The Normal Christian Life Study Guide Harry Foster, 2013-07-30 In this book Harry Foster provides a guide for groups and individuals studying Watchman Nee's classic *The Normal Christian Life*. The book includes introductions to each chapter along with questions for group discussion.

**The Normal Christian Life** Watchman Nee, 2006 God makes it quite clear in his Word that he has only one answer to every human need: his Son Jesus Christ. In all his dealings with us, he works by taking us out of the way and substituting Christ in our place. The Son of God died instead of us for our forgiveness; he lives instead of us for our deliverance. So we can speak of two substitutions: a Substitute on the Cross who secures our forgiveness and a Substitute within who secures our victory. An early leader in what became China's phenomenal house church movement, Watchman Nee (1903-1972) spent the last 20 years of his life in a communist prison. This powerful meditation brings the daily reality of following Christ into sharp focus.

*Hendrickson Christian Classics* Every Christian library needs the classics: the timeless books that have spoken powerfully to generations of believers. *Hendrickson Christian Classics* allow readers to build an essential classics library in affordable modern editions. Each volume is freshly typeset for reading comfort, while thoughtful new introductions place each in historical and spiritual context. Attractive classically bound covers look great together on the shelf. Best of all, value pricing makes this series easy to own. Planned to span the spectrum of Christian wisdom through the ages, *Hendrickson Christian Classics* set a new standard for quality and value.

**The Normal Christian Faith** Watchman Nee, 1993-05-01 The question of the existence of God looms large in humanity's search for meaning. We all confront this question throughout the course of our lives, whether our response is one of belief or unbelief. In a simple yet detailed discussion of this fundamental question, Watchman Nee presents a compelling case for belief in God by showing that God became a man to personally answer this question for us. Arranged in four major sections, *The Normal Christian Faith* presents a clear view of our faith beginning with the knowledge of God, Christ, and the Bible, and progressing to an understanding of redemption, life, and the Spirit.
