Norman Podhoretz Reader A Selection Of His Writings From The 1950s Through The 1990s:

The Norman Podhoretz Reader Norman Podhoretz, 2004 Five decades worth of the best work of one of America's great men of letters including excerpts from his full length books literary criticism and political commentary **Norman Podhoretz and Commentary Magazine** Nathan Abrams, 2011-10-27 What does the term neoconservative mean Who are we talking about and where did they come from Abrams answers those very questions through a detailed and critical study of neoconservatism's leading thinker Norman Podhoretz and the magazine he edited for 35 years *Commentary* Podhoretz has been described as the conductor of the neocon orchestra and through *Commentary* Podhoretz powerfully shaped neoconservatism Rich in research the book is based upon a wide range of sources including archival and other material never before published in the context of *Commentary* magazine including Podhoretz's private papers It argues that much of what has been said about neoconservatism is the product of willful distortion and exaggeration both by the neoconservatives themselves and their many enemies From this unique perspective Abrams examines the origins rise and fall of neoconservatism In understanding Podhoretz a figure often overlooked this book sheds light on the origins ideas and intellectual pedigree of neoconservatism *Norman Podhoretz* Thomas L. Jeffers, 2010-06-14 This is the first biography of the Jewish American intellectual Norman Podhoretz longtime editor of the influential magazine *Commentary* As both an editor and a writer he spearheaded the countercultural revolution of the 1960s and after he broke ranks the neoconservative response For years he defined what was at stake in the struggle against communism recently he has nerved America for a new struggle against jihadist Islam always he has given substance to debates over the function of religion ethics and the arts in our society The turning point of his life occurred at the age of forty near a farmhouse in upstate New York in a mystic clarification It compelled him to unlearn much that he had earlier been taught to value and it also made him enemies Revealing the private as well as the public man Thomas L. Jeffers chronicles a heroically coherent life **A Shadow over Palestine** Keith P. Feldman, 2015-04-15 Winner Best Book in Humanities and Cultural Studies Literary Studies Association for Asian American Studies Upon signing the first U.S. arms agreement with Israel in 1962 John F. Kennedy assured Golda Meir that the United States had a special relationship with Israel in the Middle East comparable only to that of the United States with Britain After more than five decades such a statement might seem incontrovertible and yet its meaning has been fiercely contested from the start *A Shadow over Palestine* brings a new deeply informed and transnational perspective to the decades and the cultural forces that have shaped sharply differing ideas of Israel's standing with the United States right up to the violent divisions of today Focusing on the period from 1960 to 1985 author Keith P. Feldman reveals the centrality of Israel and Palestine in postwar U.S. imperial culture Some representations of the region were used to manufacture commonsense racial ideologies underwriting the conviction that liberal democracy must coexist with racialized conditions of segregation border policing poverty and the repression of dissent Others animated vital critiques of these conditions often

forging robust if historically obscured border crossing alternatives In this rich cultural history of the period Feldman deftly analyzes how artists intellectuals and organizations from the United Nations the Black Panther Party and the Association of Arab American University Graduates to James Baldwin Daniel Patrick Moynihan Edward Said and June Jordan linked the unfulfilled promise of liberal democracy in the United States with the perpetuation of settler democracy in Israel and the possibility of Palestine s decolonization In one of his last essays published in 2003 Edward Said wrote In America Palestine and Israel are regarded as local not foreign policy matters A Shadow over Palestine maps this jagged terrain on which this came to be amid a wealth of robust alternatives and the undeterred violence at home and abroad unleashed as a result of this special relationship

Culture Wars Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

Israel and the Foreign Media Daniel Seaman,Ron Schleifer,2023-05-03 This book is a semi biographical account of Daniel Seaman former director of the Israeli Government Press Office GPO and his 25 years of working with foreign journalists in the GPO coupled with an analysis of the impact that foreign media coverage of Israel has had on both public perception and diplomatic policy It relates the untold story of decades long manipulation involved in the presentation of the Israeli Palestinian conflict by journalists and editors together with Palestinian operatives who abused their professional standards in order to create and maintain an ideological narrative This is a challenging read for those whose opinion on Israel is fixed but it is a crucial wake up call for the survival of Western democracy and a free press

