with a comprehensive and current guide to the fantastic uncanny and wonderful worlds of the fairy tale across media and cultures It offers a clear detailed and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies media studies and cultural studies addressing among others issues of reception audience cultures ideology remediation and adaptation Examples and case studies are drawn from a wide range of pertinent disciplines and settings providing thorough accessible treatment of central topics and specific media from around the globe **Myth and Mentality** Anna-Leena Siikala, 2019-01-10 The recent fascination in Finnish folklore studies with popular thought and the values and emotions encoded in oral tradition began with the realisation that the vast collections of the Finnish folklore archives still have much to offer the modern day researcher These archive materials were not only collected by scholars but also by the ordinary rural populace interested in their own traditions by performers and their audiences With its myriad voices this body of source material thus provides new avenues for the researcher seeking to penetrate popular thought What does oral tradition tell us about the way its performers think and feel What sorts of beliefs and ideas are transmitted in traditional songs and narratives Perspectives from the study of mentalities and cultural cognition research provide a framework for investigating these issues This collection of articles

works from the premise that the cultural models which shape mentalities give rise to manifest expressions of culture including folklore. These models also become embedded in the representations appearing in folklore and are handed down from one generation to the next. The topics of the book cover age old myths and world views, concepts of witchcraft and the Devil stretching back to the Middle Ages and the values and collective emotions of Finnish and Hungarian agrarian communities.

The Way of the Wise J.T. Sibley, 2015-11-12 Today we worry about Mad Cow Disease, AIDS, Alzheimers and other prolonged onset ailments. But back in the good old days folks worried about infected cuts and slashes, internal diseases, parasites and a whole variety of ailments which are perfectly treatable or preventable by means of modern medicine. Folks rarely lived long enough to suffer from a long slow disease; heck, just staying alive to see one's fortieth birthday was considered a feat. Even as late as the 19th century, medicine was pretty medieval to our way of looking at it. There were no wonder drugs, no X-ray or CAT scans, no hospitals as we know them today and spotty training of medical professionals. The dentist was feared and quack nostrums were sold by the case by traveling snake oil salesmen. Many of those nostrums contained relatively innocuous ingredients but some were downright dangerous, especially those incorporating psychoactive alkaloids, heavy metals or raw isotopes. Mercury or radium were primary ingredients in some quack medicinal cures even into the early 20th century. And in rural areas the old magic medicine was still practiced by generations of folks who passed on these traditions and lore to their students and/or children. Much of the material presented in this volume has already been documented and published in the Norwegian language by scholars and folklorists such as Ingjald Reichborn Kjennerud, Nils Lid Hjalmar Falk, Olav B. O. A. Heg, Per Holck, Odd Nordland, Chr. Bang and A. Steen among others. There has been a growing interest in folklore, folk medicine and the old ways in recent years and this volume is an attempt to present a part of this lore to the English speaking audience.

Danish Folktales, Legends, and Other Stories Timothy R. Tangherlini, 2013-07-26 Danish Folktales, Legends and Other Stories is a collection of translated and annotated Nordic folklore that presents full repertoires of five storytellers along with extensive archival material. The printed book presents some of the most compelling stories of these five important storytellers along with historical and biographical introductions. Of a length suitable for course use, it provides a substantive and enjoyable encounter with Danish folklore. The Danish Folklore Nexus on the accompanying DVD includes the storytellers' full repertoires plus 500 additional stories in both Danish and English along with essays on the changing political, social and economic landscapes of nineteenth century Denmark, the history of folklore scholarship, critical approaches to folklore and comprehensive biographies of the storytellers. It also provides links between related stories and interactive maps that allow readers to see where the stories are set and where they were collected and a mechanism to search for themes and topics across all the stories. The basis of the work is the collection of Evald Tang Kristensen, 1843-1929. As a young schoolteacher, Kristensen set out across Denmark to collect the folktales, ballads, legends and stories that he saw as the vestiges of a disappearing folk culture. Over the course of five decades he collected thousands of stories and kept

detailed biographical notes about the storytellers he met Watch the trailer <http://www.youtube.com/watch?v=ecoJtKZ8SI> list UUge4MONgLFncQ1w1C_BnHcw index 2 feature plcp Clever Maids, Fearless Jacks, and a Cat Anita Best, Pauline Greenhill, Martin Lovelace, 2019-10-01 *Clever Maids Fearless Jacks and a Cat* showcases the stories of two Newfoundland storytellers Philip Pius Power and Alice Lannon Ethnopoetic transcriptions of these sensitive and artful tales which have been passed on orally for generations as part of a community tradition give accounts of living oral performances from the last quarter of the twentieth century and demonstrate the artistry that is possible without the written word Here eight tales from Power and five tales from Lannon take up issues of vital concern such as spousal abuse bullying and social and generational conflict allusively through a screen of fiction In commentary following the stories Anita Best Martin Lovelace and Pauline Greenhill discuss the transmission of fairy tales in oral tradition address the relation of these magic tales to Lannon's and Power's other stories and share specifics about Newfoundland storytelling and the two tellers themselves The text is further enriched by expressive illustrations from artist Graham Blair *Clever Maids Fearless Jacks and a Cat* presents the fairy tale oeuvres of two superb storytellers as a contribution to interdisciplinary fairy tale studies and folklore countering fairy tale studies focus on written traditions and printed texts as well as to gender studies cultural studies Newfoundland studies and Canadian studies Students scholars and general readers interested in folk and fairy tales contemporary M rchen Newfoundland folklore or oral tradition more generally will find much of value in these pages Support for this publication was provided in part by the University of Winnipeg *Folktales and Fairy Tales* Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present *Folktales and fairy tales* have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource **The Nazification of an Academic Discipline** James R. Dow, Hannjost Lixfeld, 1994 Contributors examine the establishment of folklore departments at German and Austrian

universities during the National Socialist era the perversion of the discipline for political ends by the government and the attempt to establish a pan German Reich Institute as an instrument of a fascist ideology

Nordic Folklore Recent Studies Introduction

In today's digital age, the availability of Nordic Folklore Recent Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nordic Folklore Recent Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nordic Folklore Recent Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nordic Folklore Recent Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nordic Folklore Recent Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nordic Folklore Recent Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nordic Folklore Recent Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nordic Folklore Recent Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nordic Folklore Recent Studies books and manuals for download and embark on your journey of knowledge?

FAQs About Nordic Folklore Recent Studies Books

1. Where can I buy Nordic Folklore Recent Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nordic Folklore Recent Studies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
