Norman Mailer Richard Poirier, 1969 *Advertisements for Myself* Norman Mailer, 2013-10-15 *Advertisements for Myself* a diverse and freewheeling tour through Mailer's early career covers the many subjects with which he'd grapple for the rest of his life sex race politics literature and the systems of power that shape American life There are lists interviews poems confessions postscripts two Tables of Contents one chronological one thematic undergraduate short stories fragments from a one act play and of course Mailer's classic groundbreaking essays including *The White Negro* *Superficial Reflections on the Hipster* perhaps Mailer's most prescient early polemic and *Mind of an Outlaw* which lends its name to Mailer's latest and first posthumous collection A playful unclassifiable snapshot of American culture at the end of the fifties *Advertisements for Myself* is also a cornerstone of Mailer's long and prolific career In this volume declared The New York Times in 1959 Mr Mailer at 36 shows once again that he is the most versatile if not the most significant talent of his generation

The Deer Park Norman Mailer, 2015-10-20 Amid the cactus wilds some two hundred miles from Hollywood lies a privileged oasis called Desert D Or It is a place for starlets directors studio execs and the well groomed lowlifes who cater to them And as imagined by Norman Mailer in this blistering classic *Desert D Or* is a moral proving ground where men and women discover what they really want and how far they are willing to go to get it As Mailer traces their couplings and uncouplings their uneasy flirtation with success and self extinction he creates a legendary portrait of America's machinery of desire Praise for *The Deer Park* A scathing portrayal of Hollywood studded with brilliant and illuminating passages The New York Times Book Review A writer of the greatest and most reckless talent Mailer drives us up and down *The Deer Park* at breakneck speed It is a trip through unfamiliar country for a time funny and then unnerving The New Yorker Savage brilliant

Norman Mailer Robert Merrill, 1978 It is easy to hold an opinion about Norman Mailer without having read a single sentence he has written His tumultuous personal life and provocative opinions on contemporary social issues may at one time have made him in his own words the second most unpopular man in America surpassed only by Richard Nixon What is difficult is to hold an opinion about Mailer's writing that is not influenced by his image as a public figure Robert Merrill's *Norman Mailer Revisited* while acknowledging the unavoidable connection between Mailer's life and his works screens out distracting gossip and biographical speculation to concentrate on a long overdue assessment of Mailer's aesthetic achievements Critics assume Mailer's books will not sustain detailed aesthetic consideration Merrill writes but it is only by making these aesthetic distinctions that we will ever arrive at a just assessment of Mailer's importance as a writer Three common assumptions about Mailer are that his ideas are more interesting than his art his personality is more interesting than anything he has written and his substantial literary gift has been squandered on works that fail precisely because Mailer is too little the conscious artist By focusing on literary structure and narrative form rather than theme and the influence of Mailer's personal biography Merrill provides a basis for distinguishing Mailer's most successful work from his frequent failures and for comparing Mailer's creative output with that of his contemporaries Merrill addresses the gamut of Mailer's literary intentions over the 40 odd years of his career from trivial publicizing to serious contemplation of world shaking issues He recognizes Mailer's uneven accomplishment ranging from almost unreadable pontification to well shaped considered works such as *The Naked and the Dead* *The Deer Park* *Armies of the Night* and *The Executioner's Song* Merrill speculates convincingly on the reasons Mailer was unable to find subjects to follow up his spectacular success in creating a nonfiction novel *Armies of the Night* winner of the Pulitzer Prize and the National Book Award in 1969 and on the limitations of the genre In assessing Mailer's entire fiction and nonfiction output Merrill ultimately places him among the handful of writers who have most influenced both genres since World War II Many critics agree on Mailer's importance as a cultural

icon yet easily dismiss the possibility that he will influence future generations of writers and thinkers Merrill argues that the literary and artistic merits of Mailer's work will survive his reputation as the wild man of letters

Norman Mailer: The Naked and the Dead & Selected Letters 1945-1946 (LOA #364) Norman Mailer, 2023-01-10 A landmark in the modern literature of war by a still controversial literary icon Includes a selection of letters nine never before published that reveal the real life roots of one of the greatest American debut novels of the last century Nearly universally praised upon publication as an achievement inviting comparison with Tolstoy and Hemingway Norman Mailer's *The Naked and the Dead* is not just a monumental war novel but also a devastating antiwar novel exposing the primal nature of power through the interplay of a platoon of soldiers on an impossible and ultimately pointless mission on an obscure island in the Pacific during World War II Written just after the war ended in the early days of the emerging Cold War the novel daringly engages with the authoritarian impulses in the American character To celebrate and commemorate the centennial of Mailer's birth and the 75th anniversary of the publication of his unforgettable debut novel this expanded collector's edition includes a selection of 23 letters all but four from Mailer to his first wife Beatrice chosen by Mailer biographer J Michael Lennon that reveals the keen insight and powerful ambition of a brilliant young writer grappling with the challenge of converting the weight of experience into art

Norman Mailer Carl Rollyson, 2017-11-20 Norman Mailer *The Last Romantic* gets at the sources of Mailer's obsession with violence whilst also portraying a major literary figure in the making From his fabulous debut war novel *The Naked and the Dead* to his final bid for literary fame *The Castle in the Forest* a brooding foray into 20th century evil Rollyson reveals all Born to Isaac Barney Mailer a Lithuanian Jewish immigrant from South Africa and his wife Fanny on 31st January 1923 Mailer was already showing signs of greatness at the tender age of six Impressing his teachers his mother soon realised that Mailer had great prospects only helped by the fact that he was a good looking boy with a personality that drew people to him From an early age Mailer was comfortable talking about all manner of topics and his underlying obsession with violence and sex merged into his personal life Married many times Mailer was unable to keep his desires at bay and had a total of nine children from all his marriages though his relationships with women were not limited to his wives

Norman Mailer: The Last Romantic shows the great Norman Mailer in an entirely new and focused light revealing all the trials and tribulations of his life and the successes of his many works Praise for Carl Rollyson Meticulous narrative New York Times Book Review Recommended for both lay readers and scholars Library Journal Carl Rollyson is a writer whose biographies include *Beautiful Exile: The Life of Martha Gellhorn* *Lillian Hellman: Her Life and Legend* and *Marie Curie: Honesty in Science* A well known scholar of biography he has also published *Reading Biography: Essays in Biography* *Lives of the Novelists* and *British Biography: A Reader*