American Jewry's Challenge Manfred Gerstenfeld,2005-01-26 Watershed events including the second Palestinian uprising in 2000 September 11 2001 and the Iraq war have created major challenges for American Jewry leading to changes in its perceptions and environment Through conversations with some of America s most influential Jewish leaders Manfred Gerstenfeld sheds light on the how the tumultuous events of recent years have affected and will continue to influence the American Jewish population These include issues surrounding education assimilation and revitalization relationships with other religious communities anti Semitism and generational change Of enormous historical value American Jewry s Challenge serves as a time capsule capturing American Jewry at the dawn of the 21st century

Substance Abuse in America James A. Swartz,2012-08-06 This book provides a comprehensive overview of drug policy in the United States from the early 1900s through the present day providing historical and social context through the telling of the colorful and often tragic stories of the events and individuals

throughout this period Substance Abuse in America A Documentary and Reference Guide examines the history of U S drug policy chronologically from the early 1900s through the current day covering topics such as patent medicines Prohibition Reefer Madness the psychedelic 60s Nixon s War on Drugs and the powerful warring Mexican drug cartels that currently threaten political instability in that country This book provides a comprehensive overview of U S drug policy that will fascinate general readers and benefit those in the field of substance abuse treatment or policy Each chapter includes an analysis of a primary source document that serves to illuminate drug policy in America at a particular point in time as well as the reasons for the waxing and waning popularity of various drugs The author provides accurate historical context that explains perceptions about substance abuse in American history and draws compelling parallels across different time periods to show that much of what may seem new and unique for the present generation actually has a historical precedent

Monsters to Destroy Ira Chernus,2015-12-03 This book takes an incisive look at the stories we are told and tell ourselves about evil forces and American responses Chernus pushes beyond political rhetoric and media cliches to examine psychological mechanisms that freeze our concepts of the world Norman Solomon author War Made Easy How Presidents and Pundits Keep Spinning Us to Death In his new book Monsters to Destroy The Neoconservative War on Terror and Sin Ira Chernus tackles the question of why U S foreign policy aimed at building national security has the paradoxical effect of making the country less safe and secure His answer The war on terror is based not on realistic appraisals of the causes of conflict but rather on stories that neoconservative policymakers tell about human nature and a world divided between absolute good and absolute evil The root of the stories is these policymakers terror of the social and cultural changes that swept through U S society in the 1960s George W Bush and the neoconservatives cast the agents of change not simply as political opponents but as enemies or sinners acting with evil intent to destroy U S values and morals that is as monsters rather than human beings The war on terror transfers that plot from a domestic to a foreign stage making it more appealing even to those who reject the neoconservative agenda at home Because it does not deal with the real causes of global conflict it harms rather than helps the goal of greater national security The Problems of Genocide A. Dirk Moses,2021-02-04

Genocide is not only a problem of mass death but also of how as a relatively new idea and law it organizes and distorts thinking about civilian destruction Taking the normative perspective of civilian immunity from military attack A Dirk Moses argues that the implicit hierarchy of international criminal law atop which sits genocide as the crime of crimes blinds us to other types of humanly caused civilian death like bombing cities and the collateral damage of missile and drone strikes Talk of genocide then can function ideologically to detract from systematic violence against civilians perpetrated by governments of all types The Problems of Genocide contends that this violence is the consequence of permanent security imperatives the striving of states and armed groups seeking to found states to make themselves invulnerable to threats **Democratic**

Vanguardism Michael Harland,2013-10-24 The terrorist attacks of September 11 2001 transformed the way in which

Americans and their leaders viewed the world The tragic events of that day helped give rise to a foreign policy strategy commonly referred to as the Bush Doctrine At the heart of this doctrine lie a series of claims about the need to encourage liberal democracy as the antidote to jihadist terrorism President George W Bush proclaimed in a variety of addresses that democracy now represented the single surviving model of political life to which all people aspired In the course of making this argument President Bush linked his policies to an overarching teleology of progress This discourse suggested that the United States might use force to hasten the emergence of liberal norms and institutions in rogue states With a sense of irony some commentators soon referred to the Bush administration s position as Leninist because of its determination to bring about the so called end of history today Yet surprisingly these critics had little more to add This book assesses in greater depth the Bush administration s claim to comprehend the purpose of historical progress Developing a concept termed democratic vanguardism this study investigates the idea of liberal modernity the role of the United States as a force for democracy and the implications of using military intervention in the service of idealistic ends It examines disputes among political theorists public intellectuals and elected statesmen that help to enrich our understanding of the United States efforts under President Bush to bend history to its will

