York Times *The Enduring Vision of Norman Mailer* Barry H. Leeds, 2018-02-21 Cultural Writing THE ENDURING VISION OF NORMAN MAILER is Professor Barry H Leeds second book about one of America s most respected most controversial and most prolific authors It looks at Mailer from where Leeds first volume left off and takes him on through his most recent works Leeds ideas are engaging his enthusiasm infectious and his prose mercifully free of critical jargon Recommended for contemporary literature collections William Gargan in Library Journal This is literary criticism with a heart and soul and with an appreciation of subject which is so often missed in contemporary analysis *Norman Mailer: The Naked and the Dead & Selected Letters 1945-1946 (LOA #364)* Norman Mailer, 2023-01-10 A landmark in the modern literature of war by a still controversial literary icon Includes a selection of letters nine never before published that reveal the real life roots of one of the greatest American debut novels of the last century Nearly universally praised upon publication as an achievement inviting comparison with Tolstoy and Hemingway Norman Mailer s *The Naked and the Dead* is not just a monumental war novel but also a devastating antiwar novel exposing the primal nature of power through the interplay of a platoon of soldiers on an impossible and ultimately pointless mission on an obscure island in the Pacific during World War II Written just after the war ended in the early days of the emerging Cold War the novel daringly engages with the authoritarian impulses in the American character To celebrate and commemorate the centennial of Mailer s birth and the 75th anniversary of the publication of his unforgettable debut novel this expanded collector s edition includes a selection of 23 letters all but four from Mailer to his first wife Beatrice chosen by Mailer biographer J Michael Lennon that reveals the keen insight and powerful ambition of a brilliant young writer grappling with the challenge of converting the weight of experience into art

Pedro Lennon,2000 Norman Mailer Quick-Change Artist Jennifer Bailey,1979-06-17 *Mailer* Mary V. Dearborn,1999 As the biographer of both Henry Miller one of Mailer s heroes and the radical journalist Louise Bryant Dearborn is uniquely sensitive to Mailer s best and worst sides BOOK JACKET **Tough Guy** Richard Bradford,2023-01-19 The first biography to examine Mailer s life as a twisted lens offering a unique insight into the history of America from the end of World War II to the election of Barack Obama Twice winner of the Pulitzer Prize firstly in 1969 for *The Armies of the Night* and again in 1980 for *The Executioner s Song* Norman Mailer s life comes as close as is possible to being the Great American Novel beyond reason inexplicable wonderfully grotesque and addictive *The Naked and the Dead* was acclaimed not so much for its intrinsic qualities but rather because it launched a brutally realistic sub genre of military fiction *Catch 22* and *MASH* would not exist without it Richard Bradford combs through Mailer s personal letters to lovers and editors which appear to be a rehearsal for his career as a shifty literary narcissist and which shape the characters of one of the most widely celebrated World War II novels Bradford strikes again with a merciless biography in which diary entries journal extracts and newspaper columns set the tone of this study of a controversial figure From friendships with contemporaries such as James Baldwin failed correspondences with Hemingway and the Kennedys to terrible but justified criticism of his work by William Faulkner and Eleanor Roosevelt this book gives a unique snappy and convincing perspective of Mailer s ferocious personality and writings