Science and Apocalypse in Bertrand Russell , Javier Pérez-Jara,Lino Camprubí,2022-08-01 Bertrand Russell 1872 1970 was a logician a philosopher and one of the twentieth century s most visible public intellectuals *Science and Apocalypse in Bertrand Russell* A Cultural Sociology brings those three aspects together to trace Russell s changing views on the role of science and technology in society throughout his long intellectual career Drawing from cultural sociology history of science and philosophy Javier P rez Jara and Lino Camprub provide a fresh multidimensional analysis of the general themes of science technology utopia and apocalypse The book critically examines Russell s influential interpretations of the turn of the century mathematical logic World War I the metaphysics and epistemology of mind and matter World War II nuclear holocaust and the Vietnam War In Russell s compelling narratives humanity was a powder keg and the match was represented by different and successive meta adversaries such as religion communism and American imperialism And the only way to avoid a coming global Holocaust was to follow his own salvific recipes In working around Russell s role in the cultural perception of the final destiny of humanity *Science and Apocalypse in Bertrand Russell* invites the reader to think about the place of the techno scientific sphere in human progress and decadence in both our current epoch and the distant future

Neoconservative Politics and the Supreme Court Stephen M. Feldman,2013 In this concise timely book constitutional law expert Stephen M Feldman draws on neoconservative writings to explore the rise of the neocons and their influence on the Supreme Court Neocons burst onto the political scene in the early 1980s via their assault on pluralist democracy s ethical relativism where no pre existing or higher principles limit the agendas of interest groups Instead they advocated for a resurrection of republican democracy which declares that virtuous citizens and officials pursue the common good Yet despite their original goals neocons quickly became

an interest group themselves competing successfully within the pluralist democratic arena When the political winds shifted in 2008 however neocons found themselves shorn of power in Congress and the executive branch But portentously they still controlled the Supreme Court Neoconservative Politics and the Supreme Court explains how and why the neoconservatives criticized but operated within pluralist democracy and most important what the entrenchment of neocons on the Supreme Court means for present and future politics and law

Mass-Market Fiction and the Crisis of American Liberalism, 1972-2017 Michael J. Blouin, 2018-05-10 Mass Market Fiction and the Crisis of American Liberalism 1972 2017 tracks the transformation of liberal thought in the contemporary United States through the unique lens of the popular paperback The book focuses on cultural shifts as they appear in works written by some of the most widely read authors of the last fifty years the idea of love within a New Economy Danielle Steel the role of government in scientific inquiry Michael Crichton entangled political alliances and legacies in the aftermath of the 1960s Tom Clancy the restructured corporation John Grisham and the blurred line between state and personal empowerment Dean Koontz To address the current crisis this book examines how the changed character of American liberalism has been rendered legible for a mass audience

It Ended Badly Jennifer Wright, 2024-09-04 A history of heartbreak replete with beheadings uprisings creepy sex dolls and celebrity gossip and its disastrously bad consequences throughout time Spanning eras and cultures from ancient Rome to medieval England to 1950s Hollywood Jennifer Wright's *It Ended Badly* guides you through the worst of the worst in historically bad breakups In the throes of heartbreak Emperor Nero had just about everyone he ever loved from his old tutor to most of his friends put to death Oscar Wilde's lover whom he went to jail for abandoned him when faced with being cut off financially from his wealthy family and wrote several self-serving books denying the entire affair And poor volatile Caroline Lamb sent Lord Byron one hell of a torch letter and enclosed a bloody lock of her own pubic hair Your obsessive social media stalking of your ex isn't looking so bad now is it With a wry wit and considerable empathy Wright digs deep into the archives to bring these thirteen terrible breakups to life She educates entertains and really puts your own bad breakup conduct into perspective *It Ended Badly* is for anyone who's ever loved and lost and maybe sent one too many ill-considered late night emails to their ex reminding us that no matter how badly we've behaved no one is as bad as Henry VIII Wright combines a deep knowledge of her subjects with an abiding love for their depravity she chronicles their breakups with a wit as sharp as a guillotine's blade People The writing fits right in with the work of comedian authors Tina Fey and Chelsea Handler Library Journal starred review

The Countercultural Logic of Neoliberalism David Hancock, 2019-01-10 Why since the financial crisis of 2008 has neoliberal capitalism remained seemingly impregnable Why when it is shown as no longer capable of delivering on its economic promises does its logic pervade all facets of contemporary life How has it seduced us This book examines the seductive appeal of neoliberalism by understanding it as a fundamentally counter-cultural logic Unlike earlier modes of capitalism neoliberalism is infused by spirit of rebellion and self-creation with the idealised neoliberal subject overturning

traditional morality whilst creating new modes of being based on risk and excess Tracing the development of the logic of neoliberalism from its beginnings in the thought of Friedrich Hayek in the wake of the post war period through the work of neoconservative writers overcoming and moving beyond what they perceived as the nihilism of both the counter culture and capitalism of the 1960s and 70s to its establishment as a new moral order underpinning the economic system from the 1980s onwards the author argues that it is only through a clear understanding of the seduction of neoliberalism that it can be overcome by reimagining our relationships to work and society *The Life of Saul Bellow, Volume 1* Zachary

Leader,2015-05-05 For much of his adult life Saul Bellow was the most acclaimed novelist in America the winner of among other awards the Nobel Prize in Literature three National Book Awards and the Pulitzer Prize The Life of Saul Bellow by the literary scholar and biographer Zachary Leader marks the centenary of Bellow s birth as well as the tenth anniversary of his death It draws on unprecedented access to Bellow s papers including much previously restricted material as well as interviews with more than 150 of the novelist s relatives close friends colleagues and lovers a number of whom have never spoken to researchers before Through detailed exploration of Bellow s writings and the private history that informed them Leader chronicles a singular life in letters offering original and nuanced accounts not only of the novelist s development and rise to eminence but of his many identities as writer polemicist husband father Chicagoan Jew American The biography will be published in two volumes The first volume To Fame and Fortune 1915 1964 traces Bellow s Russian roots his birth and early childhood in Quebec his years in Chicago his travels in Mexico Europe and Israel the first three of his five marriages and the novels from Dangling Man and The Adventures of Augie March to the best selling Herzog New light is shed on Bellow s fellow writers including Ralph Ellison John Berryman Lionel Trilling and Philip Roth and on his turbulent and influential life away from the desk which was as full of incident as his fiction Bellow emerges as a compelling character and Leader s powerful accounts of his writings published and unpublished forward the case for his being as the critic James Wood puts it the greatest of American prose stylists in the twentieth century **Neoconservatism** Justin Vaïsse,2010-05-21

Presents neo conservatism in three ages covering the history and illuminating core developments including the split of liberalism and the shifting relationship of party affiliation and foreign policy position **Reason, Faith, and Politics** Arthur M. Melzer,Robert P. Kraynak,2008-01-01 This collection of essays honoring Werner J Dannhauser addresses the timeless issue_lately become very timely_of the rivalry between reason and religion especially as both relate to politics The essays_by such scholars as Francis Fukuyama Walter Berns Jeremy Rabkin and Ralph Lerner_range widely over Western intellectual history from classical philosophy and ancient Israel to the medieval period and the Renaissance to Nietzsche and contemporary neoconservative thought *George Orwell* Thomas Cushman,John Rodden,2015-11-17 The year 2003 was the 100th anniversary of the birth of George Orwell one of the most influential authors of the twentieth century Orwell s books are assigned today in over 60 000 classrooms annually In this book essays by prominent writers and scholars explain why his

impact continues in a world much changed from his own The essays explore new aspects of Orwell s life and work and his continuing relevance for the interpretation of modern social political and cultural affairs Thematic topics include the use and abuse of 1984 ideas ideologues and intellectuals biography and autobiography literary and stylistic analyses and the reception of Orwell s work abroad The volume is an ideal secondary source for those who continue to be influenced by Orwell s insights and for teachers of Orwell s work Contributors Christopher Hitchens Jonathan Rose Ian Williams Morris Dickstein John Rodden Thomas Cushman Ronald F Thiemann Lawrence Rosenwald Todd Gitlin Erika Gottlieb Dennis Wrong Daphne Patai Jim Sleeper William Cain Lynette Hunter Margery Sabin Vladimir Shalpentokh Miquel Berga Gilbert Bonifas Robert Conquest
